A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Norman Edward Byrne is a native of Hamilton, Ontario, and presently resides in Ancaster.

Bro. Byrne is a lawyer and the senior partner in the law firm of Byrne, Martin & Bedford. He is also a registered professional engineer (A.P.E.O.)

He was educated in the public and secondary schools of Hamilton, Ontario. He graduated as a mechanical engineer from S.P.S. of the University of Toronto in 1949, having attended the first class of engineering held at the new engineering school created by the University of Toronto at Ajax, Ontario. Bro. Byrne then proceeded to Osgoode Hall, Toronto, where he graduated in 1953 as a Barrister at Law and Solicitor of the Supreme Court of Ontario. He was created a Queen's Counsel in 1965.

He first saw the light of Masonry at University Lodge No. 496, Toronto.

On moving to Hamilton to practice law with his father, the late Norman W. Byrne, Q.C., he became a charter member of Meridian Lodge No. 687. He served that lodge as Worshipful Master in 1961 and continued in office as organist until his election as Grand Master.

Bro. Byrne was appointed to the Board of General Purposes of Grand Lodge in 1973 and has continued as a member thereof since being first elected in 1978. He chaired several committees of Grand Lodge during his tenure on the Board, namely the Condition of Masonry, Grievances and Appeals (now Discipline), Masonic Education and, lately, the Committee on Constitution and Jurisprudence. He also served as a member of several committees and was an officer (Vice-President) and director of Masonic Holdings, the Grand Lodge holding company.

Bro. Byrne was elected Deputy Grand Master at the Annual Communication of Grand Lodge in 1989.

Bro. Byrne was elected Vice-Chairman of the Conference of Grand Masters of North America for its 1992 Conference in Alexandria, Virginia. He served as President of the Conference of Canadian Grand and District Grand Lodges at Winnipeg in March of 1992.

Bro. Byrne is a member of King David Chapter, R.A.M., joining that body in 1983. He acquired the rank of Past First Principal (Honorary) of that Chapter in 1991. He is also a Shriner and is a member of Rameses Temple, Toronto.

In Scottish Rite Masonry, he is a member of all of the Scottish Rite bodies and served as T.P.G.M. of Murton Lodge of Perfection in 1970-1971, and became Commander-in-Chief of Moore Sovereign Consistory in 1980. He was coroneted an Honorary Inspector-General 33° of the Supreme Council of Canada at Vancouver in 1973, and was crowned an active member of Supreme Council in Thunder Bay, in September, 1991. He is a member and organist of the Royal Order of Scotland.

In his profession, he is a member of several legal associations and served as President of the Hamilton Lawyers Club in 1965.

In his community, he served as a Director and later as Chairman of the Addiction Research Foundation, Hamilton Branch, and is a lifetime member, Director and Honorary Solicitor for the Hamilton/Burlington YMCA and regularly attends fitness classes there. He was recently honoured for his service of 35 years as Honorary Solicitor of the Hamilton/Burlington YMCA, and was the recipient of the YMCA's "Fellowship of Honour" award, presented by His Excellency the Governor General of Canada. An ardent skier, Bro. Byrne is a member of Holimont Ski Club in Ellicottville, New York, and served as a Director and Secretary of that club for thirteen years.

Bro. Byrne is a member and Elder of Ryerson United Church in Ancaster, Ontario.

Bro. Byrne married Nancy Dennis in 1978. He has three children; Kathryn presently residing in Burlington, Norman presently residing in Oakville and a Marketing Manager with a heavy equipment sales organization in Toronto, and a second daughter, Shelley, who is residing in Chapleau, Ontario. All of his children are married and he and his wife, Nancy, are the proud grandparents of seven grandchildren. His son, Norman III, is also a Craft Mason.

Norman Byrne, in addition to his active involvement in many Masonic Bodies, spends what little spare time he has sailing, biking and skiing with his wife Nancy, who has ably assisted him as a most talented and gracious hostess to his many Masonic friends.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

As a young Mason, I was taught one of the fundamental principles of our beloved order—with privilege comes responsibility—honor and duty—two words that in Masonry are linked together by indissoluble bonds.

It has been a great and singular honor to me to have been elected as Grand Master of this great and distinguished Grand Lodge, the oldest in Canada. Accepting that honor, I hasten to accept the corresponding duty of accounting to you my brethren by way of a report of my efforts as your Grand Master to discharge the responsibilities incumbent upon the office to which I have been elected.

WELCOME

Let me at once welcome you all to this our 137th Annual Communication. Your attendance here at our Grand Lodge sessions demonstrates to all your personal commitment to our Order and gives evidence that you want to take a part in the decisions that will be made at this Communication. As your Grand Master, I personally thank each of you for making the effort and accepting the personal commitment of time and money to be with your Masonic brethren who hail from every hamlet of our province.

I also extend a warm and cordial welcome to those of you who have travelled from other jurisdictions outside of the province of Ontario to be here and to bring honor and distinction to our Communication. Each one of you add a special flavour by your individual presence here, that gives our meeting an aura of warmth and brotherhood shared. Thank you my brethren for putting up with the exigencies of modern travel to be here to share your wisdom and experience with us all. It is my hope that your stay in Toronto will be pleasant and rewarding. It gives me a special pleasure to reciprocate in a small way the very cordial and gracious hospitality that your Grand Lodges have extended to my wife, Nancy, and myself during the past year, or to our representatives who travelled to your jurisdictions on our behalf.

NECROLOGY

It is with a deep sense of loss that we mourn the passing of two of our wise and distinguished Past Grand Masters in the persons of M.W. Bro. Bruce B. Foster who passed away February 6, 1992, and M.W. Bro. James N. Allan who died on May 9, 1992. While we mourn their loss, we celebrate and acknowledge the tremendous contribution both these dedicated Masons made to Masonry in general and to our Grand Lodge in particular.

Bruce Brown Foster

M.W. Bro. Bruce B. Foster, in his private life, was an educator and taught school in Ridgetown. He became principal of the local high school and guided and directed hundreds of students in the right path. M.W. Bro. Foster entered Masonry in St. John's Lodge No. 35, at Cayuga. He later affiliated with Howard Lodge No. 391, at Ridgetown, and served as its Worshipful Master in 1939. He served Chatham District as D.D.G.M. in 1943-44. He was an active Mason in several appendant Masonic bodies and served as First Principal of Erie Chapter R.A.M. and District Superintendent of St. Clair District.

In the Scottish Rite he was a member of all three bodies of the Rite and served as T.P.G.M. of Chatham Lodge of Perfection in 1955. He was coroneted an Honorary Member of Supreme Council 33° in 1957. Bro. Foster was a member of the Royal Order of Scotland. He was also a member of Mocha Temple in the Shrine.

He served this Grand Lodge by becoming a member of the Board of General Purposes in 1947 and continued as a member thereof for several years and chaired several of its Grand Lodge committees.

Bro. Foster was elected D.G.M. in 1967 and served Grand Lodge as Grand Master in 1969 to 1971 with enthusiasm and distinction. He was always ready with a warm smile to provide wise counsel and advice to our Grand Lodge over the balance of his life. We shall miss his cheery countenance and remember with affection his life, as an example of everything a Mason should be.

James Noble Allan

M.W. Bro. James Allan hailed from the Dunnville area of our province and it was there that he entered the dairy business in 1919. Jim Allan was an active and benevolent member and a life elder of Grace United Church

which he served for a lifetime. Bro. Allan's public service began with municipal councils at Canboro and at Dunnville. He served Dunnville as mayor and was a past warden of the then county of Haldimand.

He entered provincial affairs in 1951 when he was elected a member of the Ontario legislature as member for Haldimand-Norfolk. He soon became a member of cabinet and was appointed Treasurer of Ontario in 1958, a position he held with dignity for many years.

In Masonry, our distinguished brother was initiated into the craft in Amity Lodge No. 32, at Dunnville, and remained an active member of that lodge until his death. He served his Mother Lodge as Worshipful Master in 1925 and shortly thereafter was elected D.D.G.M. of Niagara District "A". In 1947 he joined the Board of General Purposes of Grand Lodge and served it well and actively until he was elected D.G.M. in 1963. In July of 1965 he ascended the Chair of the Royal Solomon as Grand Master.

M.W. Bro. Allan carried his skill and activity into many branches of Masonry. He was a Royal Arch Mason, a Scottish Riter and was made an Honorary 33° Mason in 1961. He was invited to join the Royal Order of Scotland in 1963 and was a life member of Rameses Temple of the Shrine. During his years of service to our Grand Lodge, he contributed a great deal and was instrumental in providing a long term and excellent tenant for our Grand Lodge building. His wise counsel, care and concern for all persons with whom he came into contact will be sadly missed by a host of friends and admirers in the craft, in the community and in government circles. He was highly respected by members of all political parties in Ontario as witness the attendance by many of his political opponents at his funeral service. Anyone who had the opportunity of knowing M.W. Bro. James Allan will find it difficult to fill the void his death has caused. We shall miss him.

APPOINTMENTS

In October of 1991, as Grand Master, I had the pleasure of attending the celebration of Nickel Lodge No. 427, at Sudbury, in attaining 100 years of service to the craft. A Past Master of that lodge, W. Bro. F. Gordon MacLeod, who, at the time, was also District Secretary for Sudbury-Manitoulin District, had been instrumental in the planning process of this 100-year anniversary celebration, had personally hand-crafted some of the Masonic equipment and regalia, and had designed and woven a special Nickel Lodge tartan, in which each colour had a specific meaning for the lodge and caused it to be registered officially in Scotland. As recognition for his great talent and his ceaseless energy given over many years for his lodge

and lately for his D.D.G.M., I appointed W. Bro. MacLeod a Grand Steward of this Grand Lodge. V.W. Bro. MacLeod passed away within a few days of his investiture by R.W. Bro. David Innes, D.D.G.M. of Sudbury-Manitoulin. I request your approval of this very fitting appointment and recommend that Past Rank be granted posthumously.

At our communication in July of 1991, in keeping with custom and tradition, I appointed R.W. Bro. Reginald Jewell a member of the Board of General Purposes for a two-year term.

R.W. Bro. Reginald Jewell declined this appointment and accordingly it was necessary for me to appoint another brother to fill this vacancy. After consulting with the Management Committee and the Past Grand Masters, I appointed R.W. Bro. Andrew Burgess a member of the Board of General Purposes for a two-year term commencing in 1991. R.W. Burgess served this Grand Lodge well as a D.D.G.M. several years ago and I am pleased that he accepted this appointment, thereby bringing to our Board his energy, zeal and experience. Bro. Burgess will represent this portion of our province with distinction. I request approval of this appointment as well.

SPECIAL THANKS

Grand Lodge is made up of many dedicated, hard-working brethren. Each brings his special talents forward to form a meld of superior effort, dedication, boundless energy and a desire to be of service to others. These brethren work quietly yet effectively and do not seek honor or applause. As Grand Master, personally and on behalf of you all, I am indeed pleased to extend to each one a sincere "Thank You" for services rendered to our craft. Our Order just could not function without the support of these fine Masons.

In each of the 46 Districts of our Grand Lodge, a leader directs the course and destiny of Masonry in his area. His brethren have elected him to serve as their D.D.G.M. and each one has made a great contribution to Masonry in Ontario in 1991-92. I express my personal thanks to each of our D.D.G.M.s and on your behalf and for myself, I extend the right hand of fellowship while saying a hardy "Thank you, my brother." You each have represented the Grand Lodge in your respective districts wisely and well.

The policy decisions of your Grand Lodge are shaped and formed by our Board of General Purposes, composed of seven honorary, fourteen elected and fourteen appointed members. These Masonic leaders have toiled in the quarries of service and brought an immense fund of knowledge and experience together to lead our craft into the 21st century. My thanks go to

each one for the extensive travel, the countless hours and the dedicated energy each member of the Board has contributed over the past year.

I cannot let the opportunity go by without a special "thank you" to R.W. Bro. Donald Dixon, from Fonthill, and R.W. Bro. James A. Hughes, from Pickering, for their dedicated service to the Board over the past several years. These brethren, due to other pressing commitments, are retiring from the Board this year, and I extend to them my sincere thanks for their many contributions to Masonry and to our Grand Lodge.

HONORARY MEMBERS OF THE BOARD

Two honorary members of our Board have indicated they do not wish to be reappointed members of the Board.

R.W. Bro. Edsel C. Steen

R.W. Bro. Edsel C. Steen has served the Board of General Purposes and our Grand Lodge for many years and his extensive travels have taken him to almost every Masonic area in our vast province. His happy face and enthusiasm for the craft have become a long-standing tradition. He has shared in so many ways as a valued member of the Board, in the Grand Lodge Correspondence Course, in the Grand Lodge Newsletter and in hundreds of other ways too numerous to list. Bro. Steen has indicated that it is now time for him to step aside so others may take their turn to serve our Board. I know we shall still see our distinguished brother, who holds the Grand Master Pellow's Meritorious Award, at many Masonic functions in the years ahead and we look forward with enjoyment to his continuing association with our Grand Lodge.

R.W. Bro. W. Norman Buckingham

R.W. Bro. Norman Buckingham has made a very distinctive and unique contribution to our Grand Lodge. Masons in Ontario are indeed deeply indebted to this very talented Mason who has done so much to give advice and counsel and to prepare material for public dissemination with respect to our craft. As a person with professional experience in the media presentations and publicity, Bro. Buckingham has directed our public information and communication efforts for several years and with terrific results. He has great skill in being able to tell the Masonic story in written word so clearly to Mason and non-Mason alike, and his work in so many of the Grand Lodge publications and the audio and visual tapes we now have will continue to serve our Grand Lodge and Freemasonry for many years.

R.W. Bro. Buckingham has asked to be relieved of what has become a very onerous task at the end of his present term as an Honorary Member of the Board. Our prayers and strong support for him, coupled with our most sincere thanks go to this most dedicated Mason who has made such an impact on our noble craft. I personally shall continue to treasure the deep friendship which has developed between us over the past years and wish him on your behalf as well as on my own, success and much happiness in the years ahead.

APPOINTMENTS TO THE BOARD OF GENERAL PURPOSES (HONORARY)

The retirement from active service of these two fine Masons, both at the end of their terms as Honorary Members of the Board of General Purposes necessitates the appointment of two Masons to take their place. Both of the following brethren have proved their effectiveness in the fiery crucible of battle and already have given extensive service to our Grand Lodge. To enable us to ensure that their joint talent is harnessed for future service, pursuant to Section 131(e), I recommend the appointment of V.W. Bro. James Cassie, Toronto, and R.W. Bro. Robert Barnett, London, each for a term of three years, as honorary members of the Board of General Purposes. Three other honorary members of the Board have terms expiring at this time. They have each in their own special way served our Grand Lodge with energy, great talent and distinction. I am pleased therefore to recommend the reappointment, for three-year terms, of R.W. Bros. W. E. McLeod, R. T. Runciman and H. A. Leal.

MANAGEMENT COMMITTEE

This is the first full year of the operation of the permanent Management Committee of Grand Lodge. As you know, this special hard-working committee is composed of a blend of elected and appointed brethren. They function as the Executive Committee of the Board and allow Grand Lodge to operate in a timely fashion on an ongoing basis between each Annual Communication. This special committee is headed up by the Deputy Grand Master, R.W. Bro. C. Edwin Drew.

I have had the distinct pleasure of working with this band of exciting, imaginative and dedicated Masons and I never cease to be amazed at their never-ending source of energy and devotion to the many problems which they face in their frequent meetings, and after meaningful discussions handle decisions in a most expedient manner. My hat is off to this group of Masonic leaders in the persons of R.W. Bros. T. R. Davies, H. Allan Leal,

Wayne Elgie, Samuel Cohen, Neil Britton and their chairman, R.W. Bro. C. Edwin Drew. This group keep our Grand Secretary, who is secretary of the committee, constantly busy with Minutes and circulating matters discussed and to be discussed. My thanks to M.W. Bro. R. E. Davies for acting as secretary for this very demanding committee.

The concept of the management group, first approved by Grand Lodge several years ago, has proved to have been a big plus. Grand Lodge programmes are now guided and administered by the combined efforts of wise and experienced brethren, rather than a solitary decision by a Grand Master or a long delayed decision by a very large Board of General Purposes.

APPRECIATION

On a more personal note, I take this opportunity to extend my sincere "Thank You" to our Past Grand Masters. As Grand Master, I have had the great privilege of calling on and receiving their collective wisdom, experience and advice on many occasions. They continue, with unabated ardour, to provide great service to their Grand Lodge individually and collectively. No Grand Master anywhere could have a more dedicated and loyal group of Masonic leaders than this present Grand Master has and I sincerely thank them one and all for their strong and continued support.

R.W. Bro. C. Edwin Drew has been a most hard-working and dedicated Deputy Grand Master and whenever I have called on him for his assistance, counsel and advice, he has always most ably and willingly responded. The D.G.M. and I have developed a friendship and closeness which I shall cherish forever. To your Grand Master he has been a brother in every sense of the word and I thank him most sincerely.

M.W. Bro. R. E. Davies, as Grand Secretary of Grand Lodge, continues to work tirelessly on behalf of Grand Lodge in so many ways. His knowledge and experience and his great skill in dealing with people is not only a credit to him, but Grand Lodge is the benefactor of his many talents. As Grand Master, I have relied on his skill and ability on an almost daily basis and I thank him profusely for his constant sound advice and wise counsel. It is given in such a friendly, courteous and sincere fashion. Each member of Grand Lodge should be aware of the great contribution this enthusiastic brother has made to our craft and this Grand Lodge in particular.

To R.W. Bro. Kenneth Whiting, his most able assistant, I extend my personal thanks as well, and to the other members of the Grand Secretary's

staff, my profound thanks. We are indeed most fortunate to have such a devoted group of employees.

CUSTODIAN

Each year the ritual of our Grand Lodge is carefully guarded from encroachment by the skillful and experienced hand of the Custodian of the Work, M.W. Bro. N. Richard Richards. M.W. Bro. Richards instructs each D.D.G.M. at the beginning of his respective term and he is constantly consulted by lodges and brethren across the province. For every question posed, he has given an authoritative answer and explanation. He has communicated with the D.D.G.M.s during the year through the D.D.G.M. Communique. We thank him for his great skill and tact in dealing with matters of ritual, some of which require the wisdom of Solomon.

PAST RANK

Several Worshipful Masters were prevented from serving as Worshipful Masters for a full term as required by our Constitution. Each brother has served with enthusiasm and great skill. I recommend that Past Rank be granted to:

W. Bro. Michael Frederick Wellwood, Florence Lodge No. 390

W. Bro. Brian Baldwin, Sioux Lookout Lodge No. 518
as of September 9, 1992

and posthumously to:

W. Bro. Cameron Taylor, Clifford Lodge No. 315

W. Bro. W. H. Gibson, Manitou Lodge No. 631

W. Bro. Frederick W. Dickinson, Lodge of Fellowship No. 702

WILLIAM MERCER WILSON MEDAL

The highest award to a brother for distinction and service to the craft, his country, his community, his church and his friends and brethren is in the awarding of the William Mercer Wilson Medal. I am most pleased to congratulate the following brethren—

Bro. George W. Luesby, Tuscan Lodge No. 99
Bro. Albert Martin, Zeta Lodge No. 410
Bro. Herman J. Pincombe, Parkwood Lodge No. 695
Bro. William Mac Henderson, Corinthian Lodge No. 700
Bro. Richard Noel Haines, Niagara Lodge No. 2

I record, with sorrow, the passing of Bro. Godfrey Hoag Wyatt, on November 28, 1991, who was awarded this most distinguished medal in 1986.

I had the privilege in several of these presentations of welcoming into the lodge room, which had been called off for the occasion, the family and friends of the recipient of this medal.

It is one of the Grand Master's most cherished moments to be able to reward each recipient of this medal, particularly in the presence of his family and friends. This type of presentation has been made for the past several years rather than in the tyled lodge and I recommend such procedure be continued.

RECOGNITION OF 100 YEARS OF ACTIVE SERVICE

I was pleased to assist in the rededication of Nickel Lodge No. 427, at Sudbury, and the dedication of new golden trimmed regalia in October of 1991. The celebration was exceptionally well planned and will serve as a bench mark for other lodges as they approach this Masonic landmark. I am pleased to see this distinguished lodge wearing regalia and insignia trimmed or plated in gold finish as recognition for having attained 100 years of active service. Congratulations!

APPOINTMENTS OF GRAND REPRESENTATIVES

I was pleased to confirm the following brethren as our Grand Representatives near the Grand Lodges of:

Finland—W. Bro. Harri Taponen
Maine—W. Bro. Kenneth L. Richardson
New York—M.W. Bro. Bruce Widger
South Africa—W. Bro. Abraham Paulus Pretorius
Tennessee—Bro. Marshall A. Stinnett
Tocantins—W. Bro. Máximo Levi Leite Gomes
Utah—Bro. Wayne A. Marriott Sr
Washington—V.W. Bro. Marvin W. Rose

I was also pleased to recommend to the Grand Masters of other Grand Lodges the appointments of the following Grand Representatives near our Grand Lodge:

California—V.W. Bro. Robert S. Whitmore
England—M.W. Bro. William K. Bailey
Indiana—R.W. Bro. R. Cerwyn Davies
Massachusetts—M.W. Bro. David C. Bradley
New Jersey—R.W. Bro. Wayne E. Elgie
New York—R.W. Bro. C. Edwin Drew
Scotland—M.W. Bro. Eric W. Nancekivell
Turkey—V.W. Bro. Charles A. Houghton

MASONIC FOUNDATION

As you are all aware, the Masonic Foundation of Ontario is the handmaiden of our Grand Lodge. Formed and operated as a distinct, separate legal entity, its programmes are directed to an ever-increasing host of public charities.

Under the leadership of its President, R.W. Bro. C. John Woodburn, the Directors of the Foundation and those associated with it have given unstintingly of their respective time and talents, far beyond the requisites of duty.

The Foundation, during the past year, moved its head office location to the Grand Lodge Memorial Building in Hamilton, which we personally feel is a good step. For now the many brethren who attend the Grand Lodge Memorial Building on lodge business are also able to deal directly with the Foundation personnel at the same time and place. The Foundation office is manned on a regular daily basis.

The Directors are dealing with the several programmes under their care and guidance and I personally ask each brother Mason to recall carefully his feelings at the North East angle of the lodge, as he considers making his personal annual contribution to this great and worthwhile undertaking which speaks "MASONS CARE" to all the world.

CONFERENCE OF THE FOUR WESTERN MASONIC JURISDICTIONS

Once again, our Grand Lodge was represented at what is now known as the Banff Conference. I was most pleased to request M.W. Bro. David C.

Bradley to represent our Grand Lodge at Banff. This conference, primarily directed to the four western provinces of Canada, is joined by observers from other neighbouring Canadian and American Grand Lodges as well.

M.W. Bro. David Bradley reports that he was able to share in the discussions that took place there, and received much help and useful information from the programmes that were presented. I thank him for representing our Grand Lodge so well.

CONFERENCE OF GRAND MASTERS OF MASONS IN NORTH AMERICA

Your Grand Master had the distinct privilege of serving as Vice-President of the Conference of Grand Masters of North America at its deliberations in Washington, D.C., in February, 1992.

This gathering of Masonic leaders from all over North America and neighbouring countries, plus overseas delegations, has proved to be a great opportunity to not only keep up to date with the many developments in Masonry in North America but allows representatives of this Grand Lodge to contribute as Canadian Masons to the overall picture.

I was extremely proud of our own R.W. Bro. Cerwyn Davies, Past Grand Chaplain, who addressed this distinguished conference as keynote speaker. His great enthusiasm, demonstrated in his unique oratorical skills, got the conference off to a great start. Brethren from all over North America listened, with great interest, to the inspiring message this Mason from Canada brought to them all, and he gained great respect for our Grand Lodge which, at times, tends to get lost in the multiplicity of Grand Lodges represented at this conference. I thank him for his great contribution, which placed the Grand Lodge of Canada front and centre for all to see, hear and admire.

CONFERENCE OF GRAND AND DISTRICT GRAND LODGES OF CANADA

Your Grand Master was doubly honored to have been elected President of the Conference of Canadian Grand and District Grand Lodges which was held in Winnipeg, Manitoba, in March of this year.

Each Grand and District Grand Lodge was represented there and because the delegates are fewer in number than the previously reported conference, a much closer relationship is experienced by the Grand Masters,

the Deputy Grand Masters and the Grand Secretaries who are in attendance. This year we all reported on the various programmes under way in each of our respective jurisdictions and we were able to share the details of many new and innovative programmes that have a proven track record in the various jurisdictions across Canada.

I am also pleased to report that our own R.W. Bro. Wallace McLeod presented a keynote address at the banquet hour one evening. He spoke on Prince Hall Freemasonry, on which subject he is an acknowledged expert.

After an enthusiastic and vigorous discussion by all of the delegates in attendance at the conference, the Conference passed the following resolution, unanimously: "The Conference of Grand and District Grand Lodges of Canada held in Winnipeg on March 21, 1992, unanimously recommends the acceptance of Prince Hall Grand Lodges as approved by the Conference of Prince Hall Grand Lodges as being regular Masonic Grand Lodges."

Please note that this is not equivalent to recognition by our Grand Lodge or any Grand Lodge, nor is it the right to visit, but it is merely a recommendation with respect to the legitimacy of origin of Prince Hall Masons and their respective Grand Lodges.

Your consideration of this Resolution, as members of this Grand Lodge, will be sought at this Annual Communication and you as individual Masons will have an opportunity to extend brotherhood in a very meaningful way. I recommend your favourable consideration of this Resolution which was unanimously accepted by each delegate at the Conference of Canadian Grand and District Grand Lodges this year.

In this area, your Grand Master, the Deputy Grand Master and the Grand Secretary have had an informal though productive dinner meeting with our counterparts of the Prince Hall Grand Lodge of Ontario and Jurisdictions. This has allowed to continue a meaningful dialogue with this group of fine, dedicated, articulate and enthusiastic Masons who for many years have been kept at a "Masonic distance."

It is our hope that adjectives such as *clandestine* or *irregular* will no longer be used in reference to Prince Hall and that this experiment in brotherhood will display in action those expressions in words with which you are all familiar.

SUPREME COUNCIL A. & A.S.R.

I was pleased to attend the 118th Annual Sessions of the Supreme Council 33° of the Ancient and Accepted Scottish Rite of Canada, at Thunder Bay, in September of 1991, as your Grand Master and bring greetings from our Grand Lodge to the hundreds of delegates from all over Canada assembled there, together with those Masons representing sister Supreme Councils and other appendant Masonic bodies.

Illustrious Bro. John V. Lawer, 33°, was installed as Sovereign Grand Commander and we congratulate him and wish him well as he commences his term in that high and distinguished office. I also express my sincere thanks to him and his officers for the gracious hospitality afforded to my wife, Nancy, and myself as guests, together with the graceful courtesies extended to us both in abundance.

ROYAL ARCH MASONRY

I was also most pleased to be in attendance, in April, at the 134th Annual Convocation of the Grand Chapter, Royal Arch Masons of Canada in the Province of Ontario, to congratulate Most Excellent Companion Donald F. Kline on a most successful term as Grand First Principal. I thank him as well for the kind hospitality extended to my wife, Nancy, and myself, and wish the newly installed Grand First Principal, Most Excellent Companion G. Robert Jackson well, as he starts on his term of leadership in Royal Arch.

THE MENTORS PROGRAMME

Some time ago, under the instigation of M.W. Bro. A. Lou Copeland, our Grand Lodge entered into a programme called *The Mentors Programme*. As you are now aware, this programme is not designed to replace sponsors of prospective candidates, nor those charged with the responsibility of assisting new candidates in their preparation to be advanced to other degrees. It is the intention of the programme that in each lodge a brother Mason shall stand beside each new candidate in friendship and brotherhood and so befriend and assist him so that he will grow in his knowledge of the concept of Masonry, feel comfortable and at home with his brethren in his lodge, get to know many masons within his lodge and without and have a friend or "buddy" to whom he may express his concerns, his cares, his questions and his Masonic desires.

Only about one-half of the lodges in our jurisdiction are actively

promoting this programme within their lodges. There are many reasons given why the programme is not needed or why it will not work. I, personally, believe these reasons are in reality excuses given as an answer to concerns expressed by Masonic leaders in each district who are continually enquiring as to the implementation of the Mentors Programme. My brethren, it is not some form of magic. It is not a "quick fix." It is not "a way out idea" nor is it an antidote for the sickness that has surfaced in some lodges where lodge attendance is down, candidates are scarce or nonexistent and where no brethren seem interested in contributing to the vitality of the lodge. I can promise you one thing though—where the programme is in active operation, the results are nothing short of spectacular. In many lodges that were struggling for their very continued existence, it has been like a breath of fresh air and interest in Masonry, the number of candidates, member attendance, lodge activities and social functions have taken a drastic change of direction.

Ask around if your lodge has caught this "infectious bug" yet. I know you will personally hear and see that any efforts put behind the programme pay big dividends. It will help us all make Masons—instead of just members. Try it my brethren, it really works. This programme is now under the direction of its own special Grand Lodge Committee as an indication of the importance I place on the Mentors Programme.

VISITATIONS

As Grand Master, I have had the privilege of representing our Grand Lodge at many functions at home and abroad as well. Wherever I have visited, I have been afforded every courtesy and gracious hospitality. The representatives of our sister lodges have received us with great cordiality and sincere friendship and have extended to my dear wife, Nancy, when she has accompanied me, every possible kindness. To all I extend my sincere and lasting appreciation. A list of my visits to other Grand Lodges and Masonic bodies is given in the Appendix.

TELEVISION INTERVIEW

For some years, our Grand Lodge has been opening Masonic windows. In furtherance of that aim and in a hope to answer the public's misconception of the Masonic myths with respect to secrecy and Masonry being a religion, I consented to two television interviews over a commercial television station—namely CKCO, Channel 13, operating principally in the Kitchener, Ontario, area. These interviews were arranged through the Public Relations Committee of Grand Lodge and the good graces of R.W. Bro.

David Wood, D.D.G.M. of Hamilton C, a member of my own lodge.

In the first interview held in Kitchener, in October, 1991, I was accompanied and ably assisted by R.W. Bro. Norman Buckingham.

I am pleased with the results and recognize that this effort brought Masonry in Ontario into the limelight in hundreds of homes throughout southwestern Ontario in a way that would have been quite impossible by any other means. I trust those of you who have seen the tape, which is available through the Grand Lodge Library, will agree with me. This interview was originally aimed at the non-Masonic public, but the side effect is that it has also been actively sought by lodges for presentation to our members at a regular lodge meeting.

In June of 1992, I had the opportunity of repeating this type of television interview in Windsor, Ontario, in a large, public retail mall. On this occasion, R.W. Bro. Wayne Elgie assisted me by sharing in some of the answers to questions posed by the interviewer. This television presentation will air early in November, 1992, particulars of which will be circulated in due course.

I believe that this exposure of Masonry before the public can only have a positive result as we tell our story to those who for many years have wondered just what we are about. A future interview which will explore the charitable and benevolent aspects of our craft is scheduled for early fall.

HONORS

Our Past Grand Master, M.W. Bro. Eric W. Nancekivell, Immediate Past President of the Masonic Relief Association of the United States and Canada, chaired its biennial meeting in September at Burlington, Ontario. M.W. Bro. Nancekivell has served this active Masonic Association as a director and officer for quite a few years and his election as President brought to him well deserved honors and to our Grand Lodge as well. The meeting gathered Masons from all over North America and our distinguished brother showed great leadership during their deliberations. We congratulate him.

DEDICATIONS

Your Grand Master was given the opportunity to share in dedications in several instances in the past year. One of the highlights was the dedication of a new Masonic Temple of Chukuni Lodge No. 660, Red Lake,

Ontario. These active and innovative brethren from one of our far northern lodges decided, last year, to build a new lodge room. Despite their small numbers and their remote location, they pooled their resources and erected a fine temple which will serve this lodge well for many years to come. A good number of Grand Lodge officers, accompanied by their ladies, journeyed to this far northern town to conduct the ceremony of dedication. We were received with great warmth and friendship and every courtesy was extended to our group. Special dinners, barbecues, boat rides, plane rides, a church service and just plain fun and friendship were evident everywhere. Our thanks go out to the officers and members of this very active and energetic lodge.

INTERNATIONAL PLOWING MATCH

Masonry was on show for the first time at the International Plowing Match held at Petrolia, Lambton County, Ontario, in September, 1991. A booth was established and manned by the district Masons and the public and visiting brethren were invited to step in for a cup of coffee, a chat or just some good old "chin wagging."

Visitors signed a guest book and we understand several prospective candidates for Masonry were discovered. It is your Grand Master's intention to repeat this presentation at the 1992 plowing match, to be held in the Lindsay area. Our thanks go out to the brethren who conceived the idea and implemented the plan in such fine fashion.

PERSONAL COMMENTS

I beg your indulgence while I report to you on several matters which are particularly important to me as your Grand Master. In November, 1991, while attempting to attend the Grand Lodge of Maryland, my wife, Nancy, and I were involved in an automobile accident near Fort Erie on the way to the Buffalo airport. Both of us were injured and the car totally demolished. We considered ourselves very fortunate to be alive. My wife still experiences recurrent pain in her right foot, the result of an injury sustained in the accident, but she has persevered in her adversity and accompanied me in my rather extensive travels, notwithstanding her pain and discomfort.

She has been a great support to your Grand Master and I am indeed blessed to have such a fine life's companion to aid and support me when I need it. She's made of tough stuff and has been a charming hostess whenever I have had the opportunity to entertain Masonic friends.

In March of 1992, my Mother Lodge, University No. 496, Toronto, conferred a great honor on your Grand Master when I was made an Honorary Past Master of this old and distinguished lodge. I was conducted through a very moving and well-planned ceremony and presented with a beautiful Past Master's Jewel. This lodge has established an educational bursary fund for students at the University of Toronto. One of the bursaries was named after your Grand Master. I am deeply moved by this great show of love and support and thank, from the bottom of my heart, those who conceived, planned and executed this memorable evening for me.

My own lodge, Meridian No. 687 of Ancaster, and the officers and brethren thereof, have been of great assistance to me during the past year. They are ever ready to accompany me where possible and have allowed me to attend lodge in a somewhat relaxed atmosphere and have encouraged fun and fellowship whenever I have been able to attend. My thanks to all my brethren.

Last, but not least, a personal thank you to my Director of Ceremonies, V.W. Bro. Rob Whitmore who has so ably assisted me at every turn along the way. He has chauffeured me safely to many Masonic functions, attended to my needs and requirements, been helpful in seeing that all proper facilities were present and operating and has been a happy and considerate travelling companion. He has spoiled your Grand Master beyond compare and I thank him most sincerely.

A SPECIAL CELEBRATION ABROAD

The Mother Grand Lodge of the world, the United Grand Lodge of England, celebrated its 275th Anniversary and the 25th Anniversary of the installation of His Royal Highness, the Duke of Kent as Most Worshipful Grand Master in London, England, in June of 1992. I was most fortunate to be invited to attend this most memorable and moving celebration as your Grand Master, and to bring greetings and congratulations to this great assembly.

It was an absolutely unbelievable spectacle to witness 12,500 Masons all together at one place—Earlscourt—to pay respect to and congratulate the distinguished Grand Master of the most respected Grand Lodge in the world.

To say I was completely thrilled was an understatement. Eighty-four Grand Lodges were represented from all over the world, and the most evident feeling was of worldwide brotherhood and friendship by men of all

ances, colours and creeds from almost every country of the four divisions of the globe. To converse with Masonic brethren from the far corners of this world gave us a once-in-a-lifetime opportunity to share our Masonic goals and programmes, and receive much input and information of many innovative programmes from sister jurisdictions.

OF CONCERN

During the past year, Central Lodge No. 110, at Spencerville, entered upon a province-wide campaign to solicit funds to assist their lodge to erect its own lodge building. It was presented on the idea of "brethren helping brethren" and while I commend these brethren for their initiative, the Management Committee and I would hope that the province-wide solicitation for financial support for a single lodge's personal accommodations would not be repeated. Yes, brethren should assist brethren wherever they may be, but under normal circumstances one would hope that the request for funds for a specific lodge building would be restricted to the immediate area in which that lodge is located.

Your Grand Master received many letters of complaint and concern and while no great harm has resulted, I would recommend such a procedure not be repeated by any one lodge in similar circumstances.

NIAGARA LODGE NO. 2—200 YEARS

In June, this year, Niagara Lodge No. 2 celebrated its 200th Anniversary with great joy and thanksgiving, and a ceremony of rededication.

It is the very first lodge to reach this pinnacle of service to our craft. Indeed, it is older than our own Grand Lodge by quite a few years.

The celebrations were extremely well planned and in keeping with this great historic occasion, the Grand Historian spoke to the assembled brethren and their ladies at the banquet hour, following a moving ceremony within the lodge room.

The brethren of this lodge are now entitled to wear on their aprons the special crest provided by Section 394.1 of our Constitution.

GRAND MASTER'S BANQUET

This year we will be favoured with an address by our own R.W. Bro. Wallace McLeod, Grand Historian, who will speak to us at the Grand

Master's Banquet. This very knowledgeable and eloquent brother will bring us a message that will educate and entertain. Bro. McLeod is a world renowned Masonic researcher and recently was installed as the first Canadian to be elected International President of the Philalethes Society. We look forward to his address.

ONTARIO/QUEBEC WEEKEND

Out of conversations between your Grand Master and the Grand Master of the Grand Lodge of Quebec, M.W. Bro. Lorne Phillips, an idea for a Masonic weekend at Ottawa-Hull in September, 1992, has emerged. Both Grand Masters and their respective Grand Lodges are concerned as Canadians and as Masons that the talk of separation from Canada of the Province of Quebec should go unheeded by the Masons of our two provinces. This weekend is in no way a political statement, but merely an opportunity for Masons of both of our Grand Lodges to demonstrate to the non-Masons around us that the great advantage of unity in Canada and unity in matters Masonic may spark a similar concern of other Canadians who reside in these areas. Plan to attend with your family. It will be fun. You will experience brotherhood and great fellowship and will leave this weekend with an inner feeling that all of us should put Canada first and private desires in a secondary position. Information and details are available through every lodge secretary.

A DIFFERENT APPROACH

This year, the Masonic leaders in Ontario have experienced a different format for meeting together to discuss the programmes, goals and concerns of your Grand Lodge. Rather than meetings of the whole Board of General Purposes in mid-term—over 100 strong—the Deputy Grand Master and I have arranged smaller group meetings across the province. The Past Grand Masters met as a group. The core Board met as a group—some 35 in number, and 46 D.D.G.M.s met in regional meetings of about 14 to 16 in number in three locations across the jurisdiction. I firmly believe far more dialogue was accomplished with smaller meetings. Sometimes knowledgeable brethren with much to contribute and questions to ask are inhibited when meeting together in large numbers.

The concept that has been followed was a further demonstration of the new course of leadership in Ontario, that of "team management"—rather than autocratic leadership. Both the Deputy Grand Master and I are extremely pleased with the results of these meetings, and while the concept is new and different, I believe the results speak for themselves.

As I have travelled around our great province, I have continually met with brethren who seem imbued with a new and creative spirit. Innovative programmes, new and totally different ideas are constantly being presented for the brethren's education, entertainment and enjoyment.

There seems to be a special feeling abroad—one of fun and fellowship—blending together into brotherhood, which makes us all proud that we once knelt before our altars in darkness and alone to now see the light of hope, of inspiration, with a tremendous feeling of belonging.

The public continually questions us about Masonic secrets. Most Grand Lodges, particularly in North America, and recently in England, have made serious attempts to dispel this aura of secrecy, and yet I have found there is a secret in Masonry. I do not worry about its disclosure, for it is extremely difficult to define, let alone disclose. It is that special something that each brother Mason experiences as he stands erect as a Mason in his lodge, as he hears the glorious words of our ritual, so kind and friendly to the ear, as he feels that special transmission of friendship and warmth as he takes a brother's hand, as he recognizes that very special something that is very hard to pinpoint, that makes men travel through adverse weather, over long distances, in spite of difficult traffic conditions, even when we start off on a visit to another lodge wondering what motivates us—well my brethren, you've all felt it—experienced it—that's the secret of Masonry.

Let us ever keep it alive and well until time shall be no more.

Sincerely and fraternally.

NORMAN E. BYRNE

APPOINTMENT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. W. K. Bailey, seconded by M.W. Bro. E. W. Nancekivell, and carried: That a committee composed of all the Past Grand Masters present consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. D. W. Dixon, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Dixon, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Brethren, may I request, for the following few moments, that each in his own words and each in his own way shun all thoughts of our earthly abode to pause and remember with dignity, reverence, love and respect, those of our Brothers who, since our last communication, have preceded us to our eternal home.

"We do sigh in vain for the touch of a vanished hand and the sound of a voice that is still."

Our departed brethren have left behind fond memories and good fellowship of high purpose and an honest endeavour. It has been well said that Masonry today is what it is because of the self sacrifice and devotion of elder brethren. It is surely true that if we have a high conception of the Craft, if Masonry comes well prepared to the tasks that confront her, it is because we have sat at the feet of an older generation who placed the fraternity in the forefront of their lives. From failing hands they passed the torch to us. God grant that we may prove worthy of that trust.

As chairman of this committee, I must advise that this could possibly be the last report. There have been discussions to discontinue this committee as most, if not all, entries are handled through the Grand Secretary's office. This will be determined at this year's Annual Communication.

However, all lodges in our Grand Jurisdiction are strongly advised to maintain and uphold our continued practice of holding Memorial Services for deceased brethren with the utmost care and attention. Each secretary should have a supply of the latest printing of same.

We are grateful to all Lodge Secretaries for their returns of all names of deceased brethren, and to the Grand Secretary and staff for compiling the following list of Grand Lodge members who so faithfully served in this jurisdiction.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of their Grand Lodges, those who were present stood up and were welcomed by the Grand Master. Grand Honours were given under the direction of the Grand Director of Ceremonies.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master,
Officers and Members of Grand Lodge A.F. & A.M.
of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We have audited the statements of financial position of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1992 and the statements of revenue and expenses and fund balances for the general and special funds for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the organization as at April 30, 1992 and the results of its operations for the year then ended in accordance with generally accepted accounting principles.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Although we projected a budget deficit for the year ending April 30, 1992, I am pleased to report a surplus in the General Fund of \$51,645.

In July of 1984, some eight short years ago, our Grand Treasurer at that time, M.W. Bro. James N. Allan, reported the value of cash and investments held by Grand Lodge totalled \$2,340,693. During the following eight-year period, our resources grew to \$3,296,357, an increase of \$955,664 (or 40.8%). In no small measure, due to his financial expertise, M.W. Bro. James Noble Allan served as our Grand Treasurer for close to eleven years. His clear insight into our many financial needs, coupled with his perception as to our future requirements, built a solid foundation which we enjoy today.

M.W. Bro. Allan was laid to rest on Tuesday, May 12, 1992, at the age of ninety-seven. We mourn the loss of this outstanding Mason, a great Canadian and good friend.

About two and a half years ago it became apparent that our investment portfolio required professional money managers. No longer was it prudent to expect part time people to shoulder the complete responsibility for revenue production and capital growth. After presentations by two well recommended firms, the Investment Management Firm of Cassels Blaikie was commissioned to provide top quality supervision in the deployment of our investment funds.

In April of 1990, after discussions with the Chairman of Audit and Finance and our Grand Secretary, I issued a memorandum of understanding to initiate a study as to the feasibility of an outside money management group being engaged to handle our portfolio. Following were some of the points covered in that April 20, 1990, memorandum –

- a) A small committee should be formed to determine the advantages of employing an outside management firm. This company should provide a highly customized service and should be dealing with a select group of institutional clients, to whom they deliver superior long time performance in their respective portfolios.
- b) Meetings should be arranged with two or more of these management groups to ultimately select one firm whose management skills and experience would be compatible with our needs.

- c) Our funds should be treated as Trust or Pension folios—strictly blue chip and no risk—a conservative value oriented approach with a portion to yield innovative and continuous value added increases.
- d) Our fund objectives are twofold, (i) to provide annual revenue and this coupled with our incoming membership dues must meet and exceed our annual disbursement requirements; (ii) provide a margin for capital growth.
- e) To explore the gradual movement of funds to a balanced equity funding, as our bonds mature, and as approved from time to time by our Board of General Purposes.
- f) As a guideline, the overall return on investment should fall somewhere between the TSE 300 composite index and the top Canadian Balanced Equity Funds.

From the recent March 24, 1992, statement, and the portfolio valuation detail as of April 30, 1992, I am satisfied that Cassels Blaikie are meeting our requirements with their astute investment policies, despite volatile and turbulent market conditions.

Again this year our Memorial Fund received further bequests and donations in the amount of \$10,271. We are grateful to those brethren for their thoughtfulness.

My brethren, I'm sure that we all recognize that as our membership base becomes smaller and as interest rates decline, some revenue other than our annual dues will have to be generated to provide for adequate funding. It was only by strict budgeting and constant monitoring of expenditures that we were able to show a small surplus for the year. I therefore recommend that the Management Committee investigate the possibility of generating revenue from external sources to augment our per capita income.

Once again, my appreciation to the chairman of Audit and Finance, to the Grand Secretary, and the Grand Lodge staff at Hamilton, for their assistance and support, for which I shall be eternally grateful.

Respectfully and fraternally submitted.

A. LOU COPELAND
Grand Treasurer

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

SEMIANNUAL RETURNS

Semiannual returns have been received from 651 constituent lodges and the information contained therein has been entered in the books of Grand Lodge. Statistical information may be found in the audited statement presented by the Grand Treasurer and in other tables printed in the annual Proceedings of Grand Lodge.

As the information requested on the semiannual return is essential, we request that all lodges complete and submit their semiannual return as quickly as possible.

WARRANTS

Unfortunately, it must be reported that the officers and members of Milverton Lodge No. 478 have seen fit, during the year, to amalgamate with Elma Lodge No. 456 in Monkton, Ontario. This amalgamation took place on April 2, 1992, and we trust Masonry in that particular area may be better served by the strengthened numbers of Elma Lodge No. 456.

On August 22, 1991, a dispensation was issued by M.W. Bro. N. E. Byrne, Grand Master, to brethren in the Ottawa area to form a new lodge named Luxor Daylight Lodge, to meet during the daylight hours, in the Walkley Road Temple, 2140 Walkley Road, Ottawa.

The lodge was instituted September 18, 1991, and I can now report that Luxor Daylight Lodge U.D. would seem to be thriving and has applied for a Warrant.

The books and records of Luxor Daylight Lodge have been examined, the recommendation of the District Deputy Grand Master has been studied and I am pleased to recommend the granting of a Warrant to Luxor Daylight Lodge U.D. It is further recommended that the lodge be numbered 741 and placed in Ottawa District 2.

PRINTING AND PUBLICATIONS

Continued interest in the books and publications printed and distributed through the Grand Lodge office remains high, and this interest was again reflected in the revenue from book sales, which was considerably above budget this past year.

Ongoing promotion of book sales by members, lodges, districts and Grand Lodge personnel make for a better informed membership. Brethren, keep up the good work.

DISTRICT SECRETARIES ASSOCIATION

Each year finds more districts establishing some form of a District Secretaries Association. These loosely knit groups provide an excellent opportunity for lodge secretaries to get together with their peers, compare notes and ideas, and possibly enjoy lunch, dinner or an evening together. Much can be gained in dialogue with one's peers, and should our office be able to assist any secretaries' groups, please give us a call or drop a note.

COMPUTERIZATION

Computerization is ongoing. Since my last report, additional software has come on stream to more fully integrate the membership's data, sales and service and accounting.

Over 45,000 membership records are now in the computer data base, representing in excess of 50% of our total members. Progress is being made and benefits should soon be reaching the lodge level.

CONFERENCES

During the year, it was my privilege to attend the Conference of Grand Secretaries of North America in Washington, D.C. In addition to representing you as your Grand Secretary, I was afforded the opportunity of conducting six separate seminars for breakout groups of Grand Secretaries. These were stimulating and challenging, as the Grand Secretaries of North America strove to better educate themselves to better serve the Craft.

The annual Conference of Canadian Grand and District Grand Lodges, held in Winnipeg each year, always proves interesting and educational. Here

I not only represent my jurisdiction as Grand Secretary, but also serve as Conference Treasurer. Needless to say this also proves a challenge, especially in these times of recession.

275TH ANNIVERSARY OF THE UNITED GRAND LODGE OF ENGLAND

While on return from a brief vacation in Europe, it was my privilege to stop in London, England, and join with M.W. Bro. N. E. Byrne, and our wives, in attending this gala celebration of 275 years of Masonic history, as well as the 25th Anniversary of the installation of the Grand Master, His Royal Highness the Duke of Kent. It should be noted that our Grand Master spoke during the Grand Lodge Communication, and in the presence of some 12,000 Masons responded on behalf of the Canadian Grand Lodges. His remarks, as always, were most appropriate and delivered in a dignified, sincere manner, which won the enthusiastic endorsement of all present.

This celebration of history also provided for a day of dialogue and interchange of thought and ideas with approximately 400 delegates from all over the free world. The opportunity to meet and converse with so many distinguished Masons was a unique and beneficial opportunity.

In closing, I offer the appreciation of our entire office staff to you the membership for your support and co-operation, which greatly assists us as we strive to better serve you.

Respectfully and fraternally submitted.

R. E. DAVIES
Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The 46 reports of the District Deputy Grand Masters were presented by the Grand Secretary and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were referred to the Board of General Purposes.

REPORT OF THE MANAGEMENT COMMITTEE

This Report was presented by R.W. Bro. C. E. Drew, Chairman, and on motion of R.W. Bro. H. A. Leal, seconded by R.W. Bro. Drew, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Management Committee was formed, and the operational guidelines established, at the Board of General Purposes meeting in July, 1991. Following these guidelines the elected, honorary and appointed members of the Board elected three of their number as follows:

T. R. Davies for three years,
H. A. Leal for two years, and
W. E. Elgie for one year.

The Grand Master appointed two members from the Board:

S. H. Cohen for three years, and
H. N. Britton for two years.

Beginning in 1992, at the annual meeting of the Board of General Purposes, the elected, honorary and appointed members will elect one of their number to serve for a three-year term on the Management Committee. This procedure will be followed in each subsequent year.

Beginning in 1993, and in each year thereafter, the Grand Master will appoint, from among the elected, honorary and appointed members of the Board, one member, who will serve for a three-year term.

The Grand Master is a member of the committee by virtue of his office, and the Deputy Grand Master serves as chairman of the committee by virtue of his office.

The committee met for the first time at the Annual Communication in July, 1991, and recommended the chairmen of the standing and special committees to the Board for approval. In so doing the committee endorsed the validity of the guidelines requiring that members of the Management Committee be divested of other committee responsibilities, while at the same time recognizing that, in order to maintain continuity, this could be accomplished in a gradual manner.

At the subsequent meeting the committee considered and approved the

composition of all the various committees. T. R. Davies was elected as vice-chairman, and the Grand Secretary was appointed to act as secretary.

One of the early decisions was to forego the mid-term meeting of the full Board of General Purposes in favour of fall and spring meetings of the elected, honorary and appointed members of the Board (hereinafter referred to as the Management Group), and three regional meetings of the District Deputies with the Grand Master, held in Huntsville, London and Belleville.

At the first fall meeting of the Management Group, held in Toronto, in November, the agenda included:

A complete financial update and projection;

A proposed constitutional amendment to incorporate the guidelines for the Management Committee, this to be moved in 1993;

The recommendations of the 1990-1991 District Deputy Grand Masters, and the standing and special committees.

The chairmen of the standing and special committees were asked to consider April 30th as their year end for the purposes of their report to the Board. This would enable them to give a brief summary of the report to the meeting of the Management Group in May. The reports could then be printed and distributed to all members of the Board in early July, prior to our Annual Communication. If this could be accomplished it would alleviate the necessity of having each report read in full at the Board meeting in July, a synopsis would suffice, leaving time for any questions which may arise from the members.

The chairmen all agreed to co-operate in this undertaking, and at the May meeting of the Management Group, this format was followed. The Grand Master attached a high priority to the regional meetings with the District Deputies, and appointed the Grand Senior Warden, the Grand Junior Warden and the Grand Registrar to act as recorder at one of these regional meetings. The informal setting and the relaxed atmosphere provided an excellent setting for an informative and productive dialogue.

At the seven meetings of the Management Committee held during this first year, a wide range of subjects were presented and discussed, some of which were:

1. The constitutional amendment delineating the guidelines for the committee, which will be proposed in 1993.
2. A regular review of our financial position.
3. Activation of some of the projects which had already received the approval of the Board; the monthly D.D.G.M. Communique and the Standard Letterhead, which

will be available in July, 1992.

4. A comprehensive programme of insurance, available to all lodges, which is still under study.
5. The constitutional amendments tabled from 1991, and those which were proposed in 1992.
6. Some items were referred to various committees for their study and evaluation; Community Entrance Signs, District structure and organization, Mentors Programme material, Greeting Cards, Relationship with Youth groups such as DeMolay, Job's Daughters and Rainbow Girls, programme funding, Life Membership funds, Prince Hall Masonry, the Grand Lodge Bulletin.
7. A recommendation to review the format of our Annual Communication was tabled to the fall of 1992.

Your Management Committee was established in 1991, after being in the planning stage for a number of years. It was launched with high expectations and great enthusiasm.

Your representatives have endeavoured to perform their allotted task with a sound balance of vigour and caution to ensure that this committee, established on a sound foundation, will be able to serve the Board of General Purposes and our Grand Lodge for many years to come.

All of which is respectfully submitted.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

R.W. Bro. D. I. Greenwood presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by R.W. Bro. Greenwood, that the Report be received. (See page 217)

REPORT OF THE COMMITTEE ON THE MENTORS PROGRAMME

This Report was presented by R.W. Bro. L. J. Hostine, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hostine, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

During the past year it has been my pleasure to serve as Chairman of the Mentor's Committee, in its first year as a Special Committee of this Grand Jurisdiction. For the first part of the year, the committee met in various locations around the jurisdiction and invited the D.D.G.M.s, District Mentors, as well as Lodge Chairmen from surrounding districts. It readily became apparent that, perhaps, because of the size of these meetings, that the committee members should conduct the workshops on a district-by-district basis in all 46 districts.

It is my pleasure to report that the committee was able to hold information meetings on an invitational basis in forty-three (43) districts during the past year; with a commitment from the other three (3) districts to hold their workshops in early fall.

As a result of these informative meetings, there was a definite mutual exchange of ideas and practical plans that have and will benefit every lodge in the jurisdiction, and we report the following results and recommendations.

FORMS

The committee immediately learned from the districts that they felt the present reporting forms to be too burdensome and quite possibly holding back the programme. We, therefore, recommend that all existing forms be dispensed with and one form only, called the Annual Statistical Return, be completed under the responsibility of the D.D.G.M.

MENTORS PROGRAMME

The committee recognizes the sincere efforts of those dedicated Masons who were instrumental in the development of the original programme and yet acknowledges that the existing language of the programme is difficult for candidates and mentors to present. Significant discussion of programme content and expression was held before agreement was reached on appropriate revision of the programme. Special care was taken to simply express the existing content in more common language to be more friendly and understandable to the candidate and easier for the mentor himself to present. We also recommend that four separate pocket size booklets be printed and, on completion of each programme, the appropriate booklet be loaned or given to the candidate for his review.

We hope that these recommendations will be taken in the positive manner in which they are presented.

VISUAL

The committee recognizes that it is preferable that every candidate be given uniform information across the jurisdiction. It is also believed that the incorporation of a "Visual Audio" presentation enhances the retention of the information delivered. The adoption of this programme to today's technology in the form of a V.C.R. presentation accomplishes both of these goals of delivery and heightened retention by the candidate.

We therefore recommend that the Mentors Programme continue to be given in the current manner, and it is further suggested that on completion of the traditional programme the candidate be shown the V.C.R. presentation, which will provide him with a consistent summary.

We also acknowledge that in order to prepare a long lasting quality finished product that the Mentors Programme and the V.C.R. Visual Programme will be a slow and careful undertaking that will not be completed in the first year.

The success of every programme can be measured in the final product, and we submit one letter received from a candidate —

"Because of the frankness and sincerity of the Mentors Program, I was able to better see the beauty of the Masonic Order. I am sure that we all rapidly forget the fears and trepidation 'young' members of the fraternity feel when going through the degrees. It reassured me to know that my own assessment of the integrity and goodness of the Masonic ritual were strongly supported by someone who showed a great commitment and deep concern for his fellowman as well as the Masonic Order. The involvement I have in Masonry is still in its infancy, but I am already seeing the true effect of membership in the brotherly concern and 'love' from all fellow brothers. The presence of several friends to support me was really appreciated."

On behalf of the committee, listed below, we express our sincere appreciation to the D.D.G.M.s and their District Chairmen for superb support. I would be remiss not to note the enthusiasm and dedication of all the committee members and Regional Directors who travelled great distances and gave of so much of their time. R.W. Bro. L. J. Hostine (Chairman); R.W. Bros. G. E. Bilboe, R. K. Campbell, C. W. Crow, F. G. Dunn, J. R. Barber, D. L. Geen, A. W. Marner, D. J. McFadgen, C. M. Miller, R. Summerville; V.W. Bro. P. J. Mullen; W. Bro. F. G. Tupling.

All of which is respectfully and fraternally submitted.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. H. N. Britton, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Britton, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to submit the annual report on behalf of the Condition of Masonry Committee. Its members include: M.W. Bro. R. E. Groshaw, R.W. Bros. G. L. Atkinson, A. R. Burgess, J. A. Johnston, W. A. McLeod, D. H. Mumby, D. R. Thornton and the writer.

Two meetings have been held to date this year, at which many subjects were discussed, some of which will be noted in this report. As the annual reports of the 1991-1992 District Deputy Grand Masters will not be available until June, comments respecting them will be the subject of a supplementary report to be united with these to make the complete report of our committee.

The annual District Deputy Grand Masters' reports for the past two years were shared among committee members and reviewed to become familiar with conditions in the districts to better enable the review of this year's reports.

The Management Committee referred the following recommendation of the Long Range Planning Committee to us for review and report:

"That the Board of General Purposes appoint an Ad Hoc Committee to recommend provision in the Constitution to recognize the organization and operation of the district, including the holding of district meetings in the district, the formation of a District Management Committee, the approving of the district budget, and such other direction as may be deemed appropriate."

In order to better understand the organizations that exist in the districts, a brief survey was mailed to each District Deputy Grand Master to determine whether or not their district had an organizational structure, and, if so, in what form and was it formally structured. We also asked if it was functioning adequately and/or were changes needed. We were gratified by the response.

Many districts consider that the Past Masters', Masters' and Wardens' Association fulfills the role of a Management Committee. Some have Management Committees and some Masonic Associations. Those eligible for membership in these varies from all Master Masons in the district to restrictions as the organization's name may imply.

Similarly, their method of financing varies from a per capita levy on each lodge with all appropriate members being members of the association in good standing to an individual membership fee. The lodge levies appear to be in addition to the District Deputy Grand Master's levy.

A few districts have only the committees established by the District Deputy Grand Master of the day. A number expressed the opinion that changes in their method of operation was needed, while several suggested that Grand Lodge should establish guidelines for the district organizational structure.

The committee recommends that this matter be continued on the committee's agenda next year with the object of recommending constitution amendments and/or suggested guidelines for permissive district organizational structures.

Masons are on the move today and every lodge has nonresident members. Many of these moved from their communities when they were active members of their lodge. Far too many of these members never attend lodge in their new home areas. In order that members who move might be welcomed in their new area it is recommended that a form be developed for each lodge secretary to complete and forward to the District Deputy Grand Master of the district into which a member moves when moving out of the jurisdiction of his lodge. The District Deputy Grand Master receiving such a form would be expected to direct it to an appropriate lodge in his district and ensure that the newly located member is welcomed and given an invitation to attend lodge.

Respectfully and fraternally submitted on behalf of the committee.

H. N. BRITTON
Chairman

ADDENDUM

As indicated in my earlier report, I herewith submit the supplementary report referred to therein respecting the District Deputy Grand Masters' Reports. Time since the receipt of those reports has not permitted the quality of review deserved by the time and thought that each D.D.G.M., District Chairmen and lodges obviously spent in their preparation. Our thanks and appreciation for their efforts. A more complete review of the reports and referral of items deserving of further attention by next year's committee to the Management Committee is recommended.

Accordingly, the following are notes prepared from an initial review of most of the reports. In most cases the thoughts noted were expressed in several reports.

District Newsletters

Many districts either have had newsletters for some time or have started this past year. All find them valuable. North Huron reports that a booklet containing a history of each lodge is being prepared.

Communications

Many reports praised the regional meetings held by the Grand Master and the Deputy Grand Master, and suggested more at which they could discuss their concerns.

The D.D.G.M. Communique initiated was also praised, with the hope it will be continued. Some districts copy it and send it to their past Grand Lodge officers, who now look for it.

District Chairmen

Some recommend that all District Chairmen should hold office for more than one year as the first year is one of learning and continuity is valuable.

Official Visits

Not all lodges have banquets and officers miss the opportunity to learn banquet protocol.

Lodge Windows

Grand Lodge should stay on course of "Open Windows" of the lodge—it has proven beneficial—not to encourage large numbers to join but in attracting "better candidates"—Quality over Quantity.

Grand Lodge Library

A pamphlet suitable for general distribution to highlight the Grand Lodge Library, its contents and method of accessing it, is suggested.

Grand Lodge Regalia

A suggestion that Undress Regalia be abandoned as it is a large expense and serves no useful purpose.

Mentors Programme

There is increasing use of the programme. Those that do follow it are convinced of its value. Some note that more instruction is needed and that workshops in the district should be continued. Still many lodges, and indeed almost all in some districts, do not use it. Like any other tool—if not used, benefits will not be derived.

Lodge Finances

Many lodges prepare budgets and many do not. Very few reported multi-year financial forecasts. Grand Lodge must give more emphasis, similar to the Mentors Programme, if lodge budgets and forecasts are to be achieved. It is noted that a number of lodges are at the break-even point and some appear to be verging on instability. Prime causes seem to be lodge building costs and declining membership.

Membership

Most lodges report a continuing decline in membership. A membership bureau to recover members lost when moving is recommended. R.W. Bro. Gerald Maddison of Toronto District 2 notes: "The challenge may be to curb the decline, the solution is from the lodge and its members, not from Grand Lodge or the District to come up

with some grand scheme to fix everything."

Family Functions

There is a continuing trend to more family functions sponsored by lodges. This is particularly true of Divine Services in which the Masons sit with their respective families.

Lodge Buildings

Many lodges are improving their buildings. It has been suggested that Grand Lodge might encourage lodges to do so by giving an award/certificate to lodges that improve and maintain their buildings.

Concerns are expressed for the lack of easy access to some buildings for the disabled and the elderly. There is also the concern that many are underinsured.

Lodge Visitations

Many lodges exchange visits annually with lodges in an american jurisdiction and/or in another district in our own jurisdiction. In order to facilitate visitation within the district several continue to endeavour to change meeting nights to avoid conflicts.

Charitable Work

Many lodges raise funds to support local charities as well as local needs.

Newspaper Coverage

While some lodges and districts report good coverage of events, others do not seem to get any. Generally speaking the newspapers in rural and small urban areas are more supportive than in the larger cities.

Special Programmes

Interest is encouraged by holding special nights or programmes. For example, Thistle Lodge No. 34 held an enactment of an 1812 meeting in military dress. Central Lodge No. 402 has a Friday morning coffee club ten months of the year with 20–30 attending.

While the foregoing notes derived from our cursory review of the D.D.G.M.s reports include items that give concern as well as those encouraging, it must be emphasized that the overall message conveyed as one reads the reports is a spirit of optimism for the future.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by R.W. Bro. J. D. Jackson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Jackson, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

As intimated in previous years, the Masonic scene is ever changing. Again this year your committee has reviewed applications for recognition from several new Masonic Grand Lodges, as well as three held over from last year.

Requests for recognition have been received from the Grand Lodge of "Yugoslavia," the Grande Loja Do Estado De Sergipe, the Grande Loja Maconica de Brazilia, the Grande Loja Occidental de Columbia, the Gran Log Valle De Mexico and the Grande Loja Regular de Portugal.

Your Committee of Past Grand Masters has carefully reviewed these requests and now recommend that the Grand Lodge A.F. and A.M. of Canada in the Province of Ontario defer any action at this time and that the requests be again reviewed when further information becomes available.

Respectfully submitted.

The committee held two seminars this year. A Mentors Seminar was held in Bruce District, Walkerton, under the direction of R.W. Bros. Larry Hostine and Carl Miller. Special thanks to W. Bro. Ted Hensler, Mentors Chairman, Bruce District. Excellent presentation and enjoyed by all. A second seminar on the Office of Worshipful Master was held at Stayner, which encompassed Georgian North, Georgian South and Grey Districts. This seminar was led by R.W. Bro. Robert McKibbon, assisted by the D.D.G.M.s of the three Districts, two facilitators from each district, and seminar committee members. Good turnout and well received.

REPORT OF THE LIBRARY COMMITTEE

This Report was presented by R.W. Bro. R. G. Wands, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Wands, it was received.

To the Most Worshipful the Grand Master, Officers, and Members of the Grand Lodge of Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

It is my privilege to present the 60th annual report of the activities of the Grand Lodge Library Committee, composed of R.W. Bros. Elgie, Hughes, Kerr, Wilkes; V.W. Bro. Hogg; W. Bro. Warner and the undersigned.

As in prior years, the library, located in the Grand Lodge Memorial Building in Hamilton, was open each Monday evening and Wednesday afternoon from September through May. The brethren using the library and the items loaned to them continue to increase. There were 160 books and audio visual materials loaned to 143 visitors, while another 208 such items were loaned to brethren throughout the Grand Jurisdiction through our mailing service.

The video cassette section of the library, available in both VHS and BETA, also continues to increase and generates a great deal of interest for both private viewing or for lodge meetings. Supplementing the video cassettes listed in last year's report, the following were acquired during the year.

This year, the most active item in the library is the 21-minute video cassette of the interview with the Grand Master and R.W. Bro. W. Norman Buckingham on CKCO-TV (F25 and F26). Although there is a waiting list, we have several copies and everyone is being served. Every brother in Ontario should see this excellent video.

During the year, we were pleased to receive 67 volumes which were donated from several sources, and for which acknowledgements were extended to each of the donors. We continue to encourage brethren to consider the library as a repository of their spare books. We also urge District Deputy Grand Masters, after their year in office has been completed, to deposit their speeches in the library for the use of others.

We have recently run out of stock of the Book Lists produced in 1985—which are provided to the brethren. The committee is presently planning to record the library materials on computer files, with the intention of making available to the brethren Book Lists which will be updated on a regular basis.

On behalf of the Library Committee, I extend our sincere thanks and appreciation to each of the devoted volunteers who faithfully staffed the library during the year—R.W. Bros. Clifford Tootell, Robert Faulds, George Wilkes; V.W. Bros. Harold Prowse, Ernest Cassidy, Charles Nicholson; W. Bros. David Gordon, Robert Todd, John Mannisto, Robert Showkenik; Bro. David Weegar—and to W. Bro. Tom Warner, who continues to ably administer the mailing service. We appreciate the further efforts of R.W. Bro. Wilkes for his assistance in copying and editing video tapes. A dinner of appreciation and thanks to these volunteers, for giving of their time and effort on behalf of the library, was held in the Scottish Rite Club.

Our appreciation is extended to the staff of the Grand Secretary's office and to the Grand Secretary for their support and continued cooperation.

We commend and thank the District Deputy Grand Masters for their support and

assistance in promoting the use of this valuable asset of Grand Lodge.

Respectfully and fraternally submitted on behalf of the Grand Lodge Library Committee.

REPORT OF THE GRAND HISTORIAN

This Report was presented by R.W. Bro. W. E. McLeod, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again, it is appropriate that I should express my gratitude to the Grand Master, for honouring me with the title of Grand Historian. There are various reasons why we might want to think about the past, and one of them is in order that we may derive profit from the lessons it can teach us. Today I should like to look, from that point of view, at a topic that captured my attention some time ago: the origin and characteristics of what is called Prince Hall Freemasonry. I draw freely on several articles that I have published on this subject over the past few years.

My treatment will not satisfy everybody, for more reasons than one. In the first place, the actual facts—some of them—are open to dispute. In the second place, the facts have been interpreted in various ways, depending on your point of view. I shall point out where opinions differ, and in matters of jurisprudence I shall cite parallels. But before we start, let me state clearly that I speak as an individual Mason, not as a representative of our Grand Lodge or of any other body.

Probably at some date around 1735 (the date is disputed), probably in West Africa (the place is disputed), a little black boy was born. We don't know what his parents called him; but about 1749, when he was fourteen years of age, according to one version of the story, he was kidnapped by slave-traders, and carried to America. He was sold as a chattel into the family of William Hall, a leather-dresser of Boston; and his new owners called him "Prince," which sounds fairly offensive, as if he were a watchdog or something. He was evidently intelligent, and worked in the household for

twenty-one years, "[serving them] well upon all occasions," as they later said. In 1770, apparently for good behaviour, his owners set him free—unless indeed the record refers to another Prince Hall!

Anyway, it appears that he had learned his former master's trade of leather-dresser, and was able to earn his livelihood by that means, supplementing it by serving as a labourer. He became something of a leader in the black community, and we know that in 1777 and again in 1788 he was one of a group who petitioned the Massachusetts Legislature protesting against slavery. Probably on 6 March in either 1775 or 1778—the date is not clear—he was made a Mason; within the next three years a number of other blacks followed his example, and they formed a lodge called African Lodge No 1, which stayed together through the American Revolution. In 1784, Prince Hall wrote a letter to London, asking for a Warrant of Constitution. That same year, the Grand Lodge of England duly issued a warrant to African Lodge No 459. According to the Boston newspapers, Prince Hall, Master of African Lodge, died on 4 December 1807, at the age of 72.

African Lodge continued to meet, and to confer degrees; it submitted returns to England, sent contributions to the charity fund there, and received replies from London, as late as 1797. After that, it allowed its contributions to slip into arrears, and was stricken from the rolls after the Union of 1813. It wrote to England in 1802, 1806, and again in 1824, still regarding itself as a constituent lodge, but without eliciting any response. In 1827 it declared its independence of any external authority, and began to call itself African Grand Lodge No 1.

It is interesting to note that, in the years after the American Revolution, there were other lodges in the vicinity holding their warrants from the Grand Lodge of England. They acted as a Provincial Grand Lodge, and in due course they became an independent Grand Lodge. They did not contact this lodge that held a warrant every bit as valid as theirs. Then, when the present Grand Lodge of Massachusetts was formed by the amalgamation of two separate Grand Lodges in 1792, it did not invite African Lodge, a regular lodge with an English warrant, to take part. We may well ask why, and the answer is given by a notable Mason of the period. In 1795 John Eliot, later to become Grand Chaplain of the Grand Lodge of Massachusetts, wrote as follows: "white masons, [who are] not [any] more skilled in geometry than their black brethren, will not acknowledge them. . . . The truth is they are ashamed of being on an equality with blacks." What was this lodge of blacks supposed to do, ignored by its neighbours, isolated by the vast Atlantic from its mother Grand Lodge, which was located in a country that was hardly regarded as friendly in those days? Just fold up and die? It refused to do so!

Today there are more than forty Grand Lodges that trace their origin back to African Lodge No 459. They are known as Masons of the Prince Hall Affiliation. They are made up almost 100% of what we call variously coloured men, Negroes, blacks, or Afro-Americans. Mainstream, or regular, or Caucasian Masonry—the type to which we belong—was until recently unanimous in not being in amity with them; that is, it

did not recognize them as regular, and would not allow us to sit in lodge together. In all, there are 5,000 Prince Hall lodges, and 300,000 members. So far as we can tell, their ritual, their secrets, their procedures, their requirements, their beliefs, their tenets or fundamental principles, are all either identical with what we follow, or recognizably similar.

Most of the Prince Hall Grand Lodges are located in the United States, but there was one in Liberia, there is one in the Bahamas, and there is one in Canada. It was founded on 25 August 1856, and includes lodges in the Provinces of Ontario and Quebec. As well, there are, or have been, individual lodges of Prince Hall Masons located in Victoria, Vancouver, New Westminster, Edmonton, Calgary, Winnipeg, and Halifax—holding their warrants under the authority of Grand Lodges in the United States.

Various reasons have been given for the fact that White Freemasonry has not recognized Prince Hall Masonry. In general, certain events that took place long ago are said to contravene Masonic law and practice—at least as it is seen today. Let me mention some arguments, with a comment or two.

First argument: In 1775 or 1778 the mother lodge, African Lodge, it is claimed, was formed illegally, and the man who initiated the blacks, Sergeant John Batt, was a confidence man, a trickster. It may be so, but by any standard you choose, the granting of a charter by the Mother Grand Lodge made the lodge regular, and ensured that its members were legitimate Masons.

Second argument: In 1813 African Lodge was struck off the rolls of the Grand Lodge of England, and ceased to exist as a duly constituted body, because it had not submitted any returns since 1797. Sixteen years is a long time, admittedly, but sometimes colonial lodges were allowed to remain dormant for a longer period than that without being erased. There are two in Ontario that were inactive for twenty-five years and more, in the aftermath of the Morgan affair—Brockville, No 756/489, and Grimsby, No 761/494; yet they were revived under good auspices, and are still active, as Sussex Lodge No 5, Brockville, and Union Lodge No 7, Grimsby.

Third argument: In 1797 African Lodge, still perfectly regular, sent a copy of its warrant to a group of blacks in Philadelphia, authorizing them to meet as Masons; and later it warranted other lodges in Providence, Rhode Island and in New York City. And in 1827 it formed itself into an independent Grand Lodge. Both actions are said to be improper, and we are told that it requires three lodges to form a Grand Lodge. Today this may well be true. But between 1678 and 1803 Lodge Mother Kilwinning in Scotland issued warrants to nearly fifty lodges, and no one gets upset. And so far as the formation of Grand Lodges is concerned, Coil's Masonic Encyclopedia tells us that two lodges, not three, formed the Grand Lodge of Rhode Island, and that one lodge, not three, formed the Grand Lodge of Luxembourg—both of which are regular.

Fourth argument: Prince Hall Grand Lodges formed other Grand Lodges, and

this, we are told, is improper. In the Proceedings of our Grand Lodge for 1989, we read that the French National Grand Lodge constituted the Grand Lodge of the Ivory Coast. And in fact the National Grand Lodge of France itself had been set up by the United Grand Lodge of England in 1912. All perfectly regular.

Fifth argument: Any Grand Lodge, in order to be regular, must hold "exclusive territorial jurisdiction" within the area of its authority. This is one of the criteria for regularity required by the Committee on Information for Recognition of the Conference of Grand Masters of Masons in North America. So far as I can tell, it is utterly untrue. The Grand Lodge of Quebec does not hold exclusive territorial jurisdiction, for there are two lodges located in Montreal that still hold their warrants from the United Grand Lodge of England, St Paul's, No 374, and St George's, No 440; and yet no one denies that the Grand Lodge of Quebec is regular. During the years between the World Wars, Czechoslovakia had two Grand Lodges, the Lessing Grand Lodge, and the National Grand Lodge; both were recognized as regular.

Any gestures towards liberalization of our attitudes have been met firmly. For example, in 1898 the Grand Lodge of Washington recognized the regular descent of Prince Hall Masonry. Seventeen Grand Lodges promptly broke off fraternal relations, and it was forced to recant. Again, in 1947 the Grand Lodge of Massachusetts concluded that the development of Prince Hall Freemasonry was regular and legitimate. The report was criticized by at least eleven American Grand Lodges, and two of them withdrew recognition. Massachusetts backed down.

Here are men, good men, who have been following the ideals of Masonry and thinking of themselves as Masons, for 200 years. We are told that they are irregular or clandestine, because of various things that happened 160 years ago or more. It does seem strange that these very same irregularities are found in the background of other Grand Lodges, but without doing them any harm. It appears as if the real reason that Prince Hall Masonry is called irregular is not what we are told.

Now, if what I say bears any relationship to the truth, clearly we should be doing something about Prince Hall Masonry. It has to be done at the Grand Lodge level, and a lot of investigation and discussion will be required. If upon due study it turns out that a change in policy is justified, various options are open to us. Total amalgamation is not, I think, feasible, if only for reasons of Masonic politics, and the disparity of size. It may well be that intervisitation is not yet desirable. But the important first step is simply to acknowledge the legitimacy of Prince Hall Masons as Masons, to cease hostilities, and to stop screaming "irregular" every time Prince Hall is mentioned.

Within the past few years there have been signs of progress. On 14 October 1989 the Grand Lodge of Connecticut began to permit intervisitation with the Prince Hall Grand Lodge of Connecticut. Since that date, several other American jurisdictions have extended some form of recognition or admitted the regularity of Prince Hall Masonry: Washington, Nebraska, Wisconsin, Colorado, Minnesota, North Dakota, and Idaho. And on 21 March of this year, at the Conference of Grand and District Grand Lodges

of Canada, a momentous resolution was passed, of which the Grand Master has told you.

This is a serious matter that demands our attention, and we might do well to think about it.

All of which is respectfully and fraternally submitted.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by R.W. Bro. W. E. Elgie, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Elgie, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of R.W. Bros. Neil Britton, Richard Davies, Donald Dixon, Gene Finkbeiner, Robert Runciman and V.W. Bros. Paul Mullen and Wayne Nelson, I am pleased to present the following stewardship report of the Committee on Benevolence.

During the year ending April 30, 1992, there was disbursed in the interest of benevolence 47 grants and Christmas gratuities from the Memorial Fund, totalling \$63,296. Seven were for interim grants of \$7,300. In addition, the sum of \$11,000 was allocated towards administration costs, and \$4,284 was paid to the firm of Cassels Blaikie for investment management fees. Investment income was \$108,142. Bequests and private donations to the Memorial Fund totalled \$10,271. We thank the respective donors and strongly encourage such practice.

In June, your committee reviewed 37 applications, of which 6 were new. Subject to the Supervisor of Benevolence receiving satisfactory documentation from the subscribing lodges, the following grants are recommended for the 1992-93 year—

32 Grants through the Lodges	\$ 55,600
3 Grants through the Vancouver Board of Relief	3,000
15 Estimated Interim Grants	20,000
Christmas Gratuities	900
Grand Lodge Administration	11,000
Investment Management Fees	4,500
	<hr/>
	\$ 95,000

Current applications received are representative of 30 lodges from 20 districts.

Two requests for financial assistance have been forwarded to the Masonic Foundation because they do not qualify under the Constitution of Grand Lodge. A third request has also been forwarded to the Masonic Foundation for possible conjoint assistance.

While each lodge has the first responsibility for its members and their dependants, further benevolent assistance is also available through your Grand Lodge Committee on Benevolence. To bring the rules governing benevolence up to current practice, we have proposed amending Section V of the Constitution and trust that it will be for the future betterment of the Craft, in conjunction with the new application form introduced two years ago.

Grand Lodge has been granting benevolence since 1858. Over the years, requests have somewhat fluctuated with the economy, reaching a high of 867 applications in 1934. Can we assume that the diminishing number of applications in the last few years is attributable to increased benevolent activities in the private lodge? If so, we commend each lodge and feel assured that with the assistance of your district chairman, increased visitation will be forthcoming to all recipients this year.

Last September, your committee was pleased to assist the Hamilton Masonic Districts' Board of Relief in the hosting of the 49th Biennial Conference of the Masonic Relief Association of the United States and Canada in Burlington. Past Grand Master, Dr. Eric W. Nancekivell, now, can relax after two very successful years as President of this international Masonic body. The response from one delegate who underwent major surgery and extended hospitalization is, as follows: "I cannot thank you and the Masons of the Burlington — Hamilton area enough for all the assistance you gave to Tobey and Linda, as well as myself, during my hospital stay. As I have told many people since I returned home, **I AM PROUD TO BE A MASON**. For four years I have been on the other side asking lodges in jurisdictions outside California to help our people when they were in trouble, and always receiving wonderful assistance. Now I can say for sure there are still people who belong to the fraternity for reasons other than wearing the *pin*."

We thank R.W. Bro. K. L. Whiting for his continued supervision of the benevolence portfolio and his genuine interest in the welfare of each of our applicants. With the co-operation and support of the Grand Secretary and his office staff, applications are processed most expeditiously. We also thank R.W. Bro. T. R. Davies for hosting the June meeting in Toronto.

Freemasonry is a worldwide fraternity teaching borderless brotherhood, toleration, moral improvement, mutual support, civic betterment, freedom of thought, religious toleration and universal charity. As an inseparable part of Freemasonry, charity has also been an inseparable part of the growth of our Canadian society. In pioneer days, when food and shelter were almost daily concerns, Masons responded with the fruit of their labours. When those basic needs appeared to move further from common experience,

Masons turned their philanthropy to other needs of the human race. However, with the current socio-economic times, there would appear to be a need for all Masons to revisit the lessons taught in the N.E. angle more so than ever before—not just in kind, but in unconditional, compassionate caring ways.

Although adaptations toward Masonic charity may reflect the changing needs of our society, we must be ever mindful of the fundamental principles of the Order. With a tradition of caring, kindly simple acts of benevolence are the basic building blocks of quality Freemasonry.

Respectfully submitted on behalf of the committee.

Chairman

REPORT OF THE COMMITTEE ON SPECIAL EVENTS AND REGIONAL WORKSHOPS

This Report was presented by R.W. Bro. C. J. Woodburn, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Woodburn, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

At the start of our Masonic year our committee sought the counsel of the Grand Master on his wishes for the year ahead.

a) **Western Ontario**

It was decided to approach the brethren to determine whether they might wish to host a weekend along the line of that held in September, 1990, in Kingston.

b) Ontario/Quebec

M.W. Bro. N. E. Byrne advised that he had been speaking with M.W. Bro. Lorne Phillips, Grand Master of the Grand Lodge of Quebec, about the possibility of a joint family Masonic social weekend, with particular emphasis on Canadian unity. It was agreed that we would meet with Quebec and Eastern Ontario brethren to investigate the possibility.

Actions**a) Western Ontario**

The twelve districts in Western Ontario met, discussed the possibility of a weekend, decided to stage such an event on the weekend of May 8th to 10th, 1992, which was the only weekend open in the Grand Master's schedule.

Subsequently, many planning meetings were held. London was selected as the site and arrangements were made for the weekend's events. Invitation and information forms were printed and circulated. After some months, it became evident that, with economic times in Western Ontario, this event would fall short of a break-even attendance. Reluctantly, the districts reported this to the Grand Master and requested the cancellation of the weekend. In this vein, M.W. Bro. Byrne accepted the request. It is hoped to reawaken this event at a future time.

Your committee expresses its thanks to all who worked so hard in preparing for this event, and especially thanks V.W. Bro. Paul Mullen and R.W. Bro. R. McKibbin for their strong support.

b) Ontario/Quebec

Meetings were held in Montreal and Ottawa in the early fall.

The brethren contacted within both Grand Lodge jurisdictions were very enthusiastic about staging a Masonic family social weekend to focus attention on our unity in Canadian brotherhood. A regional committee was created from both jurisdictions and the weekend of September 25th to 27th, 1992, was selected. Site details and arrangements were worked out and registration and information brochures were printed and circulated.

Many unique features have been incorporated into the weekend, including:

- A special media reception, hosted by M.W. Bros. Norman Byrne and Lorne Phillips, to tell of our Canadian commitment.
- A special dignitaries' reception, hosted by the two Grand Masters for federal, provincial and civic officials to express our belief in Canadian unity.

Both of these events have been made possible by extra financial support from the lodges in Hull (Quebec), Ottawa 1 and 2, Eastern and St. Lawrence Districts.

- A display of Masonic history, memorabilia and artifacts.

- Many social events for Masons and their wives.
- A special Sunday morning church service in Christ Church Cathedral, Ottawa.

Your committee expresses its gratitude to the following brethren from Ontario and Quebec who have formed the central committee for the weekend and others, unnamed, who have made their contributions; Ray Grant, Gordon Brown, Merton Candy, David Wilson, Ron Campbell, Jack Pell, Bill Cook, Don Mumby, Walter Hightower, Syd Harbert, Ross Thompson, Gord McNaughton, Len Fourney, L. Blaney; and Doug McLean, Brent Emmerson, Bertrand Poirier, Joel Cheruet, Jean Guy Leboeuf.

Especially, we thank M.W. Bros. Norman Byrne and Lorne Phillips for their counsel and enthusiasm for this event.

Submitted on behalf of our committee: R.W. Bros. W. T. Anderson, Larry Hostine, R. K. Campbell and Ralph Green.

REPORT OF THE MASONIC FOUNDATION OF ONTARIO

R.W. Bro. C. J. Woodburn, President, presented the following Report, and on motion, seconded by R.W. Bro. Newell, it was received by Grand Lodge.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Tribute and thanks are paid to your hard working Board of Directors, their associates and our District Representatives, who serve you without pay on an almost daily basis. Their efforts encompass:

- District and lodge projects. In this past year twenty-three districts took this action and raised more than \$200,000.
- Educational Bursaries: 111 bursaries were awarded worth more than \$65,000.
- Hearing Research (Project HELP): Again this year \$60,000 was donated to Dr. Robert Harrison for his research at the Hospital for Sick Children and the University of Toronto and the cochlear implant programme. Lodges and districts

added almost another \$60,000. Exciting progress is reported in experimental cochlear implants for young children.

- VOICE: Our association with this fine organization as we continue to assist their speech/hearing training programme with young children. Together with assistance, more than \$50,000 was donated to VOICE.
- AUTISM: As well as continuing your support to aid autistic young people, a special grant of almost \$30,000 had been promised to aid and provide computer training for "facilitated communication" for those who cannot speak.
- School Peer Education (Help Nip Drugs in the Bud)
You provided \$100,000 to fund peer education programmes in more than 120 schools across the province. The work of Parents Against Drugs and Council on Drug Abuse with these programmes is expanding geographically with fine reports from Masons who attend and from school staff who assist the programmes.

A special Masonic Foundation portable display is now available through our office for districts and lodges to use for special events. In addition, a video is now being prepared on the Foundation's work.

Reference is made throughout the report to change and growth. These are two positive indicators of a healthy Foundation. In addition, some new areas of exploration and adoption, such as improved computer facilities, are reviewed.

You provided a record year for your Foundation, as over \$135,000 was received through our YELLOW ENVELOPE appeal (the previous high was \$55,000). All requests from our regular programmes were totally funded, including expansion in educational bursaries.

Funds were also spent to provide:

- new computer equipment
- printing and mailing of the new envelope appeal
- increased office staff time
- assisted by donations from the Directors, a retirement evening was provided for Dr. and Mrs. Richard Richards to express appreciation for his 26 years of service to your Foundation.

Finally, to all of you, we express our thanks for your commitment and execution of Masonic charity.

Sincerely and fraternally.

C. JOHN WOODBURN
President

REPORT OF THE COMMITTEE ON PUBLIC RELATIONS

This Report was presented by W. Bro. P. Reeve, Vice-Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. H. N. Britton, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Certainly a highlight of good public relations for the Craft was the participation by our Grand Master in a segment of the Bob McLean Show on Channel 13, Kitchener, last Fall. In this he was ably supported by this committee's chairman, R.W. Bro. W. Norman Buckingham. We feel that the obvious willingness by these representatives of Masonry to discuss freely both the facts and untruths about Masons went a long way to "set the record straight." Copies of the tape from this T.V. show have since been viewed by many Ontario Masons (with great pleasure, we know). Tentative arrangements have now been made for a follow-up taping in Kitchener, slated for early fall. In addition, with the help of R.W. Bro. David Wood, our Grand Master was scheduled to be interviewed on a Windsor T.V. station in June.

Committee members have provided guidance and assistance to those lodges and districts which requested it, in order to secure media coverage of the Grand Master's visit or other major event. Indeed, the banquet put on in March of this year in honour of M.W. Bro. Byrne by brethren of the Hamilton Districts was mentioned on a local radio station. Help in preparing press releases, planning a Lodge Open House, etc is available by contacting members of this committee.

We believe that the Masonic Survey Report, first distributed at last year's Communication, contains much that is useful not only to the brethren responsible for lodge meetings and district functions, and chairmen of Grand Lodge Committees, but, indeed, to every member of the Craft in Ontario, as it speaks to us of **Attitude**—our attitude, behaviour and concern, or lack of it—toward all aspects of our Masonry. Members of this committee have given talks to a number of lodges, focussing on those matters that relate to how we are perceived by much of the community in which we live and work, and the positive steps which we can take to improve our image and even add good men to our ranks. Additional copies of the survey have been printed and are available at this Communication.

Plans are underway for the month of May, 1993, when all lodges in the jurisdiction are requested to hold a public Open House. Recommendations are being prepared to assist the lodges in having a successful event.

Our appreciation is extended to the Grand Secretary and his staff for their help in keeping us aware of opportunities.

Respectfully submitted on behalf of the committee and its chairman.

PAUL REEVE
Vice Chairman

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by R.W. Bro. H. A. Leal, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Leal, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee has received the Notices of Motion in 1992 for the amendment of the Constitution which are annexed hereto, and beg leave to report.

The proposal by R.W. Bro. Russell C. Bradford, which appears at the top of the right hand column of page 2 and deals with Section 186 of the Constitution, has been withdrawn by the proposer and consequently will not be before you.

In addition, there are minor changes in some of the remaining proposals which have been made to correct typographical errors and some others to clarify the meaning, which shall be alluded to as we deal with the various proposals in turn.

Your committee finds that all proposals before you today do not offend on the grounds of irregularity or unconstitutionality.

Respectfully submitted.

REPORT OF THE SPECIAL COMMITTEE ON PRINCE HALL MASONRY

This Report was presented by R.W. Bro. Wallace E. McLeod, Chairman, and on motion of R.W. Bro. McLeod, seconded by R.W. Bro. J. A. Hughes, the Report and the Recommendation were received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I have the honour to present the report of a Special Committee of Grand Lodge, that was named by the Grand Master this spring. It was directed to prepare "a report and recommendation . . . on Prince Hall Freemasonry." The Committee consisted of R.W. Bro. George E. Hinds, and R.W. Bro. James A. Hughes, with the undersigned as Chairman.

First we must explain why the committee was deemed to be necessary. Every year a "Conference of Grand and District Grand Lodges A.F. & A.M. of Canada" is held, attended by the Grand Masters and Grand Secretaries of every Grand Lodge in Canada, and the District Grand Masters and District Grand Secretaries of the two District Grand Lodges in Newfoundland. At the most recent such meeting, the following motion was passed:

At the Conference of Grand and District Grand Lodges of Canada, held in Winnipeg on 21 March 1992, the delegates unanimously recommended the acceptance of Prince Hall Grand Lodges (as approved by the Conference of Prince Hall Grand Lodges) as being regular Masons.

The Conference asked that this resolution should be taken back to each Grand Lodge, and presented for endorsement. Then next year the delegates will decide how to proceed. This resolution, if passed by our Grand Lodge, does not authorize intervisitation or exchange of representatives, and is certainly not intended as a prelude to amalgamation. It is simply a statement that the background of Masonry of the Prince Hall Affiliation is not irregular enough to merit its automatic exclusion.

Your Grand Historian has presented a report on the topic, printed in the *Preliminary Proceedings*, outlining the arguments adduced for the "irregularity" of Prince Hall Masonry, and showing that none of them is valid.

You will have noted that the topic of Prince Hall Masonry receives considerable coverage in the *Fraternal Reviews* for this year, in connection with the Grand Lodges of British Columbia, California, England, Kentucky, Louisiana, Maine, Massachusetts, Michigan, Quebec, and Wisconsin. These are all of course reports of events that took place before the Winnipeg Conference. We might say a word about two of them, just

to make sure that everyone is aware of the situation. First, in 1991 the Grand Master of British Columbia issued a ruling allowing brethren of his jurisdiction to attend lodges in other regular jurisdictions that had extended visitation rights to Prince Hall Masons, even though by so doing they risked sitting in lodge with brethren who are still regarded as clandestine. Secondly, the reports for both British Columbia and England mention that the United Grand Lodge of England has forbidden its members to visit lodges in five American jurisdictions, because in them they run the risk of sitting in lodge with Prince Hall Masons. This is of course a matter for concern, and it is in fact (as I understand it) one of the reasons that prompted the Winnipeg Conference to strive to achieve a national consensus on this matter before taking action. And I have been told as well that a special committee of the United Grand Lodge of England is looking into the matter. Since we are not at this juncture contemplating full recognition of Prince Hall Freemasonry, I do not see that either of these matters is relevant to our deliberations.

Your Committee therefore recommends that Grand Lodge adopt the following resolution:

The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario hereby acknowledges the legitimacy of origin of the Masonic Grand Lodges of the Prince Hall Affiliation (specifically those that are approved by the Conference of Prince Hall Grand Lodges), and wishes to go on record as recognizing the contribution that Prince Hall Masons have made to the quality of life in the world at large, and particularly in this country. (This resolution refers only to historical matters, and does not authorize intervisitation.) It is recommended further that this Grand Lodge continue to pursue a maintenance of this relationship.

All of which is respectfully and fraternally presented.

W. McLEOD
Chairman

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. John A. Johnston, Grand Chaplain, and received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

To perform the duties of the Grand Chaplain is truly a mountaintop, never-to-be-forgotten experience, and to serve under the Most Worshipful the Grand Master, Norman E. Byrne, is an honour, uniquely rewarding, for which I will ever be indebted.

Responsibilities of office have resulted in extensive travel across the province. Official functions have included a lodge dedication in Red Lake near the border with Manitoba, home to the most northerly lodge within our provincial jurisdiction. An equally meaningful, but vastly different, experience was to accompany our Grand Master to the Montreal meetings of the Grand Lodge of Quebec.

In the past year invitations have been accepted to share in dedicatory services for lodge furniture and buildings, new and centennial regalia, plaques and stone tablets. It has been my privilege to deposit with Grand Lodge Orders of Service for both the Dedication of Regalia and the Dedication of Memorial Plaques.

The Grand Chaplain's participation has been requested at numerous District Divine Services and I have been gratified by the worshipful nature and the strong moral and spiritual emphasis exemplified at all I have attended. Unique acts of worship have included the Sunrise Service of the three Hamilton Districts, the Annual Memorial Service at the grave of our first Grand Master, as well as accepting an invitation to preach at a Masonic event in Cambridge honouring the memory of the Otto Klotz, that outstanding educationalist, public servant and one who served as our nineteenth century Grand Master with such distinction.

As a member of the Condition of Masonry Committee, the perusal of the annual reports of D.D.G.M.s has proven most helpful in respect to their reference to District Chaplains. It should be pointed out that ordination to the Ministry of Word and Sacrament is not a prerequisite for serving in this district office. Under consideration is the development of a pamphlet on the theme "Masonry is not a Religion" in response to erroneous information disseminated outside the Craft. Highlights of the year have included attendance at official Receptions for the Grand Master, where I have been most impressed by the warmth and dedication of each and every district visited.

Letters have been forwarded to every D.D.G.M. and District Chaplain. Appreciation is expressed for responses received from across the jurisdiction. Eastern District, for instance, could be considered exemplary in this regard, reporting the forwarding of communications from the Grand Chaplain to all Lodge Chaplains, the publicizing of Remembrance Day, Christmas and New Year's messages for reproduction in individual lodge notices, and the attendance of the District Chaplain at numerous dedications, memorial and divine services.

For some years, the Masonic Memorial Service has been a matter of comment and concern. Language, content, and the mourner's need, have been examined. An updated memorial booklet is now available for use by lodges. Discussions continue regarding the reformulation of annual remembrance services held at the time of lodge meetings. Consideration is being given to the attendance of non-Masonic family and friends of the bereaved at such times.

It is most encouraging to note that, almost without exception, those Masons who hold offices of responsibility and act as mentors within the fraternity are also active in

their local congregations and communities. Masonry must never be an end in itself, but rather a most valuable support in the quest for humanity's wholeness. Our fraternity, being a wonderful system of morality, veiled in allegory and illustrated by symbols, proclaims God central to both life and lodge room.

May the Great Architect of the Universe continue to bless our Order by cementing and adorning it with every moral and social virtue.

Respectfully and fraternally submitted.

JOHN A. JOHNSTON
Grand Chaplain

REPORT OF THE COMMUNICATIONS COMMITTEE

This Report was presented by R.W. Bro. W. T. Anderson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Anderson, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to present this report on behalf of R.W. Bros. W. Norman Buckingham, Frank G. Dunn, Donald Hanton, Malcolm MacKenzie, Terry McLean, Terence Shand, Harold Stanley, Robert D. Summerville; V.W. Bros. Lloyd Bittle, Richard Large; W. Bros. A. Rae Hutt, John Petch, and the undersigned as chairman.

PORTABLE DISPLAY BOARD

The committee has purchased a three-panel portable display board, which is available, on request, for seminars, workshops and the Annual Communications. Please take advantage of this equipment and use it whenever possible.

D.D.G.M. COMMUNIQUE

The D.D.G.M. Communique is a newsletter produced monthly for distribution to the D.D.G.M.s of the jurisdiction to provide a regular line of communication and information. The intent was to commence the publication in September, 1991, for ten issues, on a trial basis for the District Deputy Grand Masters only, but, because of circumstances beyond our control, the production did not begin until November and the circulation has now been expanded to the Past Grand Masters, Grand Lodge Officers and members of the Board of General Purposes. The positive reaction to this

endeavour leads us to recommend that the D.D.G.M.'s Communique programme be continued on a permanent basis. The subcommittee of Terence Shand, Lloyd Bittle, Terry McLean, John Petch and Harold Stanley are to be congratulated and thanked for a job well done.

STANDARD LETTERHEAD

A design for a standard letterhead for each of the new District Deputy Grand Masters has been finalized and approved by the Grand Master. This format will include the names, addresses and telephone numbers of the District Deputy Grand Master and the District Secretary. As well, the basic format can be used for all of the Board of General Purposes Committee Chairmen.

THE BULLETIN

An Editorial Board is being established to develop policies for the Bulletin's content matter, layout, deadlines and generally to be of assistance, for guidance and counsel to the Editor. Research is continuing on developing "A New Approach to Print Communications" by studying distribution systems, the feasibility of liaising with concordant bodies on communication matters, the type and extent of marketing that would be necessary and feasible to offset production and distribution costs.

COMMUNITY ENTRANCE SIGNS

The committee has conducted a review with the District Deputy Grand Masters in the seventeen districts where the prototype *Community Entrance Signs* had been erected in 1989. The results of the review indicated that the signs were important and of a definite value to the communities where they were erected. Improvements to the design are recommended to render the signs more visible to the travelling public. The committee is therefore developing a new prototype that will be slightly larger with a dark blue background, having the logo and a narrow border in florescent white, either round or rectangular in shape. It is recommended that on completion of the new sign that the specifications be defined, a price list be established with the supplier and the information be made available to the lodges of the jurisdiction.

GREETING CARDS

The committee is researching the development of quality Masonic Greeting Cards, (Get Well, Sympathy, Thank You and Notes), to be made available for the use of our brethren. The results of this study will be made available, as soon as it has been completed, for discussion and approval decisions.

SUMMONSES AND NEWSLETTERS

The subcommittee of Robert Summerville, Rae Hutt and Malcolm MacKenzie studied lodge summonses and newsletters, and make the following observations and recommendations: It is observed that many of the lodge summonses contain worthwhile and interesting information, easy to read and understand. It is most important for Masonry that all lodges strive to attain a high standard of readability in their summonses, since the 1990 membership survey indicates that the summons is the most important link that the lodge has with its membership, in that 86% of the members read all or nearly all of them. It is also observed that some summonses list as a

committee "The Board of General Purposes," and it is noted that at the lodge level it should read "Committee of General Purposes." It is recommended that the words "Personal and Private" not be included on the summons. We do not have anything to hide in our summons, but these notations intone a note of secrecy which we are striving to overcome. It is recommended that a committee be formed to assist the Worshipful Master and the Secretary in the preparing of the summons. This could not only be of great assistance in producing a good summons, it is an opportunity to involve more members in the work of the lodge. It is recommended that there always be a message from the East in each summons. This message gives the Worshipful Master an opportunity to promote future lodge, district and Grand Lodge functions, as well he can talk about good meetings, excellent degree work and congratulate candidates or other brethren on their accomplishments. It is observed that some summonses have messages from the West and the South, giving further variety in content. It is further recommended when listing lodge committees, name the chairman and his committee with their phone numbers, and the names of their wives in brackets. This gives an opportunity to recognize the working members of the lodge, as well the wives' names give the opportunity for polite and friendly conversations with the Mason's family. It is also recommended that a long list of Past Masters be inserted in the summons only once or twice per year. This would honour the Past Masters to a greater degree, because when the list is included in every summons it becomes commonplace and ultimately is ignored. The added available space would give the opportunity to include an article on Masonic Education.

Newsletters of both individual lodges and of districts were reviewed. The editors and contributors are to be congratulated because they are brimming with news and information about the members and their families. It is noted that a number of these publications contain advertisements to defray production costs. This is quite acceptable as long as it is kept in good taste. It is observed that the lodges and districts that produce newsletters are unusually active and healthy organizations.

MASONIC VIDEO

A subcommittee under the leadership of Terry McLean is gathering information to ascertain the type of format and requirements necessary to develop and produce a good quality Masonic video. It is recognized that funding is not presently available for this project.

The committee has, we feel, an important communication hint to all Masonic brethren. "When calling a brother Mason and the member's wife answers the phone, always attempt to have a brief and courteous conversation with the wife rather than just ask to speak to the brother." We are all goodwill ambassadors for Masonry.

All of which is respectfully submitted on behalf of the committee.

To the Most Worshipful the Grand Master, Officers, and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a joyful privilege to report on the hard work of an enthusiastic committee of "Blood Brothers" consisting of R.W. Bros. G. L. Atkinson, G. E. Bilboe, G. R. Brittain, P. G. Hernandez, P. W. McNeil, C. M. Miller, D. W. Townsend, E. J. Scarborough, R. M. Watson, and W. Bro. F. K. Hyatt.

The committee requested the assistance of the following brethren to act as regional representatives to keep the communication lines—as well as the blood lines—flowing between Grand Lodge and the District Blood Donor Chairmen—R.W. Bros. R. K. Campbell, G. E. Hinds, G. W. Nelson, T. Shand, R. D. Summerville and W. Bro. E. L. Burns. We hope that this regional representation will expand to cover all districts next year, as the pilot project is proving to be of dynamic value in ideas and information.

Your committee recognizes the invaluable promotion and dedication of each of the Lodge Chairmen, District Chairmen and District Deputies to our Gift of Life programme and wishes to thank each for their time and effort. It is impossible to list all those whose service extended that extra arm, but as representative brethren I mention a few examples: V.W. Bro Vern Orr, 16 years Peterborough District Chairman; R.W. Bro. Bill Noble, Nickel Lodge No. 427 Chairman from the early forties and still an active district chairman; Bro. Don Bower, Fidelity Lodge No. 428 Chairman, main catalyst for the successful Port Perry clinics complete with "Ruby the Clown" (Bro. Amos Rubin). "There is no such thing as Masonic tired blood," just ask V.W. Bro Albert Batten, Wellington District Chairman, at 85 years young—that's Masonry in action brethren.

We congratulate those brethren who have, this past year, established landmarks or should I say "Life Marks" in blood donations.

WOULD YOU GIVE IF IT WERE IN YOUR POWER? . . . THEY HAVE
GOD BLESS THEM!

This year has been one of active participation. The following is a synopsis of activities.

- Ploughing Match Booth assistance at Petrolia.
- Distribution of Masonic Blood Donor Pamphlets on a limited trial basis.
- Matching Red Cross areas with Masonic Districts.
- Establishing Regional Representatives to provide ongoing and closer liaison with Red Cross and District Blood Donor Chairmen (in progress).
- Establishing a distinctive Masonic Blood Donor Insignia or logo.
- Meeting with Canadian Red Cross to determine their needs and how we may be most effective in assisting them.
- Using the special artistic talents of W. Bro. Edward Burns, the committee design of a Masonic Blood Donor Pin.
- Continuing to meet in different districts (Hamilton, Peterborough) with district chairmen.
- Instituting a standardized District Donor Report form.
- Promoting posters such as "What Good is a Blood Donor?"

Perhaps you may have noticed the red puffs worn at lodge and at Grand Masters' Receptions. These puffs identify your Grand Lodge Blood Donor Committee and regional representatives. Occasionally, they are given in recognition of signal service by District Chairmen.

RECOMMENDATIONS

Your committee respectively recommends:

1. That the Masonic Blood Donor Insignia presented to the Management Committee be approved, and forwarded for the Grand Master's consideration.
2. That the Masonic Blood Donor pamphlet be widely distributed and available to all districts subject to financial feasibility.
3. That Regional Representatives be continued and expanded.
4. That successful District Chairmen be encouraged to continue in office and the appointment of District vice or co-chairmen be considered.
5. Subject to approval of the Masonic Blood Donors Insignia that Masonic Blood Donor pins (similar in size to 25 year pins) be produced on a self supporting cost basis.
6. That we continue to promote Masonry at the Ploughing Match and assist the local district with displays.

7. That lodge blood donor telephone solicitation teams be formed to assist the Canadian Red Cross.

The committee would like to thank the Grand Secretary, M.W. Bro. Robert E. Davies, his assistant, R.W. Bro. Kenneth L. Whiting, and staff, for their efforts in facilitating the work of this committee.

In conclusion, Most Worshipful Sir, I thank you for your support of this programme. If anyone could justify not having time to donate, it certainly would be our Grand Master. Such is not the case, and I thank you, M.W. Bro. Byrne, for your donations.

To you, and all donors, receive the thanks of a mother.

"To all Donors who gave for our son, Ron, we say thank you from the bottom of our hearts. You truly gave him the GIFT of LIFE. You gave him the chance to be wheeled out of I.C.U. onto the balcony and feel the warm breeze on his face. You gave him the extra strength needed to go home from the hospital for the weekend with his family. You gave him enough energy to go for one last short walk on the beach with his girlfriend. Yes, you truly gave him the gift of life and to us you gave precious memories to hold dear to our heart as our son is no longer with us.

You are very special and very important people. Thanks to each and every one of you and God Bless."

Respectfully submitted on behalf of the committee.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. J. A. Hughes, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hughes, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The report of the Committee on Masonic Education, last year, reported that many lodges and districts were rising to the challenges and providing interesting and

informative educational programmes. This trend continues, and we are pleased to advise that there appears to be increased educational activities in many areas. But, please, brethren, let's not start patting ourselves on the back—we have hardly scratched the surface. There is much to be done and we must not relax our efforts to awaken the desire to learn among our members. We must be aggressive and progressive in our individual thinking at all levels, from the newest member through to the chairman of a committee. WHY do we do this? WHERE and WHEN did it originate? WHO developed it? WHAT is its significance? If we understand what we are about we can appreciate and enjoy it so much more. Masonry is to be enjoyed—education is to be enjoyed.

We are pleased to report on the growth and development of *Speechcraft Dynamics*. Fifteen of the forty-six districts have taken up this challenge during the last three years and have conducted the programme. Many choose to conduct it annually, while others plan to operate it every other year. But, brethren, please push on with it—start it early next year—don't be left out. One-third have tried it; one-third rave about it. Some of the comments are: ". . . before the course, I was afraid to ask a question in lodge . . ."; "I proposed my first toast the other evening and it was pretty good"; "I'm confident now that I'll be able to do the Junior Warden's lecture next year"; "Now, I'm much more comfortable speaking in front of a group." Congratulations to all participants. You will benefit, as will your lodge.

To update you briefly on the seminars conducted for the information of the prospective District Deputy Grand Master, it is planned that these seminars be ongoing and taken into each district every four to six years.

During the past two years the seminar has been conducted in forty of the forty-six districts, with the remaining six to be done this fall. The presentations have been well received, and, from the participation, we are confident that District Deputy Grand Masters taking office will be better informed, and will be better prepared to carry out their responsibilities.

Very often great programmes are taking place but we are not aware of them. As an example, in Western District there is a *Shield Competition* which really is an Officers' Training Programme. Briefly, every lodge in the district is encouraged to field a team of four members. A series of questions with answers relating to each of the three degrees have been developed—about eighty-five (85) questions on each degree—and distributed well in advance of the competition. The same questions are used year after year. At the competition, the questions are chosen at random and may relate to any of the three degrees. Questions are asked alternatively of the teams and of their members. A panel of three judges independently score the responses as to correctness—letter perfect scores three, one or two word variances may score two, and so on. The judges total their scores and the team with the most points wins the shield. The competition the writer witnessed was tied after the first level and a runoff had to take place. When it was over, a single point separated the first and second placed teams. The knowledge of the degree work that the participants had is amazing, and places them in an excellent position as they progress through the chairs. It is interesting

to note that team members must be Master Masons and not be serving as a Warden. This type of competition could be adapted for lodge use as well. Western District is to be congratulated on their programme. How many other great ideas are out there? Please let this committee know.

As chairman of this committee, I want to thank the committee members for their participation and dedication—R.W. Bros. Wm T. Anderson, Robert A. Barnett (editor of *The Newsletter*), Graham E. Bilboe, Robert J. McKibbin; Peter J. Polkinghorne and Edsel C. Steen (administrators of the *Correspondence Course*), J. Murray Wagg (chairman of the subcommittee relating to the seminars and the *Information Booklet for the Prospective District Deputy Grand Master*), and W. Bro. Howard Tosh, who headed up the drive this year for the promotion of *Speechcraft Dynamics*. The cooperation of all was much appreciated.

The importance of challenges was mentioned earlier and the challenge of the *Correspondence Course* is continuing to provide an interesting activity for many members. Registrations in each of the four programmes are up this year over last. A great number of certificates in each programme were issued, as well as a number of members being received into *The College of Freemasonry*. Congratulations to all certificate holders. A special thanks to the mentors who continue to give us their support; it is greatly appreciated.

The written word of *The Newsletter* also continues to make headlines. We appreciate the assistance of all those who share their knowledge by contributing articles for reprint. Keep up the good work.

Education must be an integral part of every lodge meeting. It is much more than having a paper read on the pillars or the working tools. Education is research, understanding, involvement, sharing—all of these things—to make a daily advancement in knowledge.

The committee challenges every Worshipful Master to choose a strong chairman for his Education Committee; one who will develop an educational programme that will strengthen the lodge—involve the members—inspire action and participation in Masonry. This is your opportunity. We urge you to take the challenge of education.

Respectfully and fraternally submitted on behalf of the committee.

REPORT OF THE COMPUTER RESOURCES COMMITTEE

This Report was presented by V.W. Bro. N. G. McCarthy, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. McCarthy, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to present the first annual report on the activities of this committee. The members, R.W. Bros. D. E. Wood (Vice-Chairman), R. G. Wands, B. E. Bond (Secretary); V.W. Bros. M. J. Duke, C. H. Howell and W. Bro. P. Reeve have shown true dedication and cooperation. It was an honour to work with this team of Masons.

The Computer Resources Committee was established one year ago, a new Special Committee of the Board of General Purposes. We were asked to provide support and act as an information resource for the acquisition and use of computer equipment and software, primarily at a lodge level.

The committee recommends, for the lodges to consider, the following as the minimum amount of hardware (configuration) required to get started:

- an IBM compatible XT with 640Kb RAM complete with keyboard, monochrome monitor, monochrome video card and a 5.25" floppy disk drive
- a Disk Operating System (DOS), version 3.3 to 5.0
- a 9 Pin Dot Matrix Printer

Although prices and equipment vary, we feel confident that these items could be purchased for approximately \$800. As options or enhancements, we suggest a Hercules Video Graphics Card, a 3.5" Floppy Disk Drive, a 40 Megabyte Hard Drive for mass data storage, a Colour Monitor, a 24 Pin Dot Matrix Printer, and one Megabyte or greater RAM.

The Software available for computers are numerous and varied. Personal preferences may dictate the selection. We do advise the use of a word processing package for letter writing and lodge minutes. A spreadsheet application can be useful for financial reporting and planning. The committee strongly recommends the use of PC File+, a programme designed by R.W. Bro. Brian Bond for our lodges and Grand Lodge. This is a Shareware Programme that is adaptable to personal computers and is distributed free. Any lodge officer may request it through this committee or Grand Lodge.

One of the first tasks of the committee was an attempt to build an infrastructure across the jurisdiction of at least one person per district. These individuals would

provide support at a local level in each of the districts of the province and act as a liaison with this committee. This approach has been taken in order to, first, avoid long distance telephone charges if a brother has a problem, and, secondly, to promote a quicker response time because there will be a larger number of brethren available to assist than if there were a single central resource. I am pleased to report that through the assistance of the D.D.G.M.s twenty Masons from sixteen districts have volunteered to act as district representatives:

We need more. Anyone from one of the districts not listed above and who is interested may contact any member of the committee.

Additionally, the committee has completed a small dictionary of computing terms to assist brethren in understanding some of the computer *jargon* they may hear. Copies are available on request from any committee member or the above noted district representatives.

At the request of several lodges and D.D.G.M.s we have investigated the establishment of a computer based Masonic Bulletin Board in the Grand Lodge office in Hamilton. This high tech communication tool could be used for the distribution of information (i.e. Grand Lodge Library, phone numbers for committee members) financial models, schedules (i.e. the Grand Master's Itinerary, District Special Events), etc via computer modem. This system allows for the receiving of requests and reports from throughout the jurisdiction. Your committee recommends the installation of this electronic bulletin board and the use of another Shareware Programme called *Spitfire* which can be distributed without charge.

It is suggested that if shareware programmes are utilized, they be registered at a cost of approximately \$100 and allows for full privileges regarding support from the authors.

During our term we were invited to attend an Information Seminar in Ontario District, held in Oshawa, a computer workshop for Wilson South and North Districts at Frederick Lodge in Delhi, and to participate in a computer seminar to be held at this Annual Communication.

Your committee on Computer Resources continues to work on your behalf. Our

future plans include finalizing the list of representatives in each district. We will offer assistance in regional workshops, and continue to offer support to our lodges. We look forward to receiving suggestions from the brethren on items that they feel should be considered by the committee.

In closing, I would like to thank my team members, the D.D.G.M.s, the volunteers and the Grand Lodge staff for their cheerful help.

Respectfully and fraternally submitted on behalf of the committee.

REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. D. R. Thornton, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Thornton, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am privileged to present the report of the Long Range Planning Committee on behalf of its members: R.W. Bros. Aksel Aggerholm, Clark Brooks, Andrew Burgess, Ian Clunie, Donald Moore, David Walker, Ronald Watson, Keith Wellstead, Sydney Whiteley and the undersigned as chairman.

Three meetings were held at which the following topics, relating to the future of our Craft, were discussed.

1. The recommendations of this committee, recorded in the 1991 Proceedings, concerning amalgamation of lodges, the time and venue of the election of District Deputy Grand Masters and the form of the Grand Lodge Annual Communications are being considered by the Management Committee of the Board.
2. a. At the request of the Management Committee of the Board, this committee developed a suggested format for the organization and operation of a District Management Committee. A guideline detailing this sample format is available from the chairman of this committee or from the Grand Secretary.

b. Most districts have one or more groups such as Wardens', Masters', and Past Masters' Associations which are formed to provide a social link between lodges, to

promote Masonic affairs and sponsor special programmes and charitable works. A study of the bylaws of these associations reveal a wide diversity in organizational structure and objectives designed to meet local needs. The Long Range Planning Committee recognizes the importance of these district groups in maintaining stability and promoting the welfare of the Order.

- c. We are encouraged by the number of districts and lodges which already have some form of team management. It is suggested that other district associations consider incorporating a management team into their organizational structure to assist in planning stimulating programmes and to provide continuity from year to year. To protect the office of the D.D.G.M., as outlined in the Constitution of Grand Lodge, a district management team may choose to have the D.D.G.M. chair the committee and have the district elect a Past Master from a lodge to join with a member appointed by the D.D.G.M., one each year for a three year term, to form a committee of seven. (See *The Masonic Manual*, pages 198–199.)
 - d. It is recommended that amendments be made to the Constitution of Grand Lodge to recognize the activities of district associations and committees.
3. We were pleased to respond to requests by districts and lodges for assistance regarding the operation of Long Range Planning Committees. Progressive districts and lodges are studying trends, developing plans and taking action to guide their lodges to a strong future. *A GUIDE TO LONG RANGE PLANNING* was developed and sent to all D.D.G.M.s and to District Long Range Planning Committee Chairmen. Copies are available from this committee or from the Grand Lodge office.
 4.
 - a. Long Range Planning must encompass detailed programme planning at the lodge level. By being aware of the results and recommendations contained in the Grand Lodge Membership Survey (1990), Wardens working with their Lodge Management Committee can, **before their installation**, develop a calendar of events for the whole Masonic year which will stimulate the membership and encourage attendance. Wardens are urged to start the planning process early and to use *The Masonic Manual* and the programme *Towards the Square* to assist in planning their year as Master. A brief *Guide to Planning your Year as Master* has been prepared by this committee.
 - b. Progress Lodge No. 711 and John Ross Robertson Lodge No. 545 are commended for their excellent handbooks containing extensive directions for officers and detailed calendars outlining programmes for the lodge room, hours of refreshment and social events for the complete Masonic year.
 5. The ongoing economic upheaval in our country is causing serious personal stress and financial hardships for many of our members. Lodges and districts are asked to consider ways to accommodate members who encounter unexpected financial and personal problems and, in particular, to offer support and encouragement where possible.

6. The great ethnic diversity found in Ontario is reflected in changes in the traditional heritage of lodge members. Men from diverse backgrounds are often attracted to the principles of Freemasonry and can add much to the vitality of our lodges. Lodges are encouraged to consider this trend in their plans, remembering that "Masonry is the centre of union between good men and true, and the happy means of conciliating friendships amongst those who must otherwise have remained at a perpetual distance."

Respectfully and fraternally submitted on behalf of the committee.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by V.W. Bro. A. D. Hogg, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Hogg, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This committee has been served faithfully during the preceding year by R.W. Bros. J. R. Gilpin, K. G. Bartlett (Secretary), A. E. Dyer (Vice Chairman), E. S. Rutter and R. S. Throop, having met for five regular meetings, and having logged many hours in travel, and by following up on requests for advice or assistance.

Chukuni Lodge No. 660, in Red Lake, was Dedicated on September 14, 1991. Madoc Lodge No. 48, in Madoc, received dispensation from the Grand Master to use their new accommodation for Masonic purposes; as has Blyth Lodge No. 303, in Blyth.

Morning Star Lodge No. 309 is well advanced in the construction of a new building in Carlow, and several other lodges are either committed to provide or are contemplating new accommodation. This latter group includes Cornwall Temple Board, Burns' Lodge No. 153, Wyoming, and Central Lodge No. 110, Prescott.

Once more we must stress the importance of keeping our properties structurally sound and in good repair. Lodges and Temple Corporations should, if they don't already do so, budget each year a sum of money to be placed in a maintenance fund to anticipate those major repairs or replacements which inevitably occur during the lifetime of any building. An annual inspection of lodge buildings by an engineer or other qualified building inspector can do much to arrest a deteriorating situation before

disaster strikes. A roof collapse isn't pleasant to contemplate, even when a building is unoccupied. Be warned, be vigilant, and be responsible.

With increasing taxation, increasing utility costs and reduced income, we must find ways of maximizing the use of our buildings to share or spread this financial burden. Any lodge being the sole occupant of a building is encouraged to study, if for nothing else, the possibility of sharing accommodation with a lodge in an adjoining community, and to consider the benefits and disadvantages of doing so. In case or cases of emergency this may prove to be a useful exercise to have undertaken.

We have asked the question on many occasions: "Are masonic buildings being managed in a professional and efficient manner?" Our observations indicate that there is much room for improvement. The sharing of knowledge and experience in this discipline is encouraged. This could be done at the district level and any useful information obtained could be shared during a Grand Lodge Forum or Seminar to assist others in a similar situation.

Grand Lodge Bulletins L.B.1 and L.B.2 have been reviewed, revised and amalgamated into one document by this committee. The revised bulletin, identified as L.B.1 (April 1992), is available from the office of the Grand Secretary.

Respectfully submitted on behalf of the committee.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. T. R. Davies, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Davies, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Audit and Finance of Grand Lodge has reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's Report attached hereto and the report of the Grand Secretary as referred to it by this Annual Communication. These reports appear to fully and accurately record the essential details to:

- (a) The financial position of this Grand Lodge as of April 30th, 1992, and the results of its fiscal operations on an accrual basis for the twelve-month period on that date.
- (b) Details of all Receipts and Disbursements in respect to the General Fund, the Commutation Fund and the Memorial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge which have occurred during the said period, namely the twelve months ending at April 30th, 1992.
- (c) The Investment Accounts of the above-mentioned Funds and the summary of all financial resources as of April 30th, 1992.

The following observations respecting certain matters covered by these reports, and/or relative to its financial affairs are presented for your consideration.

- (1) The Audited Statements of Grand Lodge accounts show that the net balance of our total resources now amounts to \$3,296,357 — an increase of \$158,410 from the net assets one year previous.
- (2) Total receipts under the General Fund for fees, dues, commissions, interest on investments, etc. amounted to \$611,741 an increase of \$14,474 over last year, while disbursements, etc. amount to \$560,096. The accumulated surplus on our financial operation of the General Fund for this past year is therefore \$51,645.
- (3) Grants for benevolent purposes amounted to \$63,296 — more than \$30,000 less than were granted in the previous year. This decrease reflects the fact that in recent years there have been a diminishing number of applications. During the recent meeting of Benevolence for the 1992-93 fiscal year the number of applications again was fewer than has been the case in previous years.

The Committee of Audit and Finance has always participated in the deliberations of the Committee on Benevolence and again this year commends that committee on the way in which it has administered the funds for benevolent purposes within the bounds of their availability.

From the schedule of disbursements for the General Fund as detailed in the appendix to this report, you will see that our budget for the year ahead anticipates receipts of \$576,000, a budget increase of \$40,000 over last year, reflecting the increase in dues which became applicable last year. Our budget of receipts also anticipates a small improvement in the investment income earned to be \$115,000 in the year ahead. The budget for expenses is \$575,500, or, literally, a break-even budget is anticipated. The individual items of expense compared year over year are quite similar and we would be glad to respond on any individual item if an explanation of change is requested.

The amount of money allocated to committees has been \$11,500 for each of the past two years. The requests from committees that were reviewed by Audit and Finance at our last meeting totalled more than \$30,000 and obviously could not be accommodated if we were to present a balanced budget. We have communicated with the Management Committee to the effect that any committee who has expenditure plans of consequence would have the plan reviewed and approved by the Management Committee prior to submission to Audit and Finance.

For the past two years the investment management firm of Cassels Blaikie have managed the financial investment portfolios of Grand Lodge and its related funds. The Committee of Audit and Finance meets with Cassels Blaikie regularly and reviews their investment policies, and we are happy to report that we continue to be entirely satisfied with the quality of investment management they have displayed during their assignment.

In accordance with Section 134C of the Constitution, your committee submits for consideration and approval, as set out below, an estimate of the receipts and expenditures as they relate to the General Fund for the year ending April 30th, 1993. Your Committee believes the estimates of the General Fund schedule of disbursements, i.e. \$575,500, to be realistic and to provide for items which can be reasonably foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the current financial year.

Again, this year, we wish to express appreciation to the Grand Treasurer, to the Grand Secretary and the Grand Lodge staff for their continuing cooperation and initiative. I also wish to extend a word of appreciation, again, to the members of this committee for the quality of their interest and involvement in helping manage the business and financial affairs of this Grand Lodge.

We respectfully submit this report on behalf of the committee.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This Report was presented by M.W. Bro. J. A. Irvine, seconded by M.W. Bro. E. W. Nancekivell and adopted.

To the Officers and Members of the Grand Lodge A.F. and A.M. of Canada in the Province of Ontario.

Brethren:

It is indeed a great honour for me to report on the Grand Master's Address on behalf of the Most Worshipful the Past Grand Masters of our Grand Lodge. In presenting this report I feel most humble.

The committee endorses all the programmes, appointments and other actions of the Grand Master during this his first term as our Grand Master. His report should be read and reread in order to appreciate the many services our Grand Master has performed on behalf of our Grand Lodge and its membership. He has been an extremely busy person, and has done great honour to his office.

Our Grand Master has paid due respect to our numerous members who have passed away during the last year, and to our Past Grand Masters—M.W. Bro. James N. Allan, who lived to the ripe old age of ninety-seven, and M.W. Bro. Bruce B. Foster—both of whom passed to the Grand Lodge above early in the current year. They both made so many contributions to our Grand Lodge and will long be remembered for their many services. May the Great Architect of the Universe receive them and keep them to continue their work in his Kingdom.

Our Grand Master, in his address, makes glowing reference to the assistance he has received from his wife Nancy. All who are acquainted with her recognize her ability as the perfect hostess, and her wholesome and genial personality, and are thankful that she and our Grand Master make such an outstanding team. We hasten to recognize their many outstanding contributions to the well-being of our Grand Lodge. May God bless them.

Our Grand Master's many visitations to other Grand Lodges, including the 275th anniversary of our Mother Grand Lodge—the Grand Lodge of England—is just another indication of his dedication and ambition. His travels far and wide in our Grand Jurisdiction testify further to his devotion to his trust, his boundless energy and love for Freemasonry.

The final four paragraphs of our Grand Master's report give us a message of hope, pride and optimism in the future of our Grand Lodge. We are extremely proud of his accomplishments.

You have only to read our Grand Master's Address to know that he is a man of great wisdom, of love for his fellowman and for the Craft over which he has presided with such zeal and dedication. We look forward to the future, as the seeds planted by him come to maturity in the best interests of mankind, our membership and this Grand Lodge in particular.

Respectfully and fraternally submitted.

JOHN A. IRVINE
Chairman

REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by R.W. Bro. R. T. Runciman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Runciman, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee is again pleased to report that for the third successive year no matters have been referred to it for consideration.

The procedure for the issuance of a Certificate of Severance in S.410.1 of the Book of Constitution permits an errant brother to quietly and with dignity withdraw from the Craft. This year, four brethren have elected to withdraw in this manner.

In the past, this committee has implored the brethren to carefully weigh and consider the merits of a complaint before the formal complaint is lodged. The laying of a complaint is a very serious matter and may have serious consequences. A complaint which has no merit may be rejected by the Reviewing Committee pursuant to S.412 of the Book of Constitution. This year there were four instances where the Reviewing Committees rejected complaints.

Your committee again wishes to thank the Grand Secretary for his prompt and efficient consideration of routine matters which regularly arise and require immediate attention.

All of which is respectfully and fraternally submitted.

ROBERT T. RUNCIMAN
Chairman

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

This Report was presented by R.W. Bro. S. H. Cohen, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Cohen, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Advisory Committee on Lodge Finances, it is my pleasure to present our report.

The Advisory Committee on Lodge Finances was formed in 1980 and published its report July 12, 1983. The report covers every aspect of lodge finances and we are pleased that it has received wide acceptability and is being used by lodges as a guide to handling their financial affairs. It is not our intention in this report to cover the same information again, but merely to focus on the following terms of reference.

- A. To establish ways and means of assisting lodges in implementing the report of July 12, 1983, especially as it relates to life membership.
- B. To develop a strategy to offer assistance to lodges in dealing with their financial problems.

Based on these objectives, your committee offers the following recommendations:

1. That a District Advisory Committee on Lodge Finances be formed, consisting of a chairman and four members with financial, accounting and business background. This committee could be a very effective forum to assist lodges in the district who have questions about lodge finances.
2. That consideration be given to the implementation of a life membership policy which is properly funded and properly managed, to assure that the cost of purchasing a life membership be sufficient to adequately fund the cost to the lodge of every life member.

We strongly recommend that the life membership policy of Grand Lodge be changed to correct any anomalies that exist at the present time, and to effect this change a notice of motion has been submitted for your consideration.

I wish to thank M.W. Bros. W. R. Pellow, T. J. Arthur; R.W. Bros. R. A. Barnett,

J. G. Pell, J. A. McLean; V.W. Bros. N. G. McCarthy and W. Bro. D. Thornton for their time and interest in assisting the committee.

Respectfully and fraternally submitted.

REPORT OF THE AWARDS COMMITTEE (WILLIAM MERCER WILSON MEDAL)

This Report was presented by M.W. Bro. H. O. Polk, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Irvine, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

During the year now in review, five (5) William Mercer Wilson Awards were issued to worthy recipients whose names are officially recorded in the Grand Master's Address.

In congratulating each brother for well-deserved recognition, may we remind them this is the most distinctive honour Grand Lodge is empowered to confer.

The thrust of the claim for recognition on behalf of nominees is praiseworthy service encompassing a varied range of devoted efforts, constant outreach, expressions of inward grace, adding an ornament to their identity of being truly servants of mankind in their respective communities and to their Creator. How fortunate for Masonry to have such distinguished members of the Craft prolonging their admirable qualities of generous giving even unto the advanced years of their lives!

For clarification, your committee proposes to alter the wording in certain of the numbered regulations governing the award. Not an attempt to expand or decrease the number that qualify for recognition, rather to render the format more readily understood for lodge officers submitting petitions.

The committee extends sincere appreciation and thanks to the Grand Secretary and his staff for their efficient services so freely extended throughout the year.

Respectfully submitted.

J. A. Irvine

H. O. POLK, Chairman

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the
Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on behalf of the Committee on Fraternal Correspondence, which is really the Foreword to the reviews of the annual Proceedings of the Grand Lodges from whom we have received a copy of their Proceedings. We owe our reviewer, R.W. Bro. Frederic R. Branscombe, a hearty vote of thanks for his fine selection of items, and his concise and interesting presentation.

In reading these reviews the brethren will find that many jurisdictions have several problems similar to our own, and while not presenting a solution, we see the steps they have or are taking to resolve some of them.

You will note that in the words of M.W. Bro. Most Hon. The Marquess of Donegall, after confessing that he, personally, was more resistant to change than most people, he realized that an organization which remains static for all times almost certainly dies. "I do not think," he said, "that Freemasonry can exist in a sort of time-warp for ever and continue to prosper; we must to some extent move with the times, not one of my favourite expressions, just so long as we remain true to our principles of Brotherly Love, Relief and Truth."

Along these lines, the Grand Master of Massachusetts made this remark, "what we do in the last decade of the 20th century will set the pace and direction of Masonry and our future as Masons. I have said many times that I will not lower the standards of Masonry to fill the wants and desires of a few, but rather raise their standards to meet those of the majority and the principles of our great fraternity."

In New Brunswick, the Grand Master observed that because of the successful Mentor Programme, the "new brethren coming into our ranks now show a far greater understanding and acceptability of the requirements of Freemasonry and will, I am sure, become good officer material of the future."

The Grand Lodge of Saskatchewan has completed a survey to provide background information of our likes, dislikes, our hopes and aspirations.

The Fraternal Relations Committee of the Grand Lodge of Texas have assembled a list of concerns, problems and of attempted solutions that they have found to be similar among Grand Lodges wherever they may be.

The above are but a few of the items that I hope may cause you to consider a further study of the reviews provided by R.W. Bro. Branscombe. Please read them—it will be a rewarding exercise.

Respectfully and fraternally submitted

The question whether lodges still need to send a summons to all members every month was addressed by the Grand Master, M.W. Bro. D. R. Millar, in his annual Address. He indicated that high printing and mailing costs had prompted some to suggest to him that "we should make it possible to cover two months with one notice, but I say to you that maybe you should make better use of this means of 'communicating' and say something worthwhile, something that will attract attendance, that will encourage greater activity within the Lodge." The Grand Master reminded the brethren that better communication within a lodge is the responsibility of every member of that lodge, not just the secretary.

M.W. Bro. Millar raised the question whether a D.D.G.M. has an automatic entitlement to the rank of Past D.D.G.M., regardless of how well he discharged his responsibilities in that office. He noted that in three cases, recently, the duties of D.D.G.M. had not been completed in a satisfactory manner. No action was taken by Grand Lodge in this matter.

Members of Grand Lodge were deeply gratified that a Past Grand Master of Alberta had brought honour to himself and to the Fraternity by being appointed as the representative in the province of Her Majesty the Queen. Congratulations were extended to M.W. Bro. Thomas Gordon Towers, and the hope was expressed that he would have a successful and an enjoyable term as Lieutenant Governor.

BRITISH COLUMBIA

M.W. Bro. Douglas Grant, Grand Master, observed that notwithstanding "a good number of initiations, we continue to be plagued by demits and suspensions." It was his opinion that "some of these brethren who are leaving us, ought not to have joined in the first place." Freemasonry might not be what they had expected but, if so, this might have been discovered before initiation by more careful examination of applicants. He came to the conclusion, therefore, that the high numbers of demits and suspensions were the responsibility partly of the lodges concerned, and partly of the individual brethren. The Grand Master made two suggestions for the guidance of constituent lodges. First: Make quite certain that Freemasonry is really the kind of organization that the applicant wishes to join. Second: When a brother is about to leave Masonry (either by demit or suspension) analyze the reasons and "determine whether the fault lies with the Lodge or the Brother."

To assist in answering questions such as these, M.W. Bro. Grant proposed the formulation of a specific statement concerning the aims and objectives of Freemasonry in British Columbia. Accordingly, he appointed "a committee to examine the statement 'Aims and Relationships of the Craft' published by the United Grand Lodge of England with a view to adopting a similar type of statement" for use in B.C.

M.W. Bro. Grant reported that he had issued the following ruling with reference to Prince Hall Masonry: "A member of the Grand Lodge of British Columbia may attend a Lodge under the Grand Lodge of Washington, if he so wishes, even though there may be a Prince Hall Mason in attendance." It was emphasized that, notwithstanding this Ruling, "It is still not permissible for a member of this Grand Lodge to attend a meeting of a Prince Hall Lodge, nor is it permissible for any Prince Hall Mason to attend a meeting of any Lodge in this Jurisdiction."

With reference to Prince Hall Masons, the Grand Master informed Grand Lodge that the Grand Secretary of the United Grand Lodge of England recently had met in Boston with representatives of the Grand Lodges of Colorado, Connecticut, Nebraska, Washington and Wisconsin "to discuss the implications of their recognition of Prince Hall Masons." Grand Lodge decided "to take no further action concerning Prince Hall Masonry until such time as the United Grand Lodge of England reconsiders its position and issues a further statement on the matter."

The Masonic Community Charities Fund reported that the *Cancer Car Programme* was even more successful in its second year of operation than it had been in its first. The five cars in Vancouver (with eighty-three volunteer drivers and ten dispatchers) have "carried more patients, travelled more distance and incurred less damage" than in the previous year. It was considered that there had been fewer traffic accidents because of the excellent defensive driving courses, made possible through the generous support of B.C. Tel, which supplied the instructors on loan and donated the course materials. The recently inaugurated Nanaimo to Victoria programme is enjoying similar success, with more than thirty volunteer drivers enrolled. The project is developing an international reputation: three North American Grand Lodges have requested background information on the British Columbia programme, with a view to establishing similar ones in their own jurisdictions.

In accordance with the *American Doctrine of Exclusive Territorial Jurisdiction*, to which California adheres, Grand Lodge issued a ruling concerning Prince Hall Masonry. It was that members of lodges under the jurisdiction of the Grand Lodge of California are forbidden to sit in any lodge, whether in California or elsewhere, where they know that a Prince Hall Mason is present. One exception was made to this ruling.

Notwithstanding this prohibition, a member of a lodge under the jurisdiction of the Grand Lodge of California may remain in a Lodge where he is aware of the presence of a Prince Hall Mason, if he is attending a lodge (either as a visitor or as an affiliated member) in another jurisdiction where the Grand Lodge of that jurisdiction has extended recognition and visitation rights to Prince Hall Masons.

M.W. Bro. S. M. Pavlovich reported on the response by Masons throughout the world to the severe earthquake which struck the San Francisco Bay area and the Monterey Peninsula in the previous year. "Without any appeals for funds from any lodge in this jurisdiction or the Grand Lodge of California," the Grand Master stated, "donations for Masonic earthquake relief began pouring into the Grand Lodge office. Within a very short period of time, \$20,379 had been received from as far away as England and Japan, certainly a shining example of Masonic charity." Also, an appeal by the Masonic Service Association of the United States and Canada "was answered by our sister jurisdictions in an amount totalling some \$56,000."

The Committee on Education Against Drug and Alcohol Abuse reported that during the past year it had "continued its efforts to bring alternatives to the attention of young people, before they become involved in the menace of addiction. An innovation this year has been a series of training programmes to establish student support teams. It is the intention to train teachers, counsellors and nurses in the proper methods of identifying and aiding the 'at risk' student." The Masonic portion in the partnership with school personnel was reported to include "financial support, individual Lodge participation and, in some cases, team participation by qualified Brothers. While the effort must begin with a small nucleus (estimated at about 25 to 30 individuals), as the trainee becomes the trainer, the programme will expand with Statewide participation our ultimate goal."

The Grand Master expressed his pleasure that the spirit of the recent Bicentennial of the Grand Lodge of Connecticut was still evident in special events throughout the jurisdiction. For example, "the Master Mason's Degree was portrayed in the seldom seen, long dramatic form in full costume." Another evening of celebration, a Table Lodge and Passover Seder, was described by M.W. Bro. G. N. Smith thus: "This memorable and symbolic event combined the rituals of Passover, the Easter Season and a Masonic Table Lodge in a unique presentation. The Passover Seder portion was led by Cantor Y'Shaya Grama, a Brother from Temple Lodge, No. 127. There were approximately 150 Brothers present."

ENGLAND

London, England, December, 1990, March, April, September, 1991

Notification was given to Grand Lodge (in December, 1990) of a development that is of particular interest to Masons who may be intending to travel to Germany. Assurance had been received from the United Grand Lodges of Germany "that Brethren from the unrecognized Grand Lodge of France will not in future be admitted to Lodges under any of the constituent Lodges of the German Constitution." The ban on visits to lodges in Germany, therefore, was lifted.

Grand Lodge was advised in March, 1991, of the recognition of Prince Hall Masonry by the Grand Lodges of Connecticut, Nebraska, Washington and Wisconsin. The question of relations with Prince Hall Masonry came up again a month later, when the Grand Master, M.W. Bro., H.R.H. the Duke of Kent, devoted part of his Annual Address to what he called External Relations. After reviewing improvements in the formal relations with Masons in Germany and in eastern Europe, he referred to problems that have resulted from the recognition of Prince Hall Masons by some Grand Lodges in the United States. "There are now," he pointed out, "at least five Grand Lodges in North America which are allowing unrecognized 'Prince Hall' Freemasons into their Lodges. Visits to these jurisdictions by our Brethren are for the moment prohibited." Though brethren of the English Constitution are not permitted to visit lodges in those jurisdictions, it was pointed out that Masons from those Grand Lodges continue to be welcome in English lodges.

The Grand Master appeared to place less emphasis on the prohibition of visits to the specified jurisdictions than on efforts being made to restore harmony. "We all hope it will not be long before a solution to this particular problem is found," he said, "but in the meantime bans like this, which are not imposed lightly, are essential if we are to continue to adhere to the basic principles for Grand Lodge recognition." In what may have been an allusion to the conversations held in Boston, Massachusetts, between the Grand Secretary and representatives of the five specified Grand Lodges, the Grand Master added, "I wish those concerned well as they work to preserve Freemasonry as we and other regular Grand Lodges know it."

A highlight of the Sept (1991) Convocation was an audio-visual presentation on the History of Freemasonry. This was introduced by W. Bro. John Hamill, Librarian and Curator of the G.L. Library and Museum. W. Bro. Hamill has many friends among Ontario Masons, who remember, with pleasure, his recent visit to this jurisdiction. He advised Grand Lodge that a decision had been made that the permanent exhibition of Masonic history, which was opened in Freemasons' Hall in 1986, "would be enhanced by having at its beginning some form of audio-visual presentation which could give the visitors a brief introduction to our history. In working towards that project it became readily apparent that it could have a far wider application."

W. Bro. Hamill announced that a new audio-visual presentation had been produced for use either in a lodge meeting, or publicly in an open house or other social occasion.

It will be available in two formats: (1) a set of 35mm coloured slides, with commentary recorded on audio tape; and (2) video tape. If the new production enjoys the same success as the one produced by the Grand Lodge of England in 1987, it will soon be seen in one format or the other throughout the entire English-speaking Masonic world.

M.W. Bro. R. E. Ford congratulated the members of Grand Lodge on their accomplishments during the past year. This success was entirely due, he told them, to their faithful support of the Grand Master's programme, which was based on four cornerstones: Service to Masonry; Service to Masons; Service to Community; Service to Youth.

The Grand Master pointed out that an outstandingly successful example of service to the community was the Drug and Alcohol Intervention Programme. The Masons of Illinois raised over \$200,000 to support this programme, which is beginning to make significant progress. In co-operation with the State of Illinois the programme is training school systems how to identify students with drug and alcohol problems. The announced goal was the training of over 300 school personnel during the year.

An interesting project was reported by the Grand Historian. He stated that when he had been appointed as Grand Historian in 1986, the one specific request which was made of him was the creation of a Grand Lodge Video History by video taping an interview with all living Past Grand Masters of the Grand Lodge of Illinois, so that the record of their activities could be preserved for viewing in the future. As the project was completed five years later, the Grand Historian observed, "The video taping of the Past Grand Masters, covering a span of almost twenty-five years, has been a truly rewarding experience." Another responsibility of the Grand Historian is to take still photographs, in colour, and compile them into an album to be deposited in the Grand Lodge archives.

IRELAND

Londonderry, Belfast and Dublin, Ireland
March, June, October, December, 1990

The Grand Lodge Library and Museum Committee gave a progress report on the project, announced previously, to make available to historical researchers the original documents and other source materials related to Australian lodges chartered by the Grand Lodge of Ireland during the 19th century. The status of the project (as of December, 1990) was reported thus: "The Archivist completed a second section of the lengthy Antipodean project and has now moved on to collating individual Lodge papers

throughout the archives and placing these in the further consignment of acid-free boxes and folders that we have ordered. Although these specialised boxes and folders are comparatively expensive, they are imperative for the safe preservation and conservation of the manuscript collection." There was no reference in the Report of the Grand Lodge Library and Museum to the possibility of extending this project, after the current one is completed. There was no indication, however, that research with reference to other overseas lodges with Irish antecedents would not be considered.

In his Annual Report for 1990, M.W. Bro., Most Hon. The Marquess of Donegall, Grand Master, suggested that Masons should "take thought for the future and ask ourselves where the Masonic Order is heading. Are we holding our own in a rapidly changing world and, if it is thought that changes should be made, what sort of changes should they be?" After confessing that he, personally, was more resistant to change than most people, he stated that he realized that an organization which remains static for all time, almost certainly dies. "I do not think," he said, "that Freemasonry can exist in a sort of time-warp for ever and continue to prosper; we must to some extent move with the times, not one of my favourite expressions, just so long as we remain true to our principles of Brotherly Love, Relief and Truth."

He reminded Grand Lodge of the need to get Masonry's message across to the younger generation. In this connection the Grand Master commented, "Here I think there may be some sign of encouragement. It is said by some people that young people to-day are beginning to tire of the free-wheeling type of life, when everyone does what he wants, regardless of his neighbours, and without thought for the future; and that some of the old standards of self discipline and honest-dealing may be coming back into fashion. I do not know if this is true, or not, but if it is, then society will move more towards what we believe in, with important results for the future of the Masonic Order. So let us not be afraid of change, provided that it proceeds in an orderly fashion, and we do not sacrifice anything which should be preserved."

Masons in Japan, like their brothers in many other jurisdictions, are struggling to determine just how far they can go properly, and how direct they can be, in making Masonry known to their friends and associates. M.W. Bro. Kobayashi gave them the following advice: "We Masons know that this is one of the oldest, largest and most highly regarded Fraternal Organizations in the world. We must let the fact be known to our good friends and acquaintances." One acceptable way to do this, he suggested, was by their participation in the various charitable programmes undertaken by their individual lodges. Secondly, he stressed the importance of personal example: "Through the accumulation of small efforts we can do day by day, week by week, month by month, etc, in the Lodge."

M.W. Bro. Hideo Kobayashi, commenting on the state of the Craft, spoke of the hard work of the Masters and Wardens of the constituent lodges to improve conditions. The Grand Master made several practical suggestions to the Worshipful Masters in attendance. He was confident that present difficulties are but temporary.

In common with those in other non-English speaking countries, Japanese Masons have to face additional problems arising from differences in language. The Grand Master was able to report that the ritual is available fully in both English and Japanese and is in regular use in both languages. Procedures and forms for the submission of reports from lodges to Grand Lodge are being developed in Japanese, as well. During the past year some of these have come into use on an optional basis.

In his Address as Grand Master, M.W. Bro. F. H. Booth stated the following principles on which Masonry must stand steadfast, if it is to remain strong: "**A Commitment to Truth**, and not deception; **Obedience**, and not rebellion or insubordination; **Sincerity**, and not hypocrisy; **Virtue**, and not impurity or defilement; **Boldness**, and not fearfulness; be **Persuasive**, and not argumentative; have a **Forgiving Spirit**, and not a rejection of others."

The Committee on Fraternal Recognition reported that M.W. Bro. Booth had consulted with the committee to determine what action should be taken regarding Prince Hall Masonry. The Grand Master had sent a letter to all constituent lodges informing them of the action taken by certain Grand Lodges in giving recognition and visitation privileges to Prince Hall Masons. Also, he reminded all Worshipful Masters that their obligation is binding concerning sitting in lodge with an irregular Mason. The committee made one recommendation only, which was approved by Grand Lodge: "It is the opinion of your Committee on Fraternal Recognition that this letter is all the action necessary at this time."

One action taken by the Grand Lodge of Louisiana in 1991 has attracted considerable attention in other jurisdictions. It reversed its decision of 1989 to withdraw recognition from the Grand Lodge of Connecticut, as a result of the recognition of Prince Hall Masons. M.W. Bro. A. G. Tidwell advised Grand Lodge that no other Grand Lodge had followed the lead of Louisiana with reference to Connecticut but,

on the contrary, additional Grand Lodges had recognized Prince Hall Masonry. Because of this and because of "the fact that our withdrawal of recognition from the Grand Jurisdiction of Connecticut has caused an immense degree of administrative problems, especially concerning our appendant and concordant bodies, I recommend that the 1989 Edict, withdrawing recognition from the Grand Jurisdiction of Connecticut, be revoked at this Grand Lodge Session." In its place, he recommended that *A Grand Master's Statement of Position* concerning Prince Hall Masonry be issued, which would be forwarded to other Grand Lodges as might seem appropriate from time to time. Grand Lodge accepted these recommendations. The Grand Master then proposed "that fraternal relations be immediately re-established with the Grand Lodge of Connecticut," which was approved.

M.W. Bro. Tidwell announced that he had removed the requirement that a candidate's proficiency in the previous degree be demonstrated in open lodge before he could be advanced. He reported that he had issued an Edict with this provision: "At the option of the Worshipful Master, the examination on the catechism of the Entered Apprentice, Fellow Craft and Master Mason degrees may be done privately before a committee of three, appointed by the Master." Following its examination of the candidate, the committee is required to report its recommendation to the Master in open lodge; the committee's recommendation then must be voted on by the members present.

The Committee on the Condition of the Fraternity was critical, in its Report to Grand Lodge, that there were 82 lodges (an increase of 12 during the year) in which there were five or more Past Masters occupying the chairs of officers. On the other hand, however, it was pleased that there had been a significant increase in the number of lodges that were awarding scholarships, or were participating in programmes to counteract Drug and Alcohol Abuse Among Children, or were working in other ways to make Masonry more visible in their communities.

In his annual Address, M.W. Bro. R. V. Damon spoke of the need to reduce the number of suspensions for nonpayment of dues. He queried how much effort lodges were investing in this regard. "Visiting with these Brethren who are falling behind in their payment," the Grand Master said, "may reveal that they have a need for our assistance. It is all too easy to vote to suspend a Brother for nonpayment, simply because he did not respond to a letter sent to him. This should be the concern of the entire Lodge, not just the Secretary and perhaps the Master."

The Committee on Prince Hall Masonry reported that there were currently only two Prince Hall lodges in the State of Maine. Just as the earliest lodges under the Grand Lodge of Maine were chartered by the Grand Lodge of Massachusetts, so were the Prince Hall Lodges in Maine chartered by the Massachusetts Prince Hall Grand Lodge. There is not now, and never has been, a Prince Hall Grand Lodge in Maine. The Report concluded with the recommendation, which was accepted by Grand Lodge, that "There is no need for any action by this Grand Lodge."

The members of Grand Lodge were brought up-to-date by the Grand Secretary concerning the progress that had been made in defining the term 'proper solicitation.' After many years of effort, he said, those working on the problem finally arrived at the following policy statement, which had been approved earlier in the year by the Board of General Purposes:

"A Freemason may initiate a conversation with a non-Mason about the nature and objects of the Craft, explaining how membership involves the family and community.

"If the man expresses interest, the Freemason should enter into a further discussion with the man and his family, making him aware that the final decision to join Freemasonry is his, and his alone.

"Freemasonry is always ready to accept worthy men into its ranks. They only need to ask."

The Grand Secretary expressed the hope that this definition of 'proper solicitation' would be useful to Masons in other jurisdictions.

M.W. Bro. F. S. Westwood told Grand Lodge that during his visits to districts and individual lodges, it had become "increasingly apparent that there is dissatisfaction over the removal of the penalties from the Obligations." The Grand Master said, also, that the Custodians, after having thoroughly reconsidered the matter, remained of the opinion that the decision to remove them had been in the best interests of Freemasonry and should stand. In order to facilitate the transition, however, "the Custodians concluded that no sanctions will be enforced upon Lodges that prefer to continue with the traditional penalties being included in the Obligations."

Members of Grand Lodge were reminded at the March Quarterly Communication that, while they were beginning the 257th year of the Grand Lodge of Massachusetts, they must keep their eye on the future. "We are steadily approaching the 21st Century," M.W. Bro. E. W. Darling told them, "and what we do in this last decade of the 20th Century will set the pace and direction for Masonry and our future as Masons. I have said many times that I will not lower the standards of Masonry to fit the wants and desires of a few, but rather raise their standards to meet those of the majority and the principles of our great fraternity."

At the June Quarterly Communication, M.W. Bro. Darling addressed the subject of Prince Hall Masonry. In his judgement, "This has become an emotional issue in some areas, instead of being handled in the proper Masonic manner." He added that he "had to make decisions to keep the emotional issue out and maintain the principles and standards that have governed Masonry since time immemorial."

The Grand Master then gave a comprehensive historical review of the origins and development of Prince Hall Masons, down to their recognition recently by certain Grand Lodges in the United States. He reported that he had met with the Grand Master of Prince Hall Masons in Massachusetts and had held discussions which were described as "very open and most helpful" and after which the two Grand Masters "parted in peace and harmony." M.W. Bro. Darling told Grand Lodge that in those discussions he had made it quite clear to the Prince Hall Grand Master that "the major hurdle that Prince Hall Masonry had to overcome was their authenticity and legality in the eyes of our Mother Grand Lodge—England, who considers them to be clandestine." Accordingly, the Grand Master made this recommendation to Grand Lodge: "I do not feel that we should go against our Mother Grand Lodge of England and that it is up to Prince Hall to resolve the problem with England before we can act legally."

M.W. Bro. W. E. Turton, Grand Master, asked M.W. Bro. David Bradley to respond, on behalf of the distinguished visitors present, to the welcome that had been extended to them. In his remarks, M.W. Bro. Bradley commented on the long history of cordial relations between the Masonic jurisdictions in the State of Michigan and the Province of Ontario. He observed that this happy state of affairs has existed since 1855,

when a Past Grand Master of Michigan consecrated the then Grand Lodge of Canada and installed its first Grand Master.

The Fraternal Relations Committee reported that, under the sponsorship of the Grand Lodge of Austria, the Symbolic Grand Lodge of Hungary had been duly consecrated and its Grand Master installed. In addition, the committee recommended that Grand Lodge recognize the progress being made by two relatively new Grand Lodges: Ivory Coast (Grande Loge De Cote D'Ivoire) and the State of Hawaii.

A summary of recent events relating to Prince Hall Masonry was given by the Fraternal Relations Committee. It noted that a number of the other Grand Lodges had granted different degrees of recognition and rights of visitation. Many of these actions are inconsistent with each other. The committee stated that it "can see nothing but problems down the road with action not based on one plan, either **pro** or **con**." It was the committee's recommendation, which was approved by Grand Lodge, "that the Grand Lodge F. & A.M. of Michigan adopt a wait and see position."

M.W. Bro. Charles N. Hollett commented on the fact that the "loss of members through suspensions, demits and withdrawals is still alarmingly high and this appears to be the problem which we must now address." He said, however, that encouraging signs were beginning to appear. For example, "lodge notices show an increasing number of new candidates applying for membership in our fraternity." The Grand Master observed also that because of the successful Mentor Programme the "new brethren coming into our ranks now show a far greater understanding and acceptability of the requirements of Freemasonry and will, I am sure, become good officer material of the future."

Regarding increasing acceptance of Masonry in the community, the Grand Master referred to the Centennial in 1990 of the city of Moncton. As part of the celebration of that event, one hundred "*1990 Moncton Commemorative Medallions*" were issued to citizens who had made outstanding contributions to the life of the city. Grand Lodge was invited to nominate one of the recipients. M.W. Bro. Hollett was pleased with this official recognition of the Craft by the City, but he was especially gratified to note that ten of the others who had been proposed by various community organizations were also Freemasons, who were recognized by these other groups and by the city for the unselfish contributions that they had made as individuals to the welfare of Moncton and its citizens.

Possibly the most significant activity in which the Masons of New Brunswick are seen to make a valuable contribution to the life of the province is that of the New

Brunswick Masonic Charities and Housing Company Ltd, a subsidiary of Grand Lodge. The Board of Directors stated in the company's report that although its first two senior citizens' homes were operating at one hundred percent occupancy, plans to build a third facility in Dorchester had been put on hold, as the need in that community did not prove to be as large as it had been thought to be. The President concluded: "We set our goal three years ago to build at least five Masonic-sponsored complexes in New Brunswick within twenty years. Two are already setting fine examples, one in Woodstock and the other in St. Andrews, and I am confident the Masons of New Brunswick will continue to assist the seniors throughout our fine Province."

Grand Lodge adopted the following regulation with regard to the social hour: "On any occasion involving a Masonic Body and the ceremonial consumption of an alcoholic beverage as part of the meal, the number of Toasts and the size of the glass shall not result in the consumption of more than 14 ozs. by any person participating. Wine shall be the only alcoholic beverage served and non-alcoholic beverages shall be available and offered."

The Grand Master reported that he had continued the practice of recent years in designating a week in November as 'Masonic Family Life Week.' M.W. Bro. P. H. White stated: "In today's world where irreverence is fashionable and cynicism passes as maturity, it is more critical than ever that the family concept of living and morality be given renewed commitment."

The Alternative Proficiency Path Committee proposed "to allow those Candidates who, for various reasons, have a problem with memorization of the Lessons and/or giving them in open Lodge, a means of easing the burden on them, but still satisfying the need for knowledge of the teachings of each Degree." It recommended, therefore, that where candidates for advancement to a higher degree currently were required to prove their proficiency in the former degree by reciting portions of the work from memory, they be permitted in the future to prove their proficiency "by reciting, or reading, the whole of the lesson of that degree from the Lesson Book, to the Master's or his designate's satisfaction. He must also show the means of recognition and a reasonable knowledge of their meaning." It was the committee's contention that "The process of going from being able to read the coded book to being able to give it from memory serves no real purpose." The question was referred to the constituent lodges for their comments, with a vote to be taken at a subsequent communication of Grand Lodge.

M.W. Bro. R. H. Johnson, speaking at the December (1989) Quarterly Communication, reminded Grand Lodge that notwithstanding the fact that expressions of despair and negativism are far too common these days, Masons have many reasons to be optimistic. Three important ones, in his view, are: "Attitudes have become positive again towards basic values and organized groups; the makeup of our population provides men who are, and will be, available as potential members; and Freemasonry has something to offer that no other organization has." The Grand Master asked why Freemasonry has survived the longest and retained the largest number of members of any fraternal society. He noted that the others also have principles of morality, profess brotherly love, are patriotic and practise charity. M.W. Bro. Johnson's reply was, "Freemasonry has a doctrine for the world at large."

Reports were received at the June (1990) Quarterly Communication concerning the Museum and Library. During the past year suitable accommodation in the Masonic Centre had been made available "to enable a Museum Display Centre worthy of this Grand Lodge to be created." This should enable Masonry in New South Wales to display in the community a better image of itself.

It is apparent that the Grand Lodge Library is unusually able and willing to be of service to New South Wales Masons, as well as to Masonic scholars in other jurisdictions. The Librarian reported: "The trend noted in previous years for the Library to undertake research for Brethren preparing papers continued throughout the year and, in fact, demand in this direction increased." The library is open part of every Monday to Friday, and also on Wednesday evenings. There is a corps of unpaid volunteers who assist the full time library staff.

Ontario Masons will be pleased to know of the complimentary reference to this Grand Lodge, which was made in the report of the Foreign Correspondence Committee. The reviewer of the Proceedings of other Grand Lodges wrote of the Grand Lodge of Canada in the Province of Ontario: "Their loss of members, in proportion to total membership, is the least of any Grand Lodge reviewed in recent times."

Visitors to the two Grand Lodge Libraries and Museums (located at the Masonic Hall, 71 West 23rd Street, New York City, and at the Masonic Home in Utica) will

find that they contain many priceless treasures, reminding one of the accomplishments of Freemasonry. In the words of the Trustees of the Grand Lodge Library and Museum, the facility in New York City is particularly noteworthy because many of the materials in its possession "are from before the beginning of Grand Lodge in 1781. We have the oldest museum collection in New York City."

One of the activities initiated by the Grand Lodge Library is the Masonic Stamp Club of New York, Inc., which was founded there in 1934. This club publishes *The Masonic Philatelist*, a quarterly journal containing well-researched articles and information of interest to "students of Freemasonry, postal history and philately." It collaborated in the 1990 publication of *Masonic Philately in the United States and Canada*.

In his Installation Address M.W. Bro. R. P. Thomas emphasized that the application of the principles and practices of sound leadership techniques would go a long way in solving the problems facing Freemasonry. He was, therefore, instituting intensive training sessions of at least four days' duration, for all District Deputy Grand Masters and Staff Officers. These will be "conducted mainly by skilled professionals who work every day with present and future leaders of industry." The Grand Master assured his audience that it was his goal that "No one will have any occasion to wonder what he is supposed to do to fulfil his assignment."

The many activities of Freemasonry in the State of New York, both within the Craft and in the community, are under the direction of some forty-one committees of Grand Lodge. Although these committees are too many and too varied in their responsibilities to be enumerated or described here, perhaps one of them might be mentioned because its forward-looking mandate is certainly exceptional, and perhaps unique. It is the *Committee on the Fourth Century*. In its report to Grand Lodge, this committee stated "Our Fraternity began long before 1717 and will continue long after 2017, but both dates are significant, and it is time now to plan observance of the end of our third Masonic century and the beginning of the fourth."

The completion of the Centennial Year of the Grand Lodge of New Zealand was marked with the arrival of the Centennial Gavels. The official bearer of the gavels presented them to mark the commencement of the second century. "In the past twelve years," he said, "they have travelled to all the remote corners of New Zealand, to knock on the pedestals of every Master and every Warden in all the Lodges in the New Zealand Constitution." Specific details were given of the journeys of the gavels as they travelled over 23,200 km in ten years and four months. Grand Lodge was informed

that "The real purpose of the journey of the Gavels was to demonstrate the symbolic unity which binds Freemasons into one great Brotherhood."

The gavels were presented formally to the Grand Master, M.W. Bro. R. D. Orr. Also, he was presented with a register signed in each constituent lodge, together with the proceeds (\$46,227) of collections received at each lodge. The hope was expressed that the gavels would be preserved and that they would "continue their symbolic journey unhindered to the Bicentenary of the Grand Lodge of New Zealand."

The establishment of a permanent memorial of the Centennial of Freemasonry in New Zealand was reported to Grand Lodge. The committee, which had been charged with the task, stated in its report that "The concept of a Chair in Geriatrics in the University of Auckland was raised maybe ten years ago now, and the concept was that it would be established as a Centennial project in 1990. But such was the enthusiasm of the team that was given the task of raising finance for the trust fund, that the project was completed about six years early, and that in itself says something about the enthusiasm of the Freemasons in New Zealand for this project. And so the Chair was actually inaugurated in January, 1986, and we have now been in our Hospital in our premises for nearly five years."

The Masonic Chair in Geriatrics was established in the North Shore Hospital in Auckland. At the time of reporting, it was rapidly earning widespread recognition in the medical world for professional excellence in the fields of Clinical Services, Research, Teaching, and Health Promotion and Public Education Programmes.

The Grand Lodge adopted an officially approved "standardized logo." Rules for using it were established. For example, its use to promote a private business enterprise was prohibited. While the approved Masonic emblem may be used "only for the purpose of advertising or promoting Masonry or Masonic functions," there was no requirement that only the approved design be employed. While Grand Lodge encouraged the legitimate use of the new design, it did not require that it be displayed in lodge notices and the like, replacing more familiar versions.

The Grand Master, M.W. Bro. Frank Milne proffered one piece of advice for the conduct of Nova Scotian Masons during the ensuing year. "Freemasonry cannot shape the future of mankind," he said, "but it can today, as it has in the past, exert an important influence in shaping it. Tomorrow's world will be what men make it. You and I are part of the building crew and we should never forget it. As individual Masons, we should have ever in mind that profound statement of Voltaire, 'How infinitesimal is the importance of any thing that I can do but how infinitely important it is that I should do it!'"

A signal honour was paid to Freemasonry in Oklahoma on March 26, 1990, when the Grand Master and most of the Officers of Grand Lodge were presented before the House of Representatives of the State of Oklahoma. M.W. Bro. B. L. Laws informed Grand Lodge that he had conveyed greetings to the House on behalf of the Masons of Oklahoma and that a Citation had been issued by the House of Representatives to mark the occasion. In expressing his appreciation, the Grand Master gave particular thanks to a member of the House of Representatives, who is a Mason, for arranging this significant official recognition of the Fraternity. "To my knowledge," the Grand Master concluded, "this is the first time any body of Masons has been received by the Oklahoma House of Representatives."

M.W. Bro. Laws listed some eighteen Grand Lodge programmes, under the general designation of "Back to Basics," that have been designed to help each constituent lodge to be more effective and so gain a new lease on life. In remarking on the benefits to be derived from these programmes by a lodge, he was very direct in his criticism of those in leadership positions in certain lodges who had not availed themselves of this assistance. The Grand Lodge programmes, he said, "continue to be valuable tools for those Lodges and Brothers who use them. I must be honest and say that too many of our Lodges and members continue to do nothing and so they continue to die from within."

The Grand Master referred to a practice which had been introduced into Oklahoma Masonry recently under his sponsorship, namely giving recognition in the form of a pin to Masonic wives, as well as to Masonic widows. Two pins had been designed by his wife specifically for this purpose: one for Oklahoma Masonic wives and the other for Masonic widows. "These pins are now being worn," he said, "by many of our Masonic Ladies over the State and no small number are being worn in other Jurisdictions." Noting that one of these pins had been presented to the wife of every Mason who had received an award during the past year for service of fifty years or more, M.W. Bro. Laws observed, "We too often forget the debt we owe to our families in allowing us to serve this greatest of all Fraternities."

The Pennsylvania Grand Lodge Library and Museum, for many years, has been well known both for the importance of its collections and for the high professional qualifications of its staff. The Librarian and Curator is an accepted leader in his

profession in Philadelphia, and the library is increasingly recognized by Masons and scholars alike as a valuable reference and research facility, capable and willing to provide assistance of the highest calibre.

This facility has been revitalized and given greatly increased scope to serve its Masonic and academic clients. Its name has been changed to "The Masonic Library and Museum of Pennsylvania" and it has been transferred from a Grand Lodge Committee to an autonomous Board of Directors that was incorporated (in April, 1990) under the laws of the State of Pennsylvania. An application was made (and granted) to have the Library and Museum designated as a charity, legally empowered to receive donations that are tax deductible. This will greatly increase the financial assistance available to the Library and Museum, without resulting in a corresponding increase in the fiscal commitment of Grand Lodge.

Two additional sources of potential support were outlined in the Annual Report of the Board of Directors. One is not unusual in Masonic libraries that strive to be more than simply an inert collection of books. The formation of a Volunteer Program was announced, which is intended to "help the staff maintain the high standards" of the library. The other thrust is quite imaginative and may well be a first among Masonic libraries. The Board of Directors received authorization from the Grand Master, R.W. Bro. W. S. Stoner, for "the establishment of *The Friends of The Masonic Library and Museum of Pennsylvania*. A new brochure is in progress, which will include an invitation to join The Friends, and will indicate the categories available for membership. The brochure will also include information on special programmes which will be made available to the Friends group." This project has the potential to pay dividends in at least two ways. First, it will develop support, both financial and other, for the Library and Museum. Secondly, it will greatly help Grand Lodge to improve Masonry's visibility in the community and to increase its reputation as a community benefactor.

The Grand Lodge of the Philippines is unusual in having its own authorized hymn. "The official Hymn of Grand Lodge is an effective means for developing *esprit d'corps* or arousing the spirit of unity among the Fraternity of Free and Accepted Masons in the Jurisdiction," said the Grand Master, M.W. Bro. R. N. Beltran. Accordingly, he issued this Decree: "The official hymn of Grand Lodge shall be played or sung after the Philippine National Anthem on such Masonic activities as installations, conventions, visitations and the like."

M.W. Bro. Beltran informed Grand Lodge that at a recent Masonic district meeting a Roman Catholic priest by the name of the Rev. Father A. Carreon "gave a lively and impressive message to the members of the fifteen Lodges in the District." As editor of

a religious magazine, Father Carreon has frequently published in it articles which are favourable to Freemasonry. Several of these editorial observations were quoted by the Grand Master for the information of Grand Lodge. Some of them were as follows:

"I once ran a fund campaign for a policeman killed by hold-uppers in Cotabo. I frontpaged it in 'The Mindanao Cross' then called up some religious leaders who declined to give. The Masonic Lodge really supported it! It was a disconcerting experience. The vertical relation to God should flow into the horizontal. It didn't. Something's basically wrong with that kind of religion!"

"I admire the high moral tone and sincere friendship of the Masons."

"Their ceremonies take the cake and are meaningful. God is central to their strivings."

"A well-loved Mason was refused a church burial. But Father P. Hagad and others blessed his body privately. That's genuine ecumenism!"

"Some Catholics are asking why I praise the Freemasons when they are condemned by the Church. Not any more."

"While some Church authorities may discourage membership by Catholics, excommunication has been lifted by Vatican II."

The Grand Master suggested that the observations and comments of Father Carreon be read in lodges. Also, he requested that they "be given the widest publicity in your respective districts to allay the fears of our Catholic members regarding the status of their relationship with the Catholic Church."

A petition was received by Grand Lodge requesting that the physical penalties be removed from the Obligation in the First Degree. Several arguments in support of the idea were advanced, as well as several against it. After some discussion, the proposal was tabled.

Grand Lodge approved the following two changes to its Constitution with reference to the wearing of regalia:

- (i) "Grand Lodge regalia is worn only when in Grand Lodge, or when acting in an official capacity, or on ceremonial occasions, installations, etc, but Grand Lodge aprons may be worn at any time by those entitled as members to do so."

- (ii) "Masters and Wardens of Lodges shall appear in Grand Lodge in proper clothing, and the jewels of the office in right of which they attend therein, without regard to any other rank they may have previously held or may be entitled to in Grand Lodge."

The Grand Master, M.W. Bro. L. W. Nicholson announced that he had invited M.W. Bro. Hollett, Grand Master of the Grand Lodge of New Brunswick, to be the guest speaker at the official luncheon. The lunch was described as "a sumptuous lobster plate, provided by the members of Crystal Chapter No. 1, Order of the Eastern Star." M.W. Bro. Hollett pointed out that a problem of our age is that "We want freedom, as well as order, individual liberty as well as equality, safety as well as the benefits of risk taking, a wide open society as well as less crime, material wealth as well as spiritual wealth, without stopping to think that each of these values takes something away from the other. To use a current, but accurate word, we have forgotten the Trade-offs."

M.W. Bro. N. E. Auclair reported that at the request of a lodge he had issued a dispensation for a Lodge of Instruction to be held in a retirement home in Richmond. This was for the benefit of some thirteen residents of this retirement home who are Freemasons and are unable to attend lodge because of poor health or advanced age. The Grand Master observed that this was "a golden opportunity to illustrate our brotherhood to a group of long-standing Masons."

A report was made by M.W. Bro. Auclair "that the dialogue between the Grand Lodge of Quebec A.F. & A.M. and the M.W. Prince Hall Grand Lodge of Ontario and Jurisdiction F. & A.M. has continued with three meetings held during the past year. Our discussions are both frank and productive but held in a most warm and friendly manner and both sides look forward to the future with optimism."

The Grand Master gave an account of a Special Communication of the Grand Lodge of Quebec which was convened in September, 1990, for the purpose of instituting a new lodge to be known as *La Loge Amite*, to meet in St. Lambert. Following the installation of the Worshipful Master of the new lodge, and the investiture of the other officers, formal proclamations were made in English and in French that *La Loge Amite*, S.D., had been duly instituted. In welcoming the members of the new lodge the Grand Master, who spoke in both English and French, pointed out that "in a world so full of conflict it is essential that we in the Masonic Order demonstrate the benefits of genuine brotherhood."

The success that the Grand Lodge of Quebec is having in meeting the changing needs of Masonry in that province is shown by the increase in the number of francophone lodges in the jurisdiction. In his annual Address, M.W. Bro. Auclair gave this report on the state of bilingualism in Quebec Masonry: "The institution of this new Lodge [i.e. La Loge Amite] gives this jurisdiction ten Lodges working in the French language in addition to at least four others that operate in either English or French as the occasion may require."

A report was received from a committee that had been formed two years previously to gather information pertaining to Prince Hall Masonry throughout the United States and the rest of the world, and also to consider the question of mutual recognition. In addition, the committee reported that it had initiated a dialogue with representatives of Prince Hall Masons in Rhode Island. The committee recommended that a series of educational activities be undertaken to assist members of the constituent lodges to understand what the committee called the *pros and cons* of the recognition of Prince Hall Masonry. It recommended, also, that it be reappointed so as to continue its work for another year. The committee made no other recommendation regarding this subject.

In his annual Address, M.W. Bro. E. F. Perkins spoke of his attempt to make what he considered to be a desirable change in the ritual. He spoke, too, of the confusion that resulted when the advisability of what he had proposed was lost sight of in arguments over the legality of the way in which he made the proposal.

The Grand Master gave this description of events: "It was, and still is, my desire to remove the ancient penalties from the obligation section and place them in the section where the Master explains the signs, and inserting suspension and expulsion as a penalty. The edict I issued concerning the matter quickly created a widespread discussion of my legal right to issue such an edict. The original intent of the edict became lost in the shuffle."

The Grand Master recommended that a committee to study the proposal might be established by the incoming Grand Master, with instructions to report its findings, and recommendations if any, to the next Communication of Grand Lodge.

At the September Quarterly Communication, a reference was made to an event which had occurred in the national capital, Brasilia. This incident is of interest well beyond the boundaries of Brazil as a measure of the social position and governmental acceptance of Freemasonry in that country. On the occasion of a conference in Brasilia of the twenty-five Brazilian Grand Masters, M.W. Bro. Claudio Moreira de Souza, Grand Master of the M.W. Grande Loja do Estado do Rio de Janeiro, along with the other Brazilian Grand Masters, was granted a formal audience with the President of the Republic of Brazil. It is unusual for Freemasonry to be honoured in this way by a Head of State. At the municipal level, also, there is significant official recognition of the contribution which Masonry is making to society. This is indicated by the exemptions from the payment of local land taxes, water charges and civil works fees which have been granted to Masonic buildings.

Portuguese-speaking Masons planning to travel to Brazil, and in particular to the State of Rio de Janeiro, should be aware that a considerable problem exists there with respect to clandestine Masonry. Grand Lodge was informed that in and around the city of Rio de Janeiro there are several so-called Masonic lodges that are not recognized as legitimate. Masters of constituent lodges were advised by the Grand Master "to instruct our brothers to avoid those Lodges and in case we are visited by brothers of those lodges we should not make the record of such visit." Masonic visitors to the region who are considering attending lodge would be well advised to make appropriate enquiries locally beforehand.

M.W. Bro. D. A. Rennie stated in his annual Address, "It has been my belief for a considerable period of time that there are two ways of approaching tomorrow. The first is to wait passively for it to arrive and cope with change after the fact." The Grand Master preferred the second way, which is to prepare in advance for probable changes. Before one can look into the future, however, he must look carefully at the present. To this end, a survey had been made in 1990, "to provide background information of our likes, dislikes and hopes and aspirations." Some of its findings are:

Employment: Retired, 50%; self-employed, 30%; others, 12%;

Concordant Bodies: Belong to one or more concordant or appendant bodies, 35%;

(Note: Reasons were reported in order of importance according to the respondent but without specific percentages);

Service Clubs: Belong to one or more: 35%;

Ritual: Prefer to see more ritual, 67%; want less ritual, 33%;

Memorization: Enjoy it, 48%; do not enjoy it, 52%;

Non-Masonic Speakers: Want more invited to speak at lodge, 89%;

Family Involvement: Support much more family involvement, 96%;

Community Involvement: Support more direct involvement by lodge members and by lodges in community activities, 93%.

Although the report made no suggestion that these statistics are valid outside Saskatchewan, undoubtedly they contain many ideas that could be used profitably by Masonic leaders elsewhere.

The Committee on Fraternal Relations and Correspondence reported on the actions of the Grand Lodge of Wisconsin relative to Prince Hall Masonry. While stating that it approved of the steps taken by the Grand Lodge of Wisconsin, it stated that "Your Saskatchewan Committee makes no recommendation at this time, but will continue to monitor the situation as it develops."

Grand Lodge approved the following amendment to its Constitution: "No regalia or jewel, not pertaining to the degrees of Craft Masonry, shall be worn in Grand Lodge or any constituent Lodge," except the medal of a Grand Representative or awards related to long service in Craft Masonry.

SCOTLAND

Edinburgh, Scotland, February, May, August and November, 1990

The Most Worshipful Grand Master Mason, Brigadier Sir George MacGregor of MacGregor, Bart., addressing Grand Lodge on the occasion of the Festival of St. Andrew, stressed that remembering past successes is not enough to ensure an organization's survival. The question must be asked, he said, "Where are we going in the future? To survive and to remain a viable force, Freemasonry has got to be relevant to the time in which we live, it has got to provide the Brethren with a sense of purpose and I am quite certain in my own mind that Freemasonry fulfils both these requirements, but it is going to require effort on our part to plan for the future. Freemasonry stands for the highest standards of morality, it stands for tolerance and Brotherly Love in its best sense which moves across nations, across continents and across the world."

A year earlier, he observed, it would not have been possible to foresee the collapse of communism in eastern Europe, nor the return of Grand Lodges in that region. Speaking of the startling needs of the present time, and also of the opportunities to give moral leadership, he continued: "We live in a time when many of the organizations of the world seem to have lost their sense of direction in giving the moral lead to the general public. The Churches in my view have failed, Governments have failed and the various so-called organizations of professional do-gooders have failed."

In concluding his Address, the Grand Master Mason put this challenge before his brethren: "Here is a moment when there is an aching void to be filled and here is Freemasonry standing for all the moral virtues which have stood the test of time and will continue to stand the test of time because this is something which is totally unchanging. Brethren, let us achieve these moral heights and give the lead to the world by the very manner in which we live as Freemasons, as individuals in our Lodges and in the country as a whole. Never again are we going to have that opportunity in my view to give the moral lead which the world is looking for."

A report was received from the committee which had been established to advise on a medical research project, funded by Tasmanian Freemasonry, suitable as a permanent Memorial to the Centenary of the Grand Lodge of Tasmania. Notices had been placed in all newspapers in Tasmania inviting applications for a research grant, with copies to major hospitals throughout the State, the University of Tasmania and the Australian Medical Association.

Of the various applications for funding received by the committee, two had been selected for further consideration. They were in the process of final negotiations as Grand Lodge convened. The first of these two research proposals was designed to test the value of low doses of aspirin as a preventative of strokes and heart attacks in those at risk. The second investigation was intended to assess the effect of environment on behaviorally-disturbed elderly people suffering from Alzheimer's Disease.

In recommending these two medical research projects as a permanent Centennial Memorial, the chairman of the committee stated that they provided a good balance: "Firstly, we have a project that will look at preventative measures that will help aged people generally. As Professor Dwyer recently pointed out, it is not good enough to supply ambulances at the bottom of the cliff. We should be building fences at the top of the cliff. The second project provides the potential to influence management procedures for dementia patients. This is of pressing importance."

In his Address to Grand Lodge, M.W. Bro. C. B. Ward likened Freemasonry to a

garden: "A good garden grows only with hard work and constant feeding of the soil. Our Lodges are like that too." He recommended the use of these good Masonic nutrients:

1. Proper solicitation, by which he meant "talking to the right people about your lodge," ("right people" were defined as ones we would be proud to have as members);
2. Involvement of family members in the social life of the lodge in ways "other than washing up";
3. Involvement of members of the community in the social life of the Lodge;
4. Visibility in the community as lodges not just as individuals;
5. Realization that young members have only a limited amount of time available for lodge activities.

The Grand Master gave this caution: "Success doesn't come overnight and flowers don't bloom the day after they are planted."

The Fraternal Relations Committee began its review of the Proceedings of other Grand Lodges with an introduction in which the writer of the Reviews made this observation: "It is interesting to note that the same concerns, problems and attempted solutions are remarkably similar among Grand Lodges wherever they may be." Some themes which he found to be recurring in several Proceedings are:

- The public image of Masonry and its impact;
- Public Relations and what can Masonry do to create public awareness of its institutions;
- How to stop the universal decline in membership and what to do to attract new members;
- Drugs and alcohol abuse among children;
- The church's criticism of Masonry and whether or not to try to answer this criticism;
- Attempts to alter our ritual in order to placate criticism;
- Rising per capita fees to offset rising costs for operating Grand Lodge;
- Whether or not to allow alcoholic beverages in Masonic lodges.

The Grand Master began his Annual Report with a frank assessment of current conditions in Masonry in Texas. He did not give a rosy picture ("several Lodges have

problems that seem to be without solutions") but he was quick to point out that in most cases the problems arose from conditions over which the members of the lodges had no control. He gave examples: "Small towns are dying. Membership is decreasing. Taxes and insurance are increasing. Buildings need repairs. The average age of members is over 65." Saying that amalgamation of lodges is one solution that must be considered, he stated bluntly, "We must realize that some of our 941 Lodges must cease to exist."

M.W. Bro. Hanna had encouragement for his brethren, as well as words of warning. He offered some practical suggestions on improving attendance. His advice was "to make our activities more attractive." The first step in improvement, he said, was to plan every meeting very carefully. For this, goals must be set. He put down this challenge: "Where do we want to go?" We must have objectives in Masonry other than 'opening,' 'closing' and 'conferring degrees.' The Grand Master spoke of the available human resources: "Every Masonic District in Texas has capable speakers, teachers, and builders willing to provide our Lodges with interesting programmes throughout the year. All it takes is desire and planning by the Master, his officers and members."

M.W. Bro. G. W. Farley, in his Grand Master's Address, spoke of Masonry as "a way of life." He reminded his brethren that each Mason is, every day, without exception, some other person's impression of what a Mason is. That is why he was greatly encouraged that so many Virginia Masons "took up the challenge to show Masonry as a way of life."

The Community Builders Award is one of the ways in which Masonry in Virginia is making itself seen by the community as a way of life. The Grand Master remarked that this award had been initiated in an effort to let people in the communities know that Masons are there and that they care. He reported that it continues to be a good source of public relations for many lodges. "It has been with pleasure," he stated, "that I have received reports of increasing numbers of awards and increasing coverage of these presentations in the news media. We must take every advantage to make the citizens aware of Freemasonry and its good deeds."

The Child Identification Programme is another valuable outreach into the community. In the judgement of M.W. Bro. Farley, it met very real needs both in Masonry and in the community. In a recent survey of Masons in Virginia, aged 21 to 45 years, nearly 80% of the respondents indicated that "they would like to be involved in a hands-on programme of community service in which it was known that the Masons of the community were serving the community and that they were Masons." In response to this wish, the Grand Master had authorized Masonic participation in the

Child Identification Programme. The response of members of the Craft, he said, was "immediate and overwhelming."

The response from the community was also greater than had been expected. Initially it had been considered that 20,000 Child Identification pamphlets would be needed for distribution, but, eventually 80,000 were requested. The Grand Master estimated that "over 70,000 children across the State now have a vital record of photograph, fingerprint and other information assembled on them in one booklet in the hands of their parents to be used should the occasion ever require." He said that parents benefited from this programme by possibly being spared prolonged agony in the case of a missing child. Masonry, too, benefited from the programme: "The reservoir of good will and good public relations that have flowed from this programme in its initial year," according to the Grand Master, has been "most heartwarming and gratifying."

It was announced that Grand Lodge had negotiated a package insurance policy for all Masonic buildings in the jurisdiction, covering public liability and property loss or damage. The intention of having a single insurance policy, according to the announcement, was "to ensure that Grand Lodge and each constituent Lodge has better coverage at less cost." Accordingly, the Grand Master issued an Edict requiring all lodges to transfer their coverage to the new insurance policy, as stipulated in the agreement with the insurance company.

R.W. Bro. B. F. Detroy, Deputy Grand Master and Chairman of the Committee on Fraternal Relations with the Prince Hall Grand Lodge, reported on the harmonious relations that were being developed between the two Grand Lodges. He indicated that during the past year a joint committee had met "on three occasions to discuss activities, progress and concerns that had arisen after recognition. We would like to report that the association of the two Grand Jurisdictions has been most congenial and rewarding and that no problems have been reported."

The Grand Master referred in his Annual Report to the constant attacks on Freemasonry by various religious denominations, clergy and individuals in such forms as "T.V., public lectures, recorded tapes, religious magazine articles, comic books and other media forms of distribution." M.W. Bro. D. T. Massey stated that, in compliance with requests from several Masons for more information on Masonry and religion, he had requested the Grand Chaplain to write a reply to these attacks. This was done and the article was published in the June, 1991, issue of *The Wisconsin Masonic Review*, published under the auspices of the Grand Lodge of Wisconsin.

APPENDIX A

ADDRESS BY R.W. BRO. WALLACE E. McLEOD AT THE GRAND MASTER'S BANQUET JULY 15, 1992

THE GRAND MASTER: I am now going to ask M.W. Bro. N. R. Richards to introduce the speaker.

M.W. BRO. N. R. RICHARDS:

Most Worshipful Grand Master, Distinguished Guests and Brethren:

I am pleased to introduce Wallace McLeod. I thank the Grand Master for the opportunity because it is satisfying and somewhat reassuring to me to have the honour to present a distinguished Masonic brother. The circumstance is made more pleasant because our speaker's capabilities measure up so well to others who have preceded him on a similar occasion. The names of Donald Fleming, Allan Leal, Eric Nancekivell and Burt Matthews come to mind as brethren who have addressed us at the Grand Master's Banquet.

Bro. McLeod speaks to us this evening in the city where he was born. He is a graduate of the University of Toronto, having specialized in Classics, and is now a Professor in Victoria College of that University, where he earned the Doctor of Philosophy degree. Many have benefitted from our speaker's association with Victoria College and our Grand Lodge in particular as he presides as co-ordinator of the bursary programme of the Masonic Foundation of Ontario.

Our speaker's Masonic journey began in 1952 when he was made a Master Mason in Mizpah Lodge No. 572, the same lodge in which his father held membership. In 1969 he served the lodge as Worshipful Master. He was appointed to the Board of General Purposes in 1972 and made an honorary member of the Board in 1989. He has served the Grand Lodge of Canada in the Province of Ontario in several capacities, such as: the first Grand Historian, Chairman of the Library Committee, Chairman of the Committee on Masonic Education; he also serves as a Director and Vice-President of the Masonic Foundation of Ontario.

He is a skilled author and has written several books, two published by the Oxford Press. To many in this room he is well known as the editor of *Beyond the Pillars, Meeting the Challenge* and *Whence Come We?* Recent publications include *For the Cause of Good*, a history of the first twenty-five years of the Masonic Foundation of Ontario and *The Grand Design* published in 1991. The foregoing are but a few examples of his writings—the list is long and the content is first rate.

He has been invited to lecture at home, nationally and internationally, particularly in the U.S.A. and the United Kingdom. For his contributions to Masonry he has received many distinguished awards. I shall mention but two. The William James Dunlop Award—a prestigious award from Heritage Lodge No. 730 that carries the name of our late Bro. Dunlop, a beloved Grand Master and a patriarch of the Grand Lodge of Canada in the Province of Ontario. Another distinguished award came to our speaker in 1984. That year he was proclaimed a member of the Society of Blue Friars which includes only twenty Masonic Masters the whole world. In 1991, he became the Grand Abbot or presiding officer of the Society.

On the international scene, Bro. McLeod served as Master of the Quatuor Coronati in London, England; the only person from North America so honored in the lodge's history. In February, 1992, he was installed as President of the Phalaethes Society in Washington, D.C. This is reputed to be the oldest, longest and most successful Masonic research body in America. He is the first President to come from outside the U.S.A.

Much more could be said by way of introduction. From the foregoing it is apparent that Wallace McLeod is a committed and practising Mason, a scholar and an intellectual giant who keeps the flag of Masonic intelligence, Masonic history and Masonic understanding flying not only in this jurisdiction, but on a national and international basis as well. It is a pleasure to invite him to address us.

THE EFFECTS OF CHANGE

Most Worshipful Grand Master, Officers and Members of the Grand Lodge of Canada in the Province of Ontario, Distinguished Visitors, and my Brethren:

Thank you for that splendid introduction. What a great honour this is! In many ways, it is the highest distinction that can come to a Brother of this jurisdiction. Whenever something this fine happens to me, I try to set it in perspective by looking at the past record. I think of those from other jurisdictions who have spoken at the Grand Master's Banquet: the talented communicator Robert C. Singer (1988), now the Grand Secretary of New York; my friend, the Vice President of the Philaethes Society, Rev. Forrest Deloss Haggard, Past Grand Master of Kansas, who addressed our gathering twice (1974, 1986); and one of my heroes, the great Dwight Louis Smith (1969) of Indiana, whose two provocative little books, *Whither are we Traveling?* and *Why this Confusion in the Temple?* should still be required reading for every Warden; and the magnificent Thomas Sherrard Roy (1960, 1963), Canadian by birth, Grand Master of Massachusetts, the virtual founder of the Commission on Recognition that was so well served for six years by our own M.W. Bro. William R. Pellow.

It is even more moving to recall the local brethren who have graced this podium in past years: the charismatic Bro. Rev. Richard Cerwyn Davies (1989), who in February was called upon to address the Conference of Grand Masters in Washington, and last month spoke to the Grand Lodge of Nova Scotia; a sage and judicious

Brother, the Honorable John Ross Matheson (1987), the son of Bro. A. Dawson Matheson, Dean of Emmanuel College in my own University when I was a student; Dr. Eric William Nancekivell (1982), our own Past Grand Master, immediate Past President of the Masonic Relief Association of the United States and Canada; Dr. Burton Clarke Matthews (1981), head of one of the great Universities of our country; my dear friend, still sharing in the deliberations of Grand Lodge, the clear-sighted H. Allan Leal (1980); the late Honorable Donald Methuen Fleming (1979, 1968), one of the founders of the Masonic Foundation of Ontario; Rev. Dr. Allan Lorne MacKay (1977), who has been so active in the concordant orders; the beloved Archbishop William Lockridge Wright (1975, 1967, 1962), Past Grand Master, who, in a practical way, introduced religious tolerance at the lodge level—and the only man ever invited to address this august assemblage three times.

Truly, there were giants in the earth in those days! These are all great men, and I realize that I am now following in their footsteps, though at a distance. It is a challenge, and not one that is easy to meet.

If you keep track of anniversaries, 1992 is an impressive date. It marks five hundred years since the arrival of Christopher Columbus, and one hundred and twenty-five years since the Confederation of Canada. It is also a Masonic jubilee. Two hundred years ago William Jarvis, our first Provincial Grand Master, arrived in Upper Canada; the event was recently commemorated in Niagara-on-the-Lake by a historical conference and other festivities. Two hundred and seventy-five years ago the premier Grand Lodge was formed in England, and twenty-five years ago H.R.H. the Duke of Kent was installed as Grand Master. And we are proud that our own Grand Master, M.W. Bro. Norman E. Byrne, was chosen to bring greetings from the Commonwealth Grand Lodges to the celebration in London.

This is also the hundredth anniversary of the building where I work. Let me reminisce for a few minutes. For thirty years I have been teaching at Victoria College. It was originally located in Cobourg, and was the first university in Ontario that imposed no religious test on its students or faculty (1841). It conferred the first B.A. to be earned by study in Ontario (1845). It built the first free-standing science centre at any university here (1876). It founded the oldest student magazine in Canada that is still functioning (1878). It awarded the first medical degree to a woman in Canada (1883). (For much of this information I am indebted to my colleague, a non-Mason, Professor E. G. Clarke.)

In 1892 Victoria College entered into federation with the University of Toronto, and moved to our fair city. It took up quarters in a new building, one of the finest and most imposing structures on the campus, which is this year being restored after a century of service. It was designed by a Toronto architect named W. G. Storm. And this is where the digression becomes relevant. William George Storm was initiated into Masonry in St Andrew's Lodge, Toronto, on June 11, 1850; he was Master in 1858 and again in 1859, and served as District Deputy Grand Master of Toronto District in 1861.

When the new Victoria College building was opened, three Masons on the teaching

staff affiliated with the architect's lodge: Rev. John Burwash, Professor of Natural Science, and a brother of the President; Lewis Emerson Horning, Professor of Germanic Languages—whose photograph hangs in my office; Alfred Henry Reynar, Dean of Arts, and an accomplished speaker, who in fact replied to the Toast to the Guests at the Centennial Banquet in 1892.

This place, then, so important in my life, has a demonstrable relationship with the Craft. But there is more to come. Over the front door is written a maxim from the Volume of the Sacred Law, "The *truth* shall make you free" (John 8:32). Inside the building six stained glass windows carry portraits with suitable quotations. Under the picture of Plato we read, "Verily, in all good things, both for gods and for men, *truth* leadeth the way." And Isaac Newton tells us, "The great ocean of *truth* lay all undiscovered before me." *Truth* is of course one of our tenets or fundamental principles, and sometimes I wonder if the Masonic architect may not have picked out these particular texts. It is certainly true that by following his advice I have got into trouble more than once!

On the present occasion, your speaker is not altogether a free agent; as an officer of Grand Lodge he is subject to his Grand Master. I did inquire what topic would be suitable for this evening, and I was told that it might be appropriate to talk a bit about openness in Freemasonry, and the involvement of our families. My approach will be historical, starting with the past, moving to the present, and looking towards the future.

Every Installed Master has taken a solemn obligation that he will not "permit or suffer any deviation from the established usages, customs and landmarks." He has also given his assent, signified by the sign of fidelity, to the proposition that "it is not in the power of any man or body of men, to make innovation in the body of Masonry." In general terms, this means that no changes are allowed. This is important, because basically it guarantees the fundamental uniformity of the Craft; it ensures that, no matter where we travel, we will feel at home among brother Masons.

The regulation is quite old, and is derived from one that was passed by the premier Grand Lodge on June 24, 1723. It is quoted in Anderson's *Constitutions* of 1738 in a somewhat longer form: "It is not in the Power of any Man or Body of Men to make any Alteration or Innovation in the Body of Masonry, *without the Consent first obtain'd of the G. Lodge.*" Now that is interesting! This resolution, forbidding change, has itself been changed! And of course, over the years all sorts of innovations have been introduced by individual Grand Lodges, as is their prerogative under the original regulation. That is why Freemasonry is not absolutely identical all over the world.

Let us look at the way in which one part of our procedures has evolved through the years, and note some of the effects of the changes. We like to think of our ritual as secret, but even so we can trace its development. (As my teacher Harry Carr used to say, I shall be quoting from modernized versions of obsolete rituals, that have no necessary connection with current usage.)

The modern Craft claims to be descended from the stonemasons of olden times

in England. We know that four hundred and fifty years ago every candidate for masonry was required to listen to a traditional history and to the regulations, and then, while he was holding the Bible, he repeated a short obligation, as follows:

These charges that we have now rehearsed unto you, and all others that belong to masons, you shall keep, so help you God and that which you regard as holy, by this Book in your hand, unto the best of your power. Amen.
Simply a promise of obedience; no secrets, no penalty.

Within a century, a new feature was added, one that is mentioned even by non-Masons. In 1686, for example, Robert Plot, Professor of Chemistry at Oxford, said that the Masons have secrets, "to which they are sworn after their fashion." And John Aubrey, who wrote on a book on the Natural History of Wiltshire in 1691, mentioned the Masonic "Oath of Secrecy." Actually at least seven different forms of this oath have been traced from the period before 1717, and they were current in both England and Scotland. Here is one that survives in four closely related copies of the Old Manuscript Constitutions. It must go back to about 1650:

I, A. B., do in the presence of Almighty God, and my Fellows and Brethren here present, promise and declare, that I will not at any time hereafter, by any act or circumstance whatsoever, directly or indirectly, publish, discover, reveal or make known any of the secrets, privities or counsels of the Fraternity or Fellowship of Free-Masons, which at this time or at any time hereafter shall be made known unto me. So help me God, and the true and holy contents of this Book.

And here's a curious foreshadowing. One other cognate text (the Macnab Manuscript) evidently regarded the obligation itself as a secret that could not be disclosed. Instead of copying out the whole thing, the scribe wrote simply, "I, A. B. etc. etc."

Here's another oath of secrecy, from the Drinkwater Manuscript of the Old Charges:

The signs and tokens that I shall declare unto you, you shall not write in sand, paper, or green leaves, and you shall not tell it to any dumb creature in the hearing of any person, neither to stick, stock, nor stone, in the hearing of any person, neither to man, woman, nor child, but to such as you find to be a Mason. So help you God.

So by 1650 there were secrets, but still no mention of any physical punishment. A penalty for improper disclosure is first mentioned about fifty years later, in both England and Scotland. One version, found in three manuscripts going back to 1696, runs as follows: "under no less pain than to have my tongue cut out under my chin and to be buried within the flood-mark where no man shall know." From that time on the oath of secrecy, accompanied by reference to a traditional penalty, was a regular part of the Masonic initiation.

It wasn't long before the governing bodies of Masons began to believe that any disclosure of their ceremonies was improper, and the whole of the ritual was to be regarded as a secret. On October 20, 1730, a man named Samuel Prichard published a 32-page booklet called *Masonry Dissected*, which purported to describe all the

proceedings. The Minutes of the premier Grand Lodge, less than two months later (December 15, 1730), state explicitly that this book had been published "In Violation of the Obligation of a Mason." It was clearly felt that the only appropriate way to communicate the ritual was by word of mouth.

Prichard's *Masonry Dissected* went through thirty consecutive editions in England, and eight in Scotland, as well as several pirated editions. Suppose there were only 300 copies in a printing run. That's 12,000 copies of the Masonic ritual. Are we to imagine that the non-Masonic public was so curious about the nature of our ceremonies? It's much more likely that the brethren ignored the wishes of Grand Lodge, and preferred to memorize their work from printed books. *They* provided the market for Prichard's pamphlet.

The pattern is repeated again and again. Many subsequent unofficial exposures sold well. *Three Distinct Knocks*, first published in 1760, went through eight editions in London, as well as a whole series of Irish copies. *Jachin and Boaz* appeared in thirty-four editions between 1762 and 1800. In the next century Richard Carlile's *Manual of Freemasonry* was regularly reprinted from 1831 on. George Claret's *Ritual* (first issued in 1838) was, according to Harry Carr, "undoubtedly the ancestor of most of the 'little blue books' in use in Britain today" (*The Freemason at Work*, page 48). All these texts, so widely distributed, were, strictly speaking, unauthorized and therefore "bootleg." Indeed, in England it was not until 1969 that the Emulation ritual was officially published with the approval of its governing body.

In the Grand Lodge of Canada, all instruction in the ritual was "mouth to ear" until 1887. In that year, *The Work* was first printed, but only for distribution to the three principal officers of each lodge. As recently as sixty years ago, it had a preface that included the following words: "[This book] shall be used solely for my own information and instruction, . . . I will not lend or transfer it to any individual whomsoever, nor copy it or any portion of it, nor improperly expose it so that others may acquire knowledge of its existence and purport, nor leave it about in such a manner as to be seen by any unqualified person. . . . I will not admit the existence of 'The Work' or the possession thereof by me, to any person who does not hold or has not held the rank of Junior Warden."

Here I pause on just a minor point. The officers of Grand Lodge, who were Masons, had taken an obligation that included the words, "I will not write those secrets, indite, mark, print, carve, engrave, or otherwise them delineate." Yet they printed the ritual, except for certain small portions. For my part, I cannot believe that Grand Lodge was prepared to violate its own obligation! I therefore conclude that those parts of the Work that were printed are not regarded as Masonic secrets, and there's no reason to conceal them from non-Masons.

Let me give you a personal anecdote. When I became a Mason, I was a student, still living at home with my parents. My mother telephoned Eatons and ordered a copy of the Masonic Work. It was delivered the next day. At some time during the next nine years, while I was traveling around a fair bit, the little book disappeared. When I

returned to Toronto in 1962 and became active in my lodge, it seemed sensible to get a copy of *The Work*. At that date, as a lowly Master Mason, I was not eligible for the official version. So I went to a well-known bookstore downtown here, and said to the salesclerk, "I wonder if you might have a copy of the Masonic ritual." The girl reached under the counter, and handed me a pocket-sized book in a neat little cardboard box. That was the source from which I learned my lectures and charges for the next few years, until I became an officer.

The book was "Printed in England; Copyright 1962," and was distributed by "Lautir Book Press," at a Toronto address. (Lautir is Ritual spelt backwards; the address now belongs to an old familiar bookseller.) The ritual was an accurate version of the Ontario working. I found only one misprint, and for years afterwards I could tell who had studied the authorized work and who had used the "bootleg" one. The clue was a familiar bit of wording: "From the whole we deduce this moral: that knowledge, grounded on accuracy, aided by labor and prompted by perseverance, will finally overcome all difficulties." "Prompted by perseverance?" That's what the "bootleg" copy had. The authorized work says "promoted by perseverance," but "prompted" comes close to making sense. Just a misprint of one letter! Have you ever heard anyone say "prompted?"

Evidently for many years there was a heavy emphasis on secrecy. As a result most of us were neurotic about everything Masonic. Let me remind you of some of the horror stories. The lodge-room in a small town is starting to look a bit shabby; but the brethren cannot get it redecorated, because the only journeyman painter in the community does not belong to the Craft, and if he were allowed in, he would learn all the secrets. Or again, the husband keeps his regalia and Masonic documents in a special closet, and his wife is forbidden, under what penalty we know not, to open the door or look at the contents. He dies, and she, faithful to his memory, prepares to discard everything, sight unseen. She calls in the members of the lodge to carry the garbage out to the curb; when they peek into one box, they find an old lodge minute book that had been lost for years. Or, a third example, another wife says, "For years, up until now, we've had no secrets from each other, but since my husband joined your organization he won't tell me anything; Freemasonry is the first thing that has ever come between us." Or finally, a reporter for the mass media wants to learn more, and keeps on hearing the words, "No comment."

In some ways Grand Lodge encouraged this secretiveness. Here is a story from the Grand Master's address of almost forty years ago. A Brother from a lodge in Western Ontario "was reported to have written out the obligation of the Entered Apprentice Degree, and to have dictated certain questions and answers to his wife who had recorded them in writing. He was also alleged to have in his possession a book which contained the complete treatment of the three degrees of Masonry." The Grand Master appointed first a committee of enquiry, and then a trial commission. The accused brother admitted that he had done these things, and added "he had not received any special warning about not writing his obligation" (*Proceedings*, 1953). He was suspended for over a year, and was given a severe reprimand.

For 117 years, every word of the ritual (except for those parts that were printed in the *Book of Constitution*) was inaccessible to the ordinary Mason. Finally, in 1972, the Grand Master, M.W. Bro. William Kirk Bailey, said, "Worshipful Masters and those charged with the tutoring of candidates prior to advancement are reminded that word-of-mouth instruction is the only recognized means for imparting the necessary information. However, your Grand Master recognizes some of the problems and, therefore, recommends that the questions and answers for examination of candidates in open Lodge be printed for distribution to Lodges. . . . Such copies are to become the property of the Lodge for loan to candidates."

And two years later, after M.W. Bro. Bailey had become Custodian of the Work, the Grand Master of the day, M.W. Bro. George E. Turner, made the following announcement: "For the past several years Worshipful Masters have been encouraged to engage Master Masons in assisting in conferring degrees. Learning the Work by word of mouth can be very time consuming and arduous. In order that reliable aid be made available we propose to allow Master Masons who have passed the necessary satisfactory examination in open Lodge to purchase copies of the Work through their Lodge Secretary."

We can see then that our long-standing irrational fixation on secrecy has at last been diluted. This new openness has had a number of side effects, and should in time have others. Let me refer to two or three areas. First, we might look at those who write nasty things about us. In my experience, the anti-Masons share one common characteristic. Because they don't think that we will talk back, they don't care whether what they say is true or false. Their rhetoric is stronger than their facts. Let me try to show you what I mean.

Do you recognize the name of Pat Robertson? He's a television evangelist, the founder of CBN, the Christian Broadcasting Network. He's the one who on September 26 or 27, 1985, was able to divert Hurricane Gloria away from the Virginia coast, just by praying. In 1988 he ran for President of the United States. He has now written a book called *The New World Order* (1991). In it he tells us of a plot to take over the world, and make it into a classless and godless society; one of the main agents in this evil scheme is Freemasonry. The conspiracy, he says, has been around for a long time. For example, look at the back of the American dollar bill. There you will see the Great Seal of the United States, which includes the All-Seeing Eye. This, Pat Robertson tells us, "is the eye of an ancient Egyptian deity, Osiris, who is revered in . . . the sacred rites of the Masonic Order" (page 36). It follows that Masonry still preserves the pagan mysteries, and is incompatible with Christianity or Judaism, because the All-Seeing Eye belongs to an Egyptian god. I can't help wondering if Pat Robertson's Bible includes the Proverbs of Solomon, where we read (15:3), "The eyes of the Lord are in every place, beholding the evil and the good," or the Second Book of Chronicles (16:9), "The eyes of the Lord run to and fro throughout the whole earth."

In his diatribe, Pat Robertson quotes from a circular of Albert Pike, whom he calls "Sovereign Pontiff of Universal Freemasonry," that was issued on July 14, 1889: "The Masonic Religion should be . . . maintained in the purity of the Luciferian doctrine.

Yes, Lucifer is God" (page 184). The problem is that no such decree was ever issued by Pike. This is a forgery, invented by Abel Clarin de La Rive for an anti-Masonic tract of 1894 (C. Haffner, *Workman Unashamed*, 1989, page 210).

Let me inflict a few more examples on you. There's a company called Chick Publications, with offices in California. Among other things, it sells pocket-sized comic books with a fundamentalist Christian message. One particular tear-jerker, called *The Curse of Baphomet*, was sent to me not too long ago by a non-Mason, Richard K. Taylor, purely for my entertainment. It was written by Jack T. Chick, and is copyrighted 1991. It tells about a young man who is seriously injured; in fact, he has shot himself. In the intensive care unit, the doctors decide that he has lost the will to live. The reason is that his father is a Freemason, and after all, "Masonry is just modern Baal worship . . . with new titles." Luckily, a friend is able to set father straight: "Alex," he says, "being a Mason has brought witchcraft right into *your home*. That gives Satan's forces legal ground there. Tommy's condition may be related." So father renounces Masonry, burns his apron and his fez, and asks God to forgive him. The boy at once takes a turn for the better; presumably he recovers, and the family lives happily ever after. The comic book has several pictures of the god to whom the Masons pray, called Baphomet, "ugly, frightening and completely satanic." I don't know if you've met him or not. In the comic book he is pictured as a goat-headed idol with wings. (You've heard of "riding the goat?") If you decide to investigate further, you will find that Baphomet has nothing to do with Baal, but is an old misspelling of the name of Mahomet. At the time of the Crusades, he was allegedly worshipped by the Knights Templar. He was brought into connection with the Masons by a nineteenth century hoaxer, Leo Taxil—who later admitted in public that he had lied.

Martin Short, in his book *Inside the Brotherhood* (1989), says that the Gothic Constitutions "made no reference to Hiram the metal-worker," and says that Hiram was given his surname by "eighteenth-century Freemasons" (page 59). The truth is that at least seventeen versions of the Old Charges mention Hiram as the architect (*AQC* 90, 1977, page 185). And the English Coverdale Bible of 1535 calls him "Hiram Abif" (B. Jones, *Freemason's Guide and Compendium*, page 310).

In 1986 a magazine called *The Presbyterian Record* published an attack on Freemasonry, saying that Great Architect Of The Universe was the name of the false god "that the Masons worship at their altar." Actually this term was introduced into Freemasonry in 1723 by the Presbyterian minister James Anderson, who got it from the works of John Calvin, where it appears repeatedly. Imagine the Presbyterians, who inherited much of their doctrine from Calvin, attacking a traditional Calvinist idea! (*The Grand Design*, 1991, page 108).

Over the last few years, Pastor Ron Carlson of Milwaukee, President of Christian Ministries International, has preached more than once in Toronto on the topic of Freemasonry, and has distributed tapes of his sermon. He has studied the topic for two whole years, so that must make him an expert. At one point, to show how Masonic leaders deceive their followers, he quotes the following statement, which he says is written by Albert Pike: "He sins against God, who divulges to the unworthy the

mysteries confided to him. The danger is not merely in violating truth, but in telling truth." If you come to check this, and look up the reference in *Morals and Dogma* (page 545), you find that Pike says explicitly here that he is quoting from the work *On the Mysteries (De Mysteriis)* by St Ambrose, Archbishop of Milan, who lived in the fourth century. Whether or not one agrees with the sentiments, it seems to me utterly dishonest to blame Pike for Ambrose's words.

I go back no further than this, though the Anti-Masons have been with us since 1698. My big problem with all of these people is that, where I can check, the so-called "facts" on which they base their conclusions are false. Are they unable to find out the truth, or are they unwilling to disclose it? In the one case, they are incompetents; in the other, they are liars. I'm afraid that they utter these untruths because they imagine that we still have a fixation on secrecy. I think we've got to speak out and tell them, "What you say about Masonry is not true."

Just a word or two more about public misconceptions. There is a television series called "Mystery!" that appears from time to time on Channel 17 from Buffalo. Earlier this year it had several episodes about an English policeman named Inspector Morse. One story, broadcast in April, was entitled, "Masonic Mysteries!" In it the Inspector actually believed for a while that half the police force was composed of Masons, all actively plotting to get rid of him. There's your Masonic conspiracy again! Or—can this be regarded as progress?—Freemasonry finally made the journalistic big leagues, when it rated a short paragraph (111 words) in the discriminating pages of *Time* magazine for June 22. And did the reporter get it right? Do you need to ask? He talks about the opening and closing of the lodge, which are said to involve "baring one's chest and rolling up the leg of one's trousers." The picture is consistent, and depressing. The outside world has no notion of what Freemasonry is, and what Freemasons do.

It would obviously be to our advantage to educate the public at large. It was expressly for this purpose that Grand Lodge formed a Committee on Public Relations in 1963. The Committee's activities were fairly casual for the first fifteen years. But in connection with our 125th Anniversary it did offer a formal report, that was printed in the *Proceedings* for 1980. More recently, it has begun to present regular reports and to play an active rôle. This is extremely important. And in the matter of public perception, it is excellent news that our Grand Master was interviewed on television, and that copies of the video tape are available on loan through the Grand Lodge Library.

While we are talking about this new openness, perhaps we should refer to the recent discussions about the legitimacy of origin of Prince Hall Masonry. But maybe you have heard enough about this, and I withhold further comment, except to note that here, once again, lack of correct information has led to injustice.

Next, let us look briefly at the importance of the new openness as it affects the relationship between Freemasonry and the family. Clearly, and naturally, the brethren have always had a profound concern, and affection, for the ladies. Robert Plot, in his *Natural History of Stafford-shire*, published in 1686, tells us about the admission of

candidates into a Lodge of Free-Masons. There must be in attendance, he tells us, at least five or six of the "Elders of the Order, whom the candidates present with gloves, *and so likewise to their wives.*" The new Mason gives gloves to his brethren and to their wives! What is the meaning of this? Symbolic, certainly, "clean hands, and a pure heart." But I suspect that, as well, for the women the gloves represent a token of esteem and protection.

We move ahead a half century. At a London theatre in 1732, at the conclusion of a performance, one of the actresses came forward and spoke as follows:

What monstrous horrid lies do some folks tell us?

Why, Masons, ladies, are quite clever fellows.

They're lovers of our sex, as I can witness,

But never act contrary to moral fitness!

If any of you doubt it, try the Masons.

They'll not deceive your greatest expectations . . .

Then treat the Craft, ye fair, with kind regard,

And give them, in your smiles, their best reward;

Give them to boast, where'er their Art extends,

That they and beauty, from this hour, are friends.

We move now to the New World. The *Upper Canada Gazette* for June 28, 1797 carried an announcement that ran as follows: "At a meeting of their lodge in their room, Newark [that is, Niagara-on-the-Lake], it was resolved that a fund should be established for the benefit of Free Masons' widows, the education of orphans, and indigent brethren's children." This early benevolent fund, the first in Ontario, was designed largely for the protection of the women.

Not too long afterwards, in the minutes of Rawdon Lodge, in the town of muddy York, for December 27, 1799, we read that, after a meeting of the lodge, the brethren "at four o'clock returned home, and waited on our wives and sweethearts, back to the hotel, and partook of a sumptuous dinner at five o'clock. And at seven opened a ball in great harmony, which was carried on with a great deal of politeness, and closed the ball at twelve o'clock." This is the first Masonic Ladies' Night in Ontario.

A century later, just a hundred years ago, a splendid banquet was held in Toronto, to celebrate the centenary of the Craft here in Ontario. The second last toast, just before the J.W.'s Toast, was to "The Wives and Daughters of the Craft." The Toast was proposed by R.W. Bro. H. A. Collins, D.D.G.M. of the Toronto District; he closed with the lines from the poet Moore:

Woman, thou loveliest gift here below

That man can receive, or Providence bestow.

The response was by W. Bro. E. W. Gardner, W.M. of Stouffville Lodge. He said, in part, "The wives and daughters of the Craft have been . . . helping us through daylight and dark, through difficulty and danger, aiding, counselling and encouraging, a beacon of hope in adversity, a sparkling star in prosperity. And gazing backwards on a life of vicissitudes, I acknowledge that the little good I have in me is attributable to them, that by them every joy has been accentuated, every sorrow softened, every pain diminished,

and every noble thought encouraged. And as it has been with me, so it has with others; and knowing this I can say with all the honesty and fervency of my soul, though they were the last words I uttered on earth, God Bless the Wives and Daughters of the Craft." (I am most grateful to R.W. Bro. E. C. Ralph for finding the texts of these speeches.)

We all love the ladies. And most of us have attended ladies' nights. One wonders if that is enough. There have been tremendous changes in society in the last generation. A year ago our Grand Master, M.W. Bro. David C. Bradley, spoke as follows: "You should not let your commitment to the Craft blind you to the needs of your family. Masonry should be shared with wives, because they are generally proud of you, proud of your achievements, proud of your work and proud of the happiness which you derive from membership in the Craft. Why not, therefore, let your family share your joy and pleasure? Tell your wife about Masonry . . . Do not scare her with too many stern cautions about secrecy. Do not do anything to diminish the goodwill that your family holds towards your lodge and towards your Masonry. This is essential both for the tranquillity of the family and of the lodge."

He suggested that the Public Relations Committee should prepare a pamphlet explaining Freemasonry to the candidate's wife. R.W. Bro. W. Norman Buckingham, the Chairman of the Committee, suggested that the scope should be broadened to include the entire household. This was done, "to help our members share Masonry with their families, to help them explain the principles of our Order, its objectives and how it functions." Most of you will have seen it, and it is clearly a step in the right direction.

Just to show we are not alone, let me quote my good friend John Hamill, the Librarian and Curator of the Freemasons' Hall in London. "Freemasonry has always been a male preserve—for historic reasons rather than any feelings against the fair sex . . . Attitudes have changed and we need to ensure that Freemasonry does not interfere with family life and to look at ways of involving families in Freemasonry. There is little point in claiming that we care about society if we totally exclude our families from Freemasonry and do not even discuss it with them. A member's Freemasonry should not divide him from his family, nor should he spend so much time on it that his family feels neglected.

"As part of the educating of the general public . . . the Masonic Halls and lodge rooms have been opened to the public on specific days. This has been a mainly positive step but one of the disheartening comments that has come out of it is the number of wives and widows of Freemasons who have commented that this was the first occasion on which they had been admitted into a lodge room or had met anyone willing to answer their questions . . .

"In many cases . . . the lodge depends on the wives for their catering which is not really the way to involve the ladies. The younger wife might get the concept of being relegated to the kitchen. We are trying to find ways of getting more involvement. One of the ways . . . is that the . . . [Masonic] centres are becoming social centres. As well as having Masonic meetings . . . many of them . . . will have weekend social activities

to which wives and non-Masons are invited If we want to go on attracting younger brethren . . . one subject we have to address . . . [is] involving wives and families in some way in Freemasonry" (*Masonic Perspectives*, 1992, pages 25, 35-36).

Bro. Hamill is absolutely right. It is clear that we have to ensure that our families are on our side. One hesitates to try to draw aside the veil of futurity. I'm certainly not in the prophecy business, but it is at least possible that at some stage we may have to take steps to integrate the gentle sex more closely into Freemasonry. This would fundamentally change the nature of the Craft. In some aspects, perhaps, it might introduce improvements. In others, it would necessitate innovations that I personally would deplore. At all events, we are certainly not ready for it yet, and we may well hope that it will not happen in our lifetimes. Nevertheless, don't rule it out for all time. Look at the way that society is evolving, with its growing insistence on total integration. But I leave this for you to worry about.

I must curtail myself. All of the topics we have mentioned here this evening seem to me to be important. But no matter what happens in the future, the main functions of Freemasonry are still carried out in the lodge room. Let me remind you of the words spoken by V.W. Bro. Otto Klotz, when he addressed a Ladies Night held by Alma Lodge, No 72, Galt, on December 27, 1864. "The object . . . of meeting in the lodge is of a twofold nature, namely moral instruction and social intercourse. Our meetings are intended to cultivate and enlighten the mind, to induce the habit of virtue, and to strengthen the fundamental principles of our Order: Brotherly Love, Relief, and Truth. And if these meetings are blended with social mirth, and a mutual interchange of fraternal feelings, then Freemasonry will be shown in its true light, as an institution which fosters and improves the best affections of our nature, and carries into active operation the practice of the four cardinal virtues"

Has anyone ever said it better? When you attend your lodge, don't ever forget why you are there. Moral instruction and social intercourse! Thank you.

DEPUTY GRAND MASTER'S THANKS TO R.W. BRO. McLEOD

R.W. Bro. Wallace McLeod—on behalf of the Grand Master, our distinguished guests, and all of the members in attendance this evening, it is my privilege to express to you our grateful thanks and appreciation for your splendid message this evening.

Your Masonic scholarship is internationally known and valued, and tonight you have provided one more example of your ability to communicate and to inspire your brethren.

I should also thank you on behalf of all those who will be able to share in our experience, electronically through the video, and by the written word in our Proceedings.

Thank you so much, Right Worshipful Sir!
